BLACK HOWL

Penguin Something is wrong with the souls of Chicago's dead. Ghosts are walking the streets, and Agent of Death Madeline Black's exasperating boss wants her to figure out why. And while work is bad enough, Maddy has a plethora of personal problems too. Now that Gabriel has been assigned as her thrall, their relationship has hit an impasse. At least her sleazy ex-fiance Nathaniel is out of the picture--or so she thinks...

BLACK WINGS

Penguin The first novel of the Black Wings urban fantasy series, by Christina Henry, author of *Alice and Lost Boy*. As an Agent of Death, Madeline Black is responsible for escorting the souls of the dearly departed to the afterlife. It's a 24/7 job with a lousy benefits package. Maddy's position may come with magical abilities and an impressive wingspan, but it doesn't pay the bills. And then, there are her infuriating boss, tenant woes, and a cranky, popcorn-loving gargoyle to contend with. Things starts looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. But when an unholy monster is unleashed upon the streets of Chicago, Maddy discovers powers she never knew she possessed. Powers linked to a family legacy of tarnished halos. Powers that place her directly between the light of Heaven, and the fires of Hell...

BLACK LAMENT

Penguin As an Agent of Death, Madeline Black deals with loss every day. But when tragedy touches her own life, Maddy will have to find the strength within to carry on... Devastated and grieving, Maddy unexpectedly finds hope with the discovery that she is pregnant. But Maddy's joy is short lived when Lucifer informs her that he wants the baby, hoping to draw on the combined power of two of his bloodlines. Maddy is determined that her grandfather will never have her child, but she's not sure what she can do to stop him. Being pregnant is stressful enough, but Maddy suddenly finds herself at odds with the Agency—forbidden from meddling in the affairs of the supernatural courts. When a few of her soul collections go awry, Maddy begins to suspect that the Agency wants to terminate her employment. They should know by now that she isn't the sort to give up without a fight...

BLACK NIGHT

Penguin Madeline Black is an Agent of death, meaning she escorts the souls of people who have died to the afterlife. Of course, not everyone is happy to see her... If obstinate dead people were all that Maddy had to worry about, life would be much easier. But the best-laid plans of Agents and fallen angels often go awry. Deaths are occurring contrary to the natural order, Maddy's being stalked by foes inside and outside of her family, and her two loves—her bodyguard, Gabriel, and her doughnut-loving gargoyle, Beezle—have disappeared. But because Maddy is Lucifer's granddaughter, things are expected of her, things like delicate diplomatic missions to other realms.

BLACK HEART

Penguin As a former Agent of Death, Madeline Black is no stranger to witnessing violent ends. But being the one to cause them is an entirely different story... Despite her having saved Chicago from a vampire invasion, the Agency wants to get Maddy off their payroll—permanently. With the deadly Retrievers hot on her trail, she has no choice but to trust Nathaniel to port her to safety. But even the exotic and dangerous world that she winds up in is not as peaceful as she would have hoped. Caught in a turf war between a group of fae and a disturbingly familiar foe, Maddy soon discovers that the twisted plots of her grandfather, Lucifer, and his brothers extend even into this unknown realm. Now, with enemies gathering on all sides, Maddy's fate is looking darker than ever. And to protect her unborn son from her adversaries, she may have to tap into a power she hoped never to access...

Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

BLACK SPRING

Penguin A former Agent of death, Madeline Black now has everything to live for, most importantly, her unborn child. But Chicago has become ground zero in a struggle between ancient creatures, and only Maddy can stop the carnage... The mayor of Chicago has announced a plan to round up the city's supernatural beings and put them in camps. With her due date looming, Maddy's best move would be to lay low for a while. But not everyone is willing to respect her privacy. Hounded by tentacled monsters, a rogue shapeshifter, and a tenacious blogger, Maddy turns to her most powerful ally, her uncle Daharan, only to find him missing. Just when it seems like things can't get any worse, Maddy gets an invitation in the mail—to Lucifer's wedding. Turns out everyone has been invited, friends and enemies alike. And with that kind of guest list, it's highly unlikely there will be a happily ever after.

CALAMITY

BEING AN ACCOUNT OF CALAMITY JANE AND HER GUNSLINGING GREEN MAN

Ignition Books® "Jordan's weird western snatches the best adventure and suspense elements from both genres and distills them to their essences, creating a violence-laced but enjoyable romp."--Publishers Weekly "This first novel adds a fresh sf twist to a . . . Wild West legend. This gritty story blends the right amount of hard trials and humor, giving readers a revitalized perspective on a familiar folklore heroine.--Library Journal "Calamity is a lesson on how to do it right. Highly recommended."--Peter David, New York Times Best-selling Author "J. D. Jordan's Calamity is a satisfyingly gritty, intense and entertaining novel that deserves the attention of speculative fiction readers . . . It's something different, because it offers a fascinating glimpse into the early life of Calamity Jane. It's quite an extraordinary sci-fi Western romp."--Risingshadow.net!m sure you've heard of Calamity Jane, but this is not a novel about Calamity Jane. At least not the Jane you may have read about. Calamity Jane is part of the legends of the Wild West, but long before she scouted with Custer or "Wild Bill" Hickok, she was a fifteen-year-old girl with a fiery temper. Violence and tragedy turn young Jane's world upside down and soon she finds herself riding with an alien gunslinger--the Green Man--through a landscape of revenge and betrayal. Along the way, she learns how to shoot a six-gun and how to stand on her own, even when surrounded by Lakota warriors, and be respected. From space ships to guns that can shoot the wings off a butterfly a mile away, young Jane realizes that the universe is far bigger than the Wild West and that she can trust no one in it to save her but herself. When the villainous Grays meddling in the wars between the Indians and the government stand in the way of the Green Man making his way home, Jane finds her desire for revenge may be less than her loyalty for the longrider. And in that realization, she becomes the hero the Wild West has long remembered. So, forget what you know of how the West was won. Forget the Indian Wars and Custer's Last Stand. Instead, learn the truth of what happened when a young girl met a longrider she called the Green Man . . .

WINGS FOR CHANGE

SYSTEMIC ORGANIZATIONAL DEVELOPMENT

This book is about organisational development from a systemic perspective. It is about systemic principles. How do they work in organisations? And how do people in those organisations experience them? This book attempts to answer this and many more questions on working with the systemic phenomenological perspective in organisations and society at large. From the same perspective, this book discusses a large amount of issues such as fraud, success, downturn and succession. This book includes many examples of organisations and themes, including constellations in South America, Europe, Russia and the US. Together, they make this book to be a Lonely Planet in the world of working in the systemic- phenomenological way. Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December. GOD'S FEMINIST MOVEMENT

REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

3 BOOKS TO KNOW PARIS

Tacet Books Welcome to the 3 Books To Know series, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is: Paris - Notre-Dame de Paris by Victor Hugo - The Ladies' Paradise by Émile Zola - The Phantom of the Opera by Gaston Leroux. Victor Hugo began writing Notre-Dame de Paris in 1829, largely to make his contemporaries more aware of the value of the Gothic architecture, which was neglected and often destroyed to be replaced by new buildings or defaced by replacement of parts of buildings in a newer style. For instance, the medieval stained glass panels of Notre-Dame de Paris had been replaced by white glass to let more light into the church. This explains the large descriptive sections of the book, which far exceed the requirements of the story. A few years earlier, Hugo had already published a paper entitled Guerre aux Démolisseurs (War to the Demolishers) specifically aimed at saving Paris' medieval architecture. The Ladies' Paradise is the eleventh novel in the Rougon-Macquart series by Émile Zola. It was first serialized in the periodical Gil Blas and published in novel form by Charpentier in 1883. The novel is set in the world of the department store, an innovative development in mid-nineteenth century retail sales. Zola models his store after Le Bon Marché, which consolidated under one roof many of the goods hitherto sold in separate shops. The narrative details many of Le Bon Marché's innovations, including its mail-order business, its

system of commissions, its in-house staff commissary, and its methods of receiving and retailing goods. The Phantom of the Opera is a novel by French writer Gaston Leroux. It was first published as a serialization in Le Gaulois from 23 September 1909, to 8 January 1910. It was published in volume form in late March 1910 by Pierre Lafitte and directed by Aluel Malinao. THE HOLLOWAY PACK: BOOKS 1 - 3 (BOXED SET)

J.A. Belfield Seven alpha wolves. Not brothers by blood, but brothers by nature. When Jem Stonehouse reunites with the Alpha's son, Sean, she has no idea just what she is taking on. And the pack has no idea just how many lives will need to be taken, when they accept Jem into their fold and agree to protect her. For the first time, books 1, 2 & 3 of The Holloway Pack are available in a single boxed set. CALLED Jem Stonehouse dreams of running free. She closes her eyes on her mundane life as a suburban housewife and is whisked to a realm where she races through trees under the silvery glow of moonlight. Jem shrugs it off as overactive imagination, until a chance encounter with a mysterious stranger leaves her wondering if there's more to it than that. Sean Holloway's inner wolf recognizes Jem the second he catches her scent. With a single glance, he knows her to be the woman that comes to him in his dreams. While the two have never met—in this lifetime, at least—the bond he feels for her is intimate and unbreakable. But when their dream encounters become reality, a series of events is set in motion. Apart, the two are safe. Together, they awaken a centuries-old rivalry that could cost them their lives. With history repeating itself, Sean must teach Jem who and what she truly is. Their survival depends on her embracing her heritage and fighting alongside him. Can Jem stand firm in the call of destiny, or are her instincts buried far too deep? ***Previously published as 'Darkness & Light' AND 'Called'*** LURED Someone is watching the Holloway Pack, and this time, the female isn't the target. Life with a group of seven male werewolves worries Jem Stonehouse not one bit. She is engaged to the Alpha's son Sean Holloway after all. So what has Jem's territorial instincts on high alert? The pack's latest addition. Both of them. None of the men think there's a problem with the new girlfriends. Jem's intuition tells her otherwise—that and a nagging

suspicion the new females aren't there to partake. Jem believes they've joined in to take. The question is ... What? As the eve of the blue moon draws ever closer, Jem's running out of time to find the answer and outwit a thief of the worst possible kind. A woman who believes she can't lose. ***Previously published as 'Blue Moon'*** CAGED If the meek can become deadly, the strongest can be weak. For Ethan Holloway, his mission to find a missing werewolf should be simple. Crack a few heads, bust a few chops and the solution always reveals itself. Always. Not this time. Ethan's reputation precedes him, and because it does, someone is ready. Waiting. Unbeknownst to Ethan, he's about to go down. Hard. Against a foe he never suspected and in a world he never imagined could be real. What awaits Ethan is a fight not only for his reputation, but also his pack, his female, and his life. If he survives, damage control will become priority number one. If he survives. Because even Ethan's not sure he's strong enough to take on an entire race all by himself. Especially one hell bent on exposing who and what he is in the name of sport.

IT'S A SIN

"He is a talented and very promising young policeman. Make no mistakes, he deserves the promotion." But when gay Detective Sergeant Dave Lyon is assigned to Detective Inspector Claire Summerskill's team as part of the Service's 'positive discrimination policy', no-one at Foregate Street Station is happy. And that includes Summerskill and Lyon. Mutual suspicion and mistrust must be shelved however, when a young man's beaten body is found on a canal tow path, and a dead-end case of 'happy slapping' unexpectedly turns into a murder investigation. Why would someone want to kill middle class arts student Jonathan Williams? And how is his death linked to that of rent boy and would be 'adult' film star Sean? As Summerskill and Lyon's investigations proceed, the newly promoted detectives begin to untangle a web of connections, false assumptions and sheer prejudices that force them both to question closely not just their relationship with each other but with the rest of their colleagues at Foregate Street Station and with the Police Service as a whole. "It's A Sin" is the first in the "Summerskill and Lyon" police procedural novels.
