KEY=FORCE - LAUREL ALISSON

Omega Force Rebellion

Now that he knows a malevolent AI that calls itself the Machine has seized much of the ConFed's military apparatus and even controls the Grand Adjudicators themselves, Jason Burke must decide if he risks picking a fight with such an overmatched enemy, or if he runs to hide and fight another day.

Omega Force: Soldiers of Fortune

Omega Force is back!After the daring rescue of a political dissident, Omega Force is contracted to investigate a rash of violent attacks on civilian shipping lanes within a group of star systems known as the Concordian Cluster. It seems a simple enough job with a huge payday at the end and it's exactly what the ragtag group of mercenaries needs in order to keep their ship flying and to stay one step ahead of those hunting them.However, the further they delve into the seedy underworld of the Cluster the more they realize they may be in over their heads. With innocent lives hanging in the balance, Captain Burke and his crew begin a desperate race to uncover who is responsible for these attacks, and why, before their ultimate goal can be realized.-----

"Omega Force: Soldiers of Fortune" is the follow up to the popular novel "Omega Rising". It continues the adventures of Jason Burke, a lone human

in space who has linked up with five other aliens to try their luck as hired guns. Their mandate: to help those who don't have the means to help themselves and never accept a job that would compromise the honor code they live by. **Omega Force Novels: Omega Rising Omega Force: Soldiers of Fortune**

Omega Rising

CreateSpace Jason Burke was a man hiding from himself in a small cabin high in the American Rocky Mountains when his simple, quiet life was shattered one night by what he first assumed was an aviation mishap. But when he investigates the crash, what he finds will yank him out of his self-imposed exile and thrust him into a world he could have never imagined. He suddenly finds himself trapped on a damaged alien spacecraft and plunged into a universe of interstellar crime lords and government conspiracies, along the way meeting strange new friends... and enemies. As he struggles to find his way back home he is inexorably drawn deeper into a world where one misstep could mean his death. Or worse. He desperately wants to get back to Earth, but it may be the end for him. ... or is it just the beginning?

Omega Force

Savage Homecoming

Ever since he joined Omega Force, Captain Jason Burke has lived with the underlying fear that one day Earth would be discovered. His desire to keep Earth's existence and location a secret has driven him to extremes, and kept him far away from his homeworld for a long time. But now Jason's greatest fear is realized, and a fleet of alien ships has attacked his planet. Omega Force rushes to Earth's defense, but the ships are like none they've ever encountered, and employ weapons they have no defense for. Will their lone gunship be able to slug it out with the unknown fleet holding the planet hostage? Or will this be a one-way trip for the crew of the Phoenix?

Omega Force: The Human Factor

Lulu Press, Inc From USA Today bestselling author Joshua Dalzelle..... Captain Jason Burke is a man apart, and not just because he's the only of his kind for thousands of lightyears in any direction. The changes to his body and to his genetic code have made him faster, stronger, more able to survive in his dangerous occupation ... but they've also ensured that he'll never truly fit in with others of his species. He always assumed he would live and die with his crew and never lay eyes on another human again, so he was completely unprepared for the crisis that is brought to his doorstep. The mercenary captain learns through back channel information

that Earth may be in danger and, worse, that he may have been a contributing factor. He now faces the choice of ignoring the problem and allowing his own species to fight their own battles, or returning to help and risk making the situation worse. Can he just sit idly by while his species faces such a dire threat?

The Lost Starship

Ten thousand years ago, a single alien super-ship survived a desperate battle. The vessel's dying crew set the AI on automatic to defend the smashed rubble of their planet. Legend has it the faithful ship continues to patrol the empty battlefield, obeying its last order throughout the lonely centuries. In the here and now, Earth needs a miracle. Out of the Beyond invade the New Men, stronger, faster and smarter than the old. Their superior warships and advanced technology destroy every fleet sent to stop them. Their spies have infiltrated the government and traitors plague Earth's military. Captain Maddox of Star Watch Intelligence wonders if the ancient legend could be true. Would such an old starship be able to face the technology of the New Men? On the run from killers, Maddox searches for a group of talented misfits. He seeks Keith Maker, a drunken ex-strikefighter ace, Doctor Dana Rich the clone thief stuck on a prison planet and Lieutenant Valerie Noonan, the only person to have faced the New Men in battle and survived to tell about it. Maddox has to find a place hidden in the Beyond and bring back a ship no one can enter. If he fails, the New Men will replace the old. If he succeeds, humanity might just have a fighting chance...

The Psychosocial Implications of

Disney Movies

MDPI In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

A History of the Work of Redemption

Redemption

For vampire Aidan Murphy, life has never been so desperate. The vaccine used to treat a global pandemic has rendered human blood deadly to his kind, leaving them on the brink of starvation and civil war. In tiny Penton, Alabama, Aidan establishes a peaceful community of vampires and unvaccinated human donors. He dares to hope they can survive -- until his estranged brother descends upon Penton and begins killing the humans. Determined to save his town, Aidan kidnaps an unsuspecting human

doctor...and finds himself falling in love for the first time in nearly four centuries. Dr. Krystal Harris thought she was coming to Penton for a job interview, but Aidan Murphy has other plans. Infuriated by his high-handed scheme to imprison her in the small town, Krys can't ignore the attraction between them. But is it love? Or does her dangerous, charismatic captor want only to bend her to his will?

The Book of Lies

Lulu.com Aleister Crowley's *The Book of Lies* is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of *The Book of Lies* from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

A More Perfect Union

Holistic Worldviews and the Transformation of American Culture After World War II

Oxford University Press This book uncovers a holistic sensibility in post-World War II American culture that challenged Cold War logic and fed some of the century's most powerful social movements. This impulse is illustrated by focusing on Rachel Carson, Buckminster Fuller, Martin Luther King Jr., Abraham Maslow, Pierre Teilhard de Chardin, and the Esalen Institute.

Treatises on the Trinity

Lulu.com Gathering together some of the most influential theologians of the great awakening and the middle ages, this work takes a look at the theology behind the Trinity. These authors are thorough in their thinking on this topic and try to explain what exactly the Trinity is and what it means to worship a God that is one being in three different persons. Many Christians have struggles with this topic and how to arrange it within their thinking and their own worship and these works are an important step in figuring out one of the most prevalent and important mysteries in the Christian faith.

Writings on the Trinity, Grace, and

Faith

Yale University Press In this collection of writings drawn from Jonathan Edwards's essays and topical notebooks, the great American theologian deals with key Christian doctrines including the Trinity, grace, and faith. The volume includes long-established pieces in the Edwards canon, newly reedited from the original manuscripts, as well as documents that have never before been published and that in some cases reveal new aspects of his theology.

Omega Force

To Hell and Back

Independently Published A new killer is cutting a bloody swath through the frontier worlds. Rumors of its exploits are spreading and, like a ghost, nobody even knows what it looks like. Captain Jason Burke and his crew watch this growing menace with a mix of unease... and guilt. They know who this killer is. He used to be one of them. Seven, as he now called himself, is their former crewmate. The powerful, sentient machine that had once gone by Lucky has suffered a psychotic break and is now a problem

that Omega Force has to deal with. Jason wants to believe that he can still save Lucky, but the longer Seven remains, the more he has to admit that it might be better for everybody if he was just eliminated before he can hurt any more innocents. The real question is can they even do it? Many have gone up against Seven already. None were alive to talk about it. The Omega Force crew is in for the fight of their lives against someone who knows everything about them. Every strength. Every weakness. Can Jason take down Seven without losing anyone else?

Murphy's Lawless

A Terran Republic Novel

Beyond Terra Press

Jesus Our Redeemer

A Christian Approach to Salvation

OUP Oxford Jesus Our Redeemer examines what it means when Christians call Jesus their 'Redeemer' or 'Saviour'. It tackles such questions as: How can redemptive events in the past (Christ's life, death, and resurrection) bring about saving effects in the present? Why do human beings need redemption, both individually and collectively? What images of God are implied by the saving action of God and by human needs? Gerald O'Collins SJ draws on the scriptures, Christian hymns and texts for worship, literature, the visual arts, and other sources. He examines four major models of how redemption through Christ has been thought to work: theories of deliverance, penal substitution, sacrifice, and transforming love. He concludes by considering the outworking of salvation in the life of the Church, the situation of non-Christians, and the final consummation of human life and the created world at the end of time.

The Trinitarian Theology of Jonathan Edwards

Text, Context, and Application

Routledge While Jonathan Edwards scholars have increasingly recognized the central role that the Trinity played in his thought, no work brings together Edwards' central texts on the Trinity and interprets and applies them to contemporary theological issues. This book reveals how the doctrine of the Trinity transformed Edwards' ministry and how the Trinity

can inform current evangelical thought, life, and ministry. Key primary texts, interpretation, and application of Edwards' trinitarian theology are all presented here. Part one features Edwards' chief trinitarian writings and provides an in-depth analysis on his doctrine. Part two sets Edwards' trinitarianism in historical context. Part three demonstrates how Edwards employed the Trinity in his sermons, in spiritual formation, and in other areas of doctrine.

Code Name: Tiara

Big Dog Books, LLC I joined Jameson Force Security for three reasons: the missions, the danger, and the money. I definitely didn't join the team to be an overpriced babysitter for a spoiled princess. Ask anyone who knows me, and they'll tell you Jackson Gale is an adventurer through and through. Yet here I am, halfway across the world, watching over Princess Camille of the House Winterbourne. Even her name sounds stuck up. After arriving in Bretaria, I realize that Princess Camille is nothing that I expected. Beautiful, smart, and sophisticated, Camille is the very picture of elegance and grace. But under her perfect façade, she is funny, adventurous, sexy as hell, and impossible to resist. And that is a dangerous combination. The closer Camille and I become, the more obvious it is that while she and I are compatible in many ways, our destinies are not. She has a duty to the monarchy, and I'm just an average American who's fallen for a princess. Everyone says we can't be together, but how does one walk away from the other half of their heart?

The Self-Donation of God

A Contemporary Lutheran approach to Christ and His Benefits

Wipf and Stock Publishers In *The Self-Donation of God*, Jack Kilcrease argues that the speech-act of promise is always an act of self-donation. A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise. Being that creation is grounded in God's promising speech, the divine-human relationship is fundamentally one of divine self-donation and human receptivity. Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law (Gen 3:15). As a new and effective word of grace, the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation. In this new narrative, God gives himself in an even deeper manner to humanity. By donating himself through a promise, first to the protological humanity and then to Israel, he binds himself to them. At the end of this history of self-binding, God in Christ enters into the condemnation of the law, neutralizes it in the cross, and brings about a new creation through his omnipotent word of promise actualized in the resurrection.

Bitter Heat

A pregnant omega trapped in a desperate situation, an unattached alpha with a lot to prove, and an unexpected fall into love that could save them both. Kerry Monkburn is contracted to a violent alpha in prison for brutal crimes. Now pregnant with the alpha's child, he lives high in the mountains, far above the city that once lured him in with promises of a better life. Enduring bitterness and fear, Kerry flirts with putting an end to his life of darkness, but fate intervenes. Janus Heelies has made mistakes in the past. In an effort to redeem himself, integrity has become the watchword for his future. Training as a nurse under the only doctor willing to take him on, Janus is resolute in his intentions: he will live cleanly in the mountains and avoid all inappropriate affairs. But he doesn't anticipate the pull that Kerry exercises on his heart and mind. As the question of Kerry's future health and safety comes to an explosive head, only the intervention of fate will see these desperate men through to a happy ending. This gay romance novel by Leta Blake is the third in the Heat of Love universe which began with *Slow Heat*. It's 111,000 words, with a strong happy ending and a critically-acclaimed, non-shifter Omegaverse. It features alphas, betas, omegas, male pregnancy, mpreg, heat, and knotting. Content warning for a violent and oppressive society regarding reproductive rights.

A Commentary on the Holy Bible: Commentary on the New

Testament

The Alpha and Omega

The Beginning and the End of Biblical Interpretation

WestBow Press This book is about the amazing revelation of God's plan for the whole world. He knows the end from the beginning. The first part of the book encompasses all the aspects of salvation; and the consequences of not accepting his plan of salvation and obeying his word. This is a wonderful eye-opening book that enables us to walk through the corridors of time until we see the New Heaven and earth. It reveals the contrast between the Old and New Testament. This book answers the question of predestination. It also shows that the Father, Son, and Holy Spirit are one.... unequivocally. It tells us what the definition of belief is. Scripture interprets scripture. With any doctrinal truth scattered throughout the Bible, when brought together according to topic, there can be no doubts of the truth of each doctrine. Part two of the book is all about interpreting the book of Revelation. Some of the scriptures have many topics. There are seven topics in Revelation 1:4: These are.... the seven churches; grace; peace; from him which is, and which was, and which is to come, and from the seven spirits: I have capitalized REVELATION and each subsequent TOPIC. The first time I write the scripture I do not put an asterisk in front of REVELATION. After the initial scripture I put an * in the front of every scripture *REVELATION until all the topics have been exhausted. EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED.
