HAITI

12 JANUARY 2010

De.Mo A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

LAST DAY ON EARTH

STORIES

Simon and Schuster A boy on the edge of adolescence fears his mother might be a robot; a psychotically depressed woman is entrusted with taking her niece and nephew trick-or-treating; a reluctant dad brings his baby to a coke-fueled party; a teenage boy tries to prevent his mother from putting his estranged father's dogs to sleep. Ranging from a youth arts camp to an aging punk band's reunion tour, from a dystopian future where parents no longer exist to a ferociously independent bookstore, the stories in this collection revolve around the endlessly complex, frequently surreal system that is family.

THE LITTLE BOOK OF CHRISTMAS

Chronicle Books A collection of the stories, legends, and rituals surrounding Christmas, featuring colorfully illustrated lithographs. This festive follow-up to *The Little Book of Saints* and *The Little Book of Angels* explores the wonderful rituals and rich history surrounding Christmas. From the story of the nativity to the legends that have inspired beloved holiday traditions (like why Father Christmas arrives through the chimney), this collection includes Christmas customs from around the world. Beautifully illustrated with color lithographs taken from missals and prayer books, this joyful little book is a Christmas treasure for the whole family to gather around year after year.

JEWELRY

THE BODY TRANSFORMED

Metropolitan Museum of Art p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana} As an art form, jewelry is defined primarily through its connection to and interaction with the body—extending it, amplifying it, accentuating it, distorting it, concealing it, or transforming it. Addressing six different modes of the body—Adorned, Divine, Regal, Transcendent, Alluring, and Resplendent—this artfully designed catalogue illustrates how these various definitions of the body give meaning to the jewelry that adorns and enhances it. Essays on topics spanning a wide range of times and cultures establish how jewelry was used as a symbol of power, status, and identity, from earflares of warrior heroes in Pre-Colombian Peru to bowknot earrings designed by Yves Saint-Laurent. These most intimate works of art provide insight into the wearers, but also into the cultures that produced them. More than 200 jewels and ornaments, alongside paintings and sculptures of bejeweled bodies, demonstrate the social, political, and aesthetic role of jewelry from ancient times to the present. Gorgeous new illustrations of Bronze Age spirals, Egyptian broad collars, Hellenistic gold armbands, Japanese courtesan hair

adornments, jewels from Mughal India, and many, many more explore the various facets of jewelry and its relationship to the human body over 5,000 years of world history.

JUSTIFIED

NineStar Press The world of vampires and werewolves is in upheaval. BRUEGEL IN DETAIL

in Detail The perfect companion for the Bruegel year of 2019: an introduction to the famous painter through stunning large close-up details in a beautiful coffee table book. Flemish painter Pieter Bruegel the Elder (1525-1569), known for his beautiful landscapes and peasant scenes, is among the most popular artists in the history of Netherlandish painting. Reproducing all of Bruegel's best-known paintings, drawings and prints, this book reveals them as never before, in stunning large close-up details that showcase his mastery. Organized by his major themes - landscapes, daily life, biblical subjects and festive celebrations - it offers astonishing views of popular works of art such as Hunters in the Snow, Peasant Wedding and The Tower of Babel. The printings and drawings section includes his series on Sins and Virtues. Bruegel expert Manfred Sellink reveals how the painter introduced new subject matter into fine art and examines his use of landscape, perhaps the artist's greatest innovation.

HALF PORTIONS

University of Illinois Press The short stories in this collection take the reader from small-town Wisconsin to the bustling streets of New York and Chicago and back again. While they range greatly in length and tone, they all share the trademark wit and affectionate insight of Edna Ferber. Showcasing the facility with words that made her a mainstay at the Algonquin round table, Ferber explores some of her favorite themes: the role of women (especially strong or unconventional women) in modern society, the mores of the midwestern small town, and the changes over time in relationships between parents and children. In "The Maternal Feminine," a plain, overlooked child grows into a strong, resourceful businesswoman and forms a strong motherly bond with the children of her more attractive sister. In "April 25th, As Usual," an aging Wisconsin couple reluctantly join their successful daughter in New York, where they try to adjust to a very different lifestyle. "Old Lady Mandle" is a bittersweet tale about an elderly Chicago mother coming to terms with the fact that she is no longer the most important woman in the life of her grown son. "One Hundred Per Cent" features Ferber's celebrated heroine Emma McChesney, now re-married, seeing her husband off to war. The stories gathered here are beautifully observed chronicles of early twentieth-century life and are filled with characters who, despite their very human foibles, are all bestowed by Ferber with warmth and dignity. "All these stories and all these pages are thronged with real men and women, and in them Miss Ferber continues to display not merely her skill at storytelling, but also her greater skill at breathing into them the breath of life." -- Boston Transcript

FRICITION AND WEAR PROPERTIES OF SELECTED SOLID LUBRICATING FILMS. PART 3; MAGNETRON-SPUTTERED AND PLASMA-ASSISTED, CHEMICAL-VAPOR-DEPOSITED DIAMONDLIK

Independently Published To evaluate commercially developed dry solid film lubricants for aerospace bearing applications, an investigation was conducted to examine the friction and wear behavior of magnetron-sputtered diamondlike carbon (MS DLC) and plasma-assisted, chemical-vapor-deposited diamondlike carbon (PACVD DLC) films in sliding contact with 6-mm-diameter American Iron and Steel Institute (AISI) 440C stainless steel balls. Unidirectional sliding friction experiments were conducted with a load of 5.9 N (600 g), a mean Hertzian contact pressure of 0.79 GPa (maximum Hertzian contact pressure of L-2 GPa), and a sliding velocity of 0.2 m/s. The experiments were conducted at room temperature in three environments: ultrahigh vacuum (vacuum pressure, 7×10^{-7} Pa), humid air (relative humidity, approx.20 percent), and dry nitrogen (relative humidity,

KENZO TAKADA

Acc Art Books * An exclusive look-book of hand-colored sketches and personal photographs from the archives of Japanese fashion designer Kenzo Takada* Includes hundreds of sketches and personal photographs which offer an insider's perspective on his career, creative process, and vision* Features a stunning cover design by Kenzo In 1970, the young Japanese designer Kenzo Takada opened his first boutique, Jungle Jap, in Paris and revolutionized the fashion world. His colorful, ethnic, and nomadic- influenced collections, made with luxurious and vibrantly patterned textiles, tweaked the conventions of haute couture while maintaining the quality of traditional European clothing houses. He was influenced by Parisian fashion and Japanese kimonos, boldly mixing colors and prints, cuts and materials. His vibrant palette and pattern combinations were joyful and whimsical, and very different from the subtle tailoring of the traditional Paris couturier. In his inspired blend of the opulent and the exotic, he developed a signature style and found early success. With stunning photography, and over 300 sketches from Kenzo's private collection, this book traces more than forty years of his creative output. It includes photographs from his high-energy runway shows, in addition to personal photographs, and a behind-the-scene look at the creation of a spectacular wedding dress, opening a window on the creative process and capturing Kenzo's energy, vision, and presence. Superbly illustrated throughout with penciled and hand colored sketches, swatched drawings, and previously unpublished archival photographs, the authors explore Kenzo's career, tracing the evolution of his cult label in a look-book of visual exuberance.

HEALING THE SOUL OF AMERICA - 20TH ANNIVERSARY EDITION

Simon & Schuster Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of Healing the Soul of America shares her timeless, visionary message of political healing. In the twentieth anniversary edition of Healing the Soul of America, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration. We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need.

SOLERI

Tor Books Michael Johnston brings you the first in a new epic fantasy series inspired by ancient Egyptian history and King Lear. The ruling family of the Soleri Empire has been in power longer than even the calendars that stretch back 2,826 years. Those records tell a history of conquest and domination by a people descended from gods, older than anything in the known world. No living person has seen them for centuries, yet their grip on their four subjugate kingdoms remains tighter than ever. On the day of the annual eclipse, the Harkan king, Arko-Hark Wadi, sets off on a hunt and shirks his duty rather than bow to the emperor. Ren, his son and heir, is a prisoner in the capital, while his daughters struggle against their own chains. Merit, the eldest, has found a way to stand against imperial law and marry the man she desires, but needs her sister's help, and Kepi has her own ideas. Meanwhile, Sarra Amunet, Mother Priestess of the sun god's cult, holds the keys to the end of an empire and a past betrayal that could shatter her family. Detailed and historical, vast in scope and intricate in conception, Soleri bristles with primal magic and unexpected violence. It is a world of ancient and elaborate rites, of unseen power and kingdoms ravaged by war, where victory comes with a price, and every truth conceals a deeper secret.

HEAVENLY SCENT [SCENT OF A MATE 3] (SIREN PUBLISHING CLASSIC MANLOVE)

Siren Publishing [Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, light bondage, HEA] Jude Mason and his identical twin brother are ocelots. In the paranormal world, that means that they are less than everyone else. They are considered abominations, chased from one pride territory to the next, never knowing if someone is going to attack them or where they might find their next meal. When Jude stops off at a local bar to get a glass of milk, he finds the one thing he thought he'd never have-his mate. There's just one problem...his mate is human and knows nothing of the shifter world or the bond that just formed between them. Tripp Van Buren never imagined he'd fall for a geeky little guy with glasses and a surprising giggle. But after meeting the strange man, he can't stop thinking about him. It's almost an obsession. And so is the need to keep Jude protected from everything. When Tripp goes back to the bar for Jude, he discovers a world he never had a clue about-shifters, mates, claiming, mating heat, and something different about Jude that takes them all by surprise. Tripp knows that if he wants to stay in this odd world with Jude, he'll need to learn everything he can about it. But will he still want Jude after he learns just how unique Jude is? ** A Siren Erotic Romance

FROM RAGS TO RICHES IN CHRIST

Uel wasn't always the man of God that he is today. In fact, his life was so far removed from God that some would consider his transformation a miracle. His path was one of depravity and darkness, but God, through His awesome power, intervened and placed him on a path of victory and light. This book is a testimony of his life and the saving grace of God. Be inspired by the faithfulness and power of God to take a life cloaked in sinful rags and clothe it in rich robes of salvation.

HOLIDAY DESIGN

Sendpoints With a focus on graphic design, Holiday Design--The Festive & The Joyful stands out among all others in its gorgeous radiance. "Each celebration brings with it a period of change. It marks the end of a stage and the beginning of a new one in every person's life." The editor aims to display brilliant designs on holidays, ceremonies and special days. The works include cards, invitations, posters, giftpackaging and special day souvenirs, etc. A time of rejoicing, sharing, reflecting, forgiving and giving thanks can often bring fresh inspiration to the design world. Inspiration is an awakening, a quickening of all man's faculties, and it is manifested in all high artistic achievements. Without craftsmanship, inspiration is a mere reed shaken in the wind. The combination of the two gives rise to many of the brilliant pieces in the design realm.
