### Hollow Pike

*Hachette UK* **A gripping YA thriller from award-winning writer Juno Dawson, with a dash of romance and intriguing paranormal elements, set in Hollow Pike - a small town with a big history of witchcraft. Something wicked this way comes... She thought she'd be safe in the country, but you can't escape your own nightmares, and Lis London dreams repeatedly that someone is trying to kill her. Lis thinks she's being paranoid - after all, who would want to murder her? She doesn't believe in the local legends of witchcraft. She doesn't believe that anything bad will really happen to her. You never do, do you? Not until you're alone in the woods, after dark - and a twig snaps... Hollow Pike - where witchcraft never sleeps.**

### Cruel Summer

*Hachette UK* **A compelling psychological thriller with a dash of romance from award-winning writer Juno Dawson. Perfect for fans of Sue Wallman and E. Lockhart. One year after the suicide of their friend Janey, the rest of the group decide to spend the summer together in a holiday villa in the Mediterranean. They're hoping to get over the terrible events of the previous year, but then a new guest arrives, claiming to have evidence that Janey's suicide was actually murder. When the guest is found dead, it becomes clear that the killer must be one of the group ... but who is it? And will they strike again?**

### Say Her Name

*Hot Key Books* **Drip...drip...drip... In five days, she will come... Roberta 'Bobbie' Rowe is not the kind of person who believes in ghosts. A Halloween dare at her ridiculously spooky boarding school is no big deal, especially when her best friend Naya and cute local boy Caine agree to join in too. They are ordered to summon the legendary ghost of Bloody Mary: say her name five times in front of a candlelit mirror, and she shall appear... But, surprise surprise, nothing happens. Or does it? Next morning, Bobbie finds a message on her bathroom mirror - five days - but what does it mean? And who left it there? Things get increasingly weird and more terrifying for Bobbie and Naya, until it becomes all too clear that Bloody Mary was indeed called from the afterlife that night, and she is definitely not a friendly ghost. Bobbie, Naya and Caine are now in a race against time before their five days are up and Mary comes for them, as she has come for countless others before... A truly spine-chilling yet witty horror from shortlisted 'Queen of Teen' author James Dawson.**

### Mind Your Head

*Bonnier Publishing Fiction Ltd.* **From the critically acclaimed author of THIS BOOK IS GAY, James Dawson, now writing as Juno Dawson. We all have a mind, so we all need to take care of our mental health as much as we need to take care of our physical health. And the first step is being able to talk about our mental health. Juno Dawson leads the way with this frank, factual and funny book, with added information and support from clinical psychologist Dr Olivia Hewitt. Covering topics from anxiety and depression to addiction, self-harm and personality disorders, Juno and Olivia talk clearly and supportively about a range of issues facing young people's mental health - whether fleeting or long-term - and how to manage them. With real-life stories from young people around the world and witty illustrations from Gemma Correll.**

### Clean

*Hachette UK* **Fall into the lives of the city's filthy rich with Juno Dawson's deliciously dark and intoxicating London Collection. When socialite Lexi Volkov almost overdoses, she thinks she's hit rock bottom. She's wrong. Because rock bottom is when she's forced into an exclusive rehab facility. From there, the only way is up for Lexi and her fellow inmates, including the mysterious Brady. As she faces her demons, Lexi realises love is the most powerful drug of all ... It's a dirty business getting clean. Addiction, redemption, love and despair. Clean is Gossip Girl meets Girl, Interrupted, and it will have you hooked from the very first page. ## The Winter Trilogy: A Witch in Winter

### Book 1

*Hachette UK* **Anna Winterson doesn't know she's a witch and would probably mock you for believing in magic, but after moving to the small town of Winter with her father, she learns more than she ever wanted to about power. When Anna meets Seth, she is smitten, but when she enchants him to love her, she unwittingly amplifies a deadly conflict between two witch clans and splits her own heart in two. She wants to love Seth, to let him love her - but if it is her magic that's controlling his passion, then she is as monstrous as the witch clan who are trying to use her amazing powers for their own gain.**

### Choker

*Simon and Schuster* **Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect ~ including Ethan. Worse still, Zoe starts behaving very strangely, and Cara begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger?**

### Being a Boy

## The Genes of Isis

*Troubador Publishing Ltd* Akasha is a precocious young girl with dreams of motherhood. She lives in a fantastical world where most of the oceans circulate in the aquamarine sky waters. Before she was born, the Helios, a tribe of angels from the sun, came to Earth to deliver the Surge, the next step in the evolution of an embryonic human race. Instead they spawned a race of hybrids and infected humanity with a hybrid seed. Horque manifests on Earth with another tribe of angels, the Solarii, to rescue the genetic mix-up and release the Surge. Akasha embarks on a journey from maiden to mother and from apprentice to priestess then has a premonition that a great flood is imminent. All three races - humans, hybrids and Solarii - face extinction. With their world in crisis, Akasha and Horque meet, and a sublime love flashes between them. Is this a cause of hope for humanity and the Solarii? Or will the hybrids destroy them both? Will anyone survive the killing waters of the coming apocalypse?

## Christmas: Its Origin and Associations (Illustrated Edition)

*e-artnow* "In looking at the celebrations of Christmas, at different periods and in different places, I have observed that, whatever views men hold respecting Christ, they all agree that His Advent is to be hailed with joy, and the nearer the forms of festivity have approximated to the teaching of Him who is celebrated the more real has been the joy of those who have taken part in the celebrations. My aim is neither critical nor apologetic, but historical and pictorial: it is not to say what might or ought to have been, but to set forth from extant records what has actually taken place: to give an account of the origin and hallowed associations of Christmas, and to depict, by pen and pencil, the important historical events and interesting festivities of Christmastide. With materials collected from different parts of the world, and from writings both ancient and modern, I have endeavored to give in the present work a chronological account of the celebrations and observances of Christmas. "

## The Hollow Crown

## The Wars of the Roses and the Rise of the Tudors

*Faber & Faber* 'The Hollow Crown is exhilarating, epic, blood-and-roses history . . . Jones's material is thrilling . . . There is fine scholarly intuition on display here and a mastery of the grand narrative; it is a supremely skilful piece of storytelling.' Sunday Telegraph The fifteenth century saw the crown of England change hands seven times as the great families of England fought to the death for power, majesty and the right to rule. The Hollow Crown completes Dan Jones' epic history of medieval England, and describes how the Plantagenets tore themselves apart to be finally replaced by the Tudors. Some of the greatest heroes and villains in British history were thrown together in these turbulent times: Henry V, whose victory at Agincourt and prudent rule at home marked the high point of the medieval monarchy; Edward IV, who was handed his crown by the scheming soldier Warwick the Kingmaker, before their alliance collapsed into a fight to the death; and the last Plantagenet, Richard III, who stole the throne and murdered his own nephews, the Princes in the Tower. Finally, the Tudors arrived - but even their rule was only made certain in the 1520s, when Henry VIII ruthlessly hunted down his family's last remaining enemies. In the midst of this tumult, chivalry was reborn, the printing press arrived and the Renaissance began to flourish. With vivid descriptions of the battle of Towton, where 28,000 men died in a single morning, and the Battle of Bosworth Field, at which Richard III was hacked down, this is the real story behind Shakespeare's famous history plays.

But Fliss soon discovers Margot's life during the evacuation was full of adventure, mystery . . . and even passion. What's more, she learns a terrible secret that could tear her whole family apart . . .

## Tarantula

*Profile Books* Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

## The Gender Games

## The Problem With Men and Women, From Someone Who Has Been Both

*Hachette UK* **\*WINNER OF THE UK BLACK PRIDE LITERARY PRIZE FOR NON-FICTION DIVA AWARDS 2017\*** **\*AS SEEN ON TRANSFORMATION STREET\*** 'Opens minds, breaks down myths and vaporises prejudice - I loved it!' Rebecca Root, star of *Boy Meets Girl* 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. And two years ago, as Juno Dawson went to tell her mother she was (and actually, always had been) a woman, she started to realise just how wrong we've been getting it. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists including Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, *The Gender Games* is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves. *The Gender Games* has been optioned by SunnyMarch Productions to be turned into an original television series, written by Rose Lewenstein.

## To Calais, In Ordinary Time

*Canongate Books* SHORTLISTED FOR THE WALTER SCOTT PRIZE FOR HISTORICAL FICTION LONGLISTED FOR THE ORWELL PRIZE FOR POLITICAL FICTION A BOOK OF THE YEAR IN THE TIMES, GUARDIAN, SUNDAY TIMES, DAILY EXPRESS, SCOTSMAN and SPECTATOR Three journeys. One road. England, 1348. A gentlewoman flees an odious arranged marriage, a Scots proctor sets out for Avignon and a young ploughman in search of freedom is on his way to volunteer with a company of archers. All come together on the road to Calais. Coming in their direction from across the Channel is the Black Death, the plague that will wipe out half of the population of Northern Europe. As the journey unfolds, overshadowed by the archers' past misdeeds and clerical warnings of the imminent end of the world, the wayfarers must confront the nature of their loves and desires. A tremendous feat of language and empathy, it summons a medieval world that is at once uncannily plausible, utterly alien and eerily reflective of our own. James Meek's extraordinary To Calais, In Ordinary Time is a novel about love, class, faith, loss, gender and desire - set against one of the biggest cataclysms of human history.

## Unconventional Warfare (Special Forces, Book 1)

*Scholastic Inc.* Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.
