A CHANCE TO DIE

THE LIFE AND LEGACY OF AMY CARMICHAEL

Revell A Chance to Die is a vibrant portrayal of Amy Carmichael, an Irish missionary and writer who spent fifty-three years in south India without furlough. There she became known as "Amma," or "mother," as she founded the Dohnavur Fellowship, a refuge for

underprivileged children. Amy's life of obedience and courage stands as a model for all who claim the name of Christ. She was a woman with desires and dreams, faults and fears, who gave her life unconditionally to serve her Master. Bringing Amma to life through inspiring photos and compelling biographical narrative, Elisabeth Elliot urges readers to examine the depths of their own commitment to Christ.

THINGS AS THEY ARE - MISSION WORK IN SOUTHERN INDIA

Readaclassic.com "Things As They Are - Mission Work in Southern India," by Amy Carmichael, was a controversial book in its time. Most missionaries wrote flowery accounts of their experience with mission service, skipping over the difficult times. Amy Carmichael stunned the Evangelical community in England by writing what South India was really like. Amy wrote what others left in between the pages. She served in India for fifty-six years without furlough and authored many books about the missionary work.

GOD'S MISSIONARY

CLC Publications Amy Carmichael set an impossible standard. Working as a missionary in India until her death in 1951, she took Jesus at His word when He said, "If you want to be my disciple, you must give up your right to yourself, take up the Cross, and follow." And that she did.

AMY CARMICHAEL

BEAUTY FOR ASHES

Banner of Truth Amy Carmichael (1867-1951) was a missionary and author who spent over fifty years of her life without returning home serving mainly low caste girls and boys in South India. Iain Murray's concise biography provides an enlightening and moving account of her remarkable life and love for her Saviour, as well as perceptively drawing lessons from it.

ENCYCLOPEDIA OF WOMEN SOCIAL REFORMERS

ABC-CLIO "This valuable contribution to women's studies includes the stories of more than 400 women from 64 countries and brings into the limelight many forgotten movements and personalities that have had major impacts on history. Readers will be inspired by the fascinating biographies."--"Outstanding Reference Sources," American Libraries, May 2002.

TRIUMPHANT LOVE

THE CONTEXTUAL, CREATIVE AND STRATEGIC MISSIONARY WORK OF AMY BEATRICE CARMICHAEL IN SOUTH INDIA

Wipf and Stock Publishers "This scientific-historical biography explores the influences that shaped the spirituality of Amy Carmichael of Dohnavur. J. (Hans) Kommers investigates the historical background of Amy's childhood in Millisle and Belfast and provides new and more scholarly information than existing biographies. He researched a variety of Keswick-related literature in order to provide a fuller picture of Amy's connection with the Keswick Convention and their teaching. The descriptions of the life of the millworkers in Belfast, the happenings on the worldwide stage and Victorian missionary work and methods round out the picture to give the reader a greater understanding of Amy Carmichael. These new facts are most enlightening." --Dr Jackuelin Woolcock MB BChir MRCP (Lond), Director Dohnavur Fellowship Corporation, Shoreham by Sea, UK, and Doctor in Dohnavur India 1969-1987 "Triumphant Love: The Contextual, Creative and Strategic Missionary Work of Amy Beatrice Carmichael in South India provides the most extensive biography thus far of Amy Carmichael (1867-1951), a major figure on the missionary landscape of the late 19th and the first half of the 20th century. She is seen by some as the Protestant mother Teresa (both women worked in India and devoted all of their time and energy to the poor). The book is very well researched. The author states that the purpose of the extensive research he undertook 'was to get a closer and clearer picture of Amy Carmichael as the founder off the Dohnavur Fellowship.' Also, he wanted 'to give a balanced account of her dealings with people and especially her life with God.' He does this. It provides the most comprehensive picture of this remarkable woman. It is the definitive source of reference. J. (Hans) Kommers's view of the life of Amy Carmichael is that of a fellow evangelical. He explains that not only Amy, but many missionaries of her time were inspired by the ideal that all people should have the

opportunity to hear of Christ's salvation. According to him, her inspirational work is still relevant today." --Prof. Dr Gijbert van den Brink, URC Professor for Theology and Science, Faculty of Theology, Free University Amsterdam, the Netherlands

A WORLDLY CHRISTIAN

BoD - Books on Demand Stephen Neill (1900-1984) was a towering figure of twentieth-century global Christianity, but was in many ways a broken man who faced profound and crippling struggles. *A Worldly Christian* charts the extraordinary but often tragic life of a global Christian pioneer par excellence in a church that diversified dramatically during his lifetime. Privileged to live in radically different cultural contexts over the course of his life, Neill excelled by turns as a missionary and bishop in India, an ecumenist in Geneva, a professor in Hamburg and Nairobi, and a prolific author of some seventy books and hundreds of articles upon his retirement to the UK. Throughout this varied career, he shared his tremendous knowledge of the world Christian movement with scholars, clergy and laypersons alike. Many will find his story compelling, from Christian scholars to all those who have cherished his influential body of work and benefit from his legacy.

CANDLES IN THE DARK

LETTERS OF HOPE AND ENCOURAGEMENT

CLC Publications Amy Carmichael was the eldest daughter of a large Christ-centered family in Millisle, Ireland. She was impressed at an early age that "nothing is important but that which is eternal." This understanding proved to be a foundation for her service to the Lord among the mill workers of Ireland, the Japanese briefly, and then India where she began her ministry to children in 1895 and where she remained until her death in 1951.

ROSE FROM BRIER

A PRICELESS TREASURY OF HELPFUL THOUGHTS FOR THOSE WHO ARE ILL

THAT WAY AND NO OTHER

FOLLOWING GOD THROUGH STORM AND DROUGHT

Plough Spiritual Guides: Backp How do you stay true to God's call for your life? Amy Carmichael left everything to become a missionary in India. But then seven-year-old Preena, fleeing sexual slavery, threw herself on the newcomer's protection. Could Carmichael relinquish a religious vocation to become a "nursemaid"? A picture of Jesus washing his disciples' feet came to her mind, and "the question answered itself and was not asked again." Joined by a growing team of Indian women, Carmichael founded Dohnavur, a community of households that has provided family for hundreds of girls who might otherwise have been sold into prostitution. A modern-day saint, Amy Carmichael has inspired generations of missionaries and activists. The practical wisdom in these selections, taken from her many books, confirms her as a trustworthy spiritual guide for anyone honestly seeking to follow God's path.

BISHOP STEPHEN NEILL

FROM EDINBURGH TO SOUTH INDIA

Peter Lang Bishop Stephen Neill (1900-1984) was one of the most gifted figures of world Christianity during the twentieth century. Once referred to as a «much-tempted, brilliant, enigmatic man» his voluminous writings reveal little about the scholar himself. From his birth in Edinburgh to his stellar student career in Cambridge to his meteoric rise through the clerical ranks in South India, Bishop Neill's life was also riddled with discord. Based on interviews and archival research in India and England, *Bishop Stephen Neill: From Edinburgh to South India* answers many of the questions surrounding this distinguished Christian statesman's conflicted life up to the abrupt and puzzling termination of his bishopric. This biographical work takes the reader deep into the life and times of one of the doyens of Christian missions. Intersecting with many remarkable personalities during the first half of his life - William Temple, Amy Carmichael, Malcolm Muggeridge, V. S. Azariah, A. D. Nock, Foss Westcott, and Verrier Elwin - Neill's legacy remains. Through his life, readers will enter into the interwoven contexts of India and England during the final decades of the British Raj. Students of Christian missions and world Christianity will find this book indispensable to their libraries.

THE WILD-BIRD CHILD

A LIFE OF AMY CARMICHAEL

Ambassador International She has become a legend. Brilliant, personable and passionate, she is arguably the most gifted of all Irish woman writers of Christian literature. During the time of the Raj in India, Amy Carmichael discovered a custom of the time in which children were 'married to gods' and so introduced to a life of prostitution. With a mixture of courage and heartbreak, she began to uncover the facts, sometimes under disguise, for the government. After independence, the Indian government courageously prohibited the practice by law. Against difficult circumstances, Amy and her colleagues provided a safe home for these children against awesomely difficult circumstances at Dohnavur in South India. Until her death in 1951, she devoted fifty years of her life to rescuing babies and children from dangerous backgrounds in India. Amy, a Christian missionary, social reformer and writer of thirty-five books, once described herself as a 'Wild-bird child and in no wise tame': her life proved her observation to be hauntingly accurate. Millions of people have been influenced by her life and writing. For this biography, the first by anyone from her home County, Derick Bingham carefully researched Amy Carmichael's original letters now placed by the Dohnavur Fellowship and Miss Margaret Wilkinson in the Northern Ireland Public Records Office. As Bingham tried to uncover the heart and conscience of this extraordinarily self-effacing legend, he is on record as saying that it proved to be one of the greatest spiritual experiences of his life, and in this biography, readers will find spiritual gold.

MISSION WORK IN SOUTHERN INDIA

Good Press This book caused a stir when it was first published because, for what was the first time, it revealed the true and often harsh facts about caste and Hinduism in southern India. TWENTY REVIVALS OF THE TWENTIETH CENTURY

2020 EDITION

G. J. Hocking How many countries experienced a religious revival during the 20th century? According to this new book on church revival history, there were, at the very least, twenty such revivals occurring in various parts of the world. Revival swept from Asia to Australia, through America, and across the European continent; all within the space of one century. When did I begin writing *The Twenty Revivals of the Twentieth Century*? It was many years ago; I first took pen to paper and began jotting down some of the revivals that occurred over the last one-hundred years. At that time, the twentieth century had barely ended. Yet, looking back, the realization came that there were at the very least twenty revivals, many of which do not appear in other books of this nature. The fact that there were so many revivals may come as a surprise to some, considering it averages out at one spiritual awakening every five years! So, one could say, the early twentieth century was an era of Revivals. Why This Book? I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be told. Stories of sweeping revivals, which happened all across the globe. Spiritual awakenings that occurred in countries making headlines today--sometimes for all the wrong reasons. Nations like North Korea's Pyongyang, which had at one stage, in 1907, over 3,000 people in one church. Who would think when looking at the North Korea of today under the current regime, Pyongyang was once called the Jerusalem of East Asia! Then, there is Japan, which almost became a Christian nation, leading up to the twentieth century. At this time, Christianity began gaining ground at a rapid pace. It even got to the point where some non-Christian government officials suggested that Christianity could become Japan's state religion. Such was the impact heading into the twentieth century that some said not to send any foreign missionaries into Japan. Why? Because the homegrown churches were gaining so much ground. Besides this, many also believed that if the local Christians continued the way they were going, wrote Verbeck in 1889, "you need not, after 1890; send any more missionaries to Japan." So, what was the date for the expected Christianization of the country? The writer continues, "Some put 1890 as the date, some 1895, but no one puts it any later than 1900!" Great revivals covered in this book also include China, India, the former Soviet Union, as well as the United States, when America felt the flame of true religious revival. The thing that surprised me most, though, when writing this book, was that the first flames of worldwide revival were the prayer circles that originated in Australia. Most, if not all, of the revivals detailed in this book, took their cue from these praying groups in Melbourne. For example, Pandita Ramabai, in 1905, sent her daughter from India to Australia. Why? To learn about the prayer circles. Before long, India experienced a revival similar to that of the Welsh Revival of 1904. There are very few books today, which go into such depth as *The Twenty Revivals of the Twentieth Century* does. So, if you want to learn about some unknown revival activity in the church, why not look at this book, it may change the way you think and pray about worldwide revival in the church.

CONVERTING WOMEN

GENDER AND PROTESTANT CHRISTIANITY IN COLONIAL SOUTH INDIA

Oxford University Press With the emergence of Hindu nationalism, the conversion of Indians to Christianity has become a volatile issue, erupting in violence against converts and missionaries. At the height of British colonialism, however, conversion was a path to upward mobility for low-castes and untouchables, especially in the Tamil-speaking south of India. In this book, Eliza F. Kent takes a fresh look at these conversions, focusing especially on the experience of women converts and the ways in which conversion transformed gender roles and expectations. Kent argues that the creation of a new, "respectable" community identity was central to the conversion process for the agricultural laborers and artisans who embraced Protestant Christianity under British rule. At the same time, she shows, this new identity was informed as much by elite Sanskritic customs and ideologies as by Western Christian discourse. Stigmatized by the dominant castes for their ritually polluting occupations and relaxed rules governing kinship and marriage, low-caste converts sought to validate their new higher-status identity in part by the reform of gender relations. These reforms affected ideals of femininity and masculinity in the areas of marriage, domesticity, and dress. By the creation of a "discourse of respectability," says Kent, Tamil Christians hoped to counter the cultural justifications for their social, economic, and sexual exploitation at the hands of high-caste landowners and village elites. Kent's focus on the interactions between Western women missionaries and the Indian Christian women not only adds depth to our understanding of colonial and patriarchal power dynamics, but to the intricacies of conversion itself. Posing an important challenge to normative notions of conversion as a privatized, individual moment in time, Kent's study takes into consideration the ways that public behavior, social status, and the transformation of everyday life inform religious

conversion.
