Power, Profit and Politics: Volume 15, Part 3

Essays on Imperialism, Nationalism and Change in Twentieth-Century India

Cambridge University Press The essays in this book were originally published together as a special issue of the Journal of Modern Asian Studies, released in July 1981. They are reprinted here in their entirety. The essays are concerned with the ways in which Britain's imperial connection with India impinged upon the political, economic and social development of the subcontinent in the first half of the twentieth century.

## An Exposition of Ecclesiastes on the Meaning of Life

Wipf and Stock Publishers Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood. It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way. The heart of this book is an expositional commentary that interprets Ecclesiastes as authoritative Scripture. It seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across. Preceding the expositional commentary is an introduction to Ecclesiastes that presents a new approach to outlining and reading Ecclesiastes as a coherent speech. It also presents an overview of the "forest"—the overall rhetorical flow of the speech from beginning to end. This is to prevent one from getting lost when immersed in the "trees" of the expositional commentary. Following the expositional commentary are two topical studies to give Ecclesiastes the breadth and depth of coverage it deserves. The first is an interdisciplinary exposition on the meaning of life. The second is an interpretive essay to defend exegetically the interpretation of Ecclesiastes as a coherent speech.

## Analysis and Management

John Wiley & Sons The revised and updated fourteenth edition of *Investments: Analysis and Management* explains the essentials of investing and supports good investment decisions. More than a simple introduction to the subject, this comprehensive textbook prepares students to handle real-world investment problems and controversies in a clear and accessible manner. Emphasizing readability, Authors Charles Jones and Gerald Jensen minimize complex formulas and simplify difficult material—enabling students of all levels and backgrounds to follow the entire discussion and delve further into the subject. Ideally suited for beginning courses in investments, this textbook is designed as a practical guide to help students gain foundational knowledge of investing and develop the analytic skills necessary for deciphering investment issues. Carefully organized chapters guide students through fundamental investing concepts, portfolio and capital market theory, common stock analysis and valuation, fixed-income and derivative securities, the specifics of security analysis and portfolio management, and more. A broad range of pedagogical tools—including bulleted summaries, numbered examples, spreadsheet exercises, computational problems, and an extensive set of chapter review questions—strengthens student comprehension and retention.

## Precalculus with Limits

Cengage Learning Larson's PRECALCULUS WITH LIMITS is known for delivering the same sound, consistently structured explanations and exercises of mathematical concepts as the market-leading PRECALCULUS, with a laser focus on preparing students for calculus. In LIMITS, the author includes a brief algebra review of core precalculus topics along with coverage of analytic geometry in three dimensions and an introduction to concepts covered in calculus. With the Fourth Edition, Larson continues to revolutionize the way students learn material by incorporating more real-world applications, ongoing review, and innovative technology. How Do You See It? exercises give students practice applying the concepts, and new Summarize features, and Checkpoint problems reinforce understanding of the skill sets to help students better prepare for tests. The companion website [LarsonPrecalculus.com](http://LarsonPrecalculus.com) offers free access to multiple tools and resources to supplement students' learning. Stepped-out solution videos with instruction are available at [CalcView.com](http://CalcView.com) for selected exercises throughout the text.
