### POLO IN ARGENTINA

---

---

### A HISTORY

---

McFarland This work—the first of its kind in more than sixty years—covers polo in Argentina, from its beginnings in the 1870s to the summer of 2013. The history of the early pioneers is constructed with data not previously published, gathered from contemporary sources. International competitions are covered and include the Olympic Games, the Cup of the Americas and the World Championships. Particular attention is given to the major clubs, the Argentine and Hurlingham Open Championships, and the National Handicap Tournament. Several of the elite players merit individual or family mini-biographies. Myths in Argentine polo are also debunked, based upon careful analysis of contemporary sources. Travels abroad by Argentine teams are fully described as are the foreign teams that competed in Argentina. The work is enhanced by the author's personal observation of significant events and friendship with many of the participants.

### POLITICAL VIOLENCE AND TRAUMA IN ARGENTINA

---

University of Pennsylvania Press For decades, Argentina's population was subject to human rights violations ranging from the merely disruptive to the abominable. Violence pervaded Argentine social and cultural life in the repression of protest crowds, a ruthless counterinsurgency campaign, massive numbers of abductions, instances of torture, and innumerable assassinations. Despite continued repression, thousands of parents searched for their disappeared children, staging street protests that eventually marshaled international support. Challenging the notion that violence simply breeds more violence, Antonius C. G. M. Robben's provocative study argues that in Argentina violence led to trauma, and that trauma bred more violence. In this work of superior scholarship, Robben analyzes the historical dynamic through which Argentina became entangled in a web of violence spun out of repeated traumatization of political adversaries. This violence-trauma-violence cycle culminated in a cultural war that "disappeared" more than ten thousand people and caused millions to live in fear. Political Violence and Trauma in Argentina demonstrates through a groundbreaking multilevel analysis the process by which different historical strands of violence coalesced during the 1970s into an all-out military assault on Argentine society and culture. Combining history and anthropology, this compelling book rests on thorough archival research; participant observation of mass demonstrations, exhumations, and reburials; gripping interviews with military officers, guerrilla commanders, human rights leaders, and former disappeared captives. Robben's penetrating analysis of the trauma of Argentine society is of great importance for our understanding of other societies undergoing similar crimes against humanity.

### SEVEN FIRES

---

## GRILLING THE ARGENTINE WAY

Artisan Books A trailblazing chef reinvents the art of cooking over fire. Gloriously inspired recipes push the boundaries of live-fired cuisine in this primal yet sophisticated cookbook introducing the incendiary dishes of South America's biggest culinary star. Chef Francis Mallmann—born in Patagonia and trained in France's top restaurants—abandoned the fussy fine dining scene for the more elemental experience of cooking with fire. But his fans followed, including the world's top food journalists and celebrities, such as Francis Ford Coppola, Madonna, and Ralph Lauren, traveling to Argentina and Uruguay to experience the dashing chef's astonishing—and delicious—wood-fired feats. The seven fires of the title refer to a series of grilling techniques that have been singularly adapted for the home cook. So you can cook Signature Mallmann dishes—like Whole Boneless Ribeye with Chimichuri; Salt-Crusted Striped Bass; Whole Roasted Andean Pumpkin with Mint and Goat Cheese Salad; and desserts such as Dulce de Leche Pancakes—indoors or out in any season. Evocative photographs showcase both the recipes and the exquisite beauty of Mallmann's home turf in Patagonia, Buenos Aires, and rural Uruguay. Seven Fires is a must for any griller ready to explore food's next frontier.

### TECHNICAL ASSISTANCE REPORT-TECHNICAL ASSISTANCE MISSION ON EXTERNAL SECTOR STATISTICS (NOVEMBER 14-25, 2016)

International Monetary Fund At the request of the National Institute of Statistics and Censuses (INDEC), a technical-assistance mission on external-sector statistics (ESS) visited Buenos Aires on November 14–25, 2016. Currently, INDEC's National Directorate for International Accounts (DNCI) compiles and disseminates ESS following the guidelines of the fifth edition of the Balance of Payments Manual. The mission reviewed the ESS methodology, data sources, and dissemination policy in order to help enhance its quality and to assist compilers in migrating the methodology to the sixth edition of the Balance of Payments and International Investment Position Manual (BPM6). The main data sources used to compile the current account and the capital account (excluding investment income, which is compiled along with the financial account and the IIP) are customs records, corporate surveys, the international-tourism survey, accounting information available to the public, administrative records, and information concerning the exchange balance disseminated by the Central Bank of Argentina (BCRA). The mission found data sources and compilation procedures to be sound. Although the mission identified improvements that could add to the quality of certain estimates, the balances of the current and capital accounts are expected to remain substantially unchanged.

## BRITAIN AND THE MAKING OF ARGENTINA

WIT Press The author reminds us all of the huge part that British capital, British people and British technology played in transforming Argentina into a modern 20th century economy. He also analyses the reasons for Argentina's loss of momentum in the post-war world. Much of the history has been forgotten and/or misjudged. That does not make it any less important. In fact, it deserves to be recognised as there are lessons that could be learned from the “golden decade” of development. Those who have an interest in history and development, especially in Argentina, including academics, journalists, historians, and economists will all find this economic and social history of interest.

## VINO ARGENTINO

### AN INSIDER'S GUIDE TO THE WINES AND WINE COUNTRY OF ARGENTINA

Chronicle Books In this book—part wine primer, part cultural exploration, part introduction to the Argentine lifestyle—discover where to eat, what to see, and how to travel like a local with Laura Catena, the Argentina-born, United States-educated, globetrotting wine star. The world's fifth largest producer of wine, Argentina is home to malbec, the country's best-known indigenous grape. More than 400,000 Americans and 600,000 Europeans visit Argentina every year to enjoy the mighty malbec, taste unparalleled food, trek the wide-open country, and tango all night long in Buenos Aires. *Vino Argentino* provides insider access to beautiful Argentina.

## THE HISTORY OF ARGENTINA

ABC-CLIO Presenting an accessible introduction to Argentina's complex history, this book enables readers to better understand how Argentina's history follows and diverges from other South American nations.

## CONSTRUCTION MATERIALS AND MACHINERY IN ARGENTINA AND BOLIVIA

## ARGENTINA IN THE GLOBAL MIDDLE EAST

Stanford University Press Argentina lies at the heart of the American hemisphere's history of global migration booms of the mid-nineteenth to early twentieth century: by 1910, one of every three Argentine residents was an immigrant—twice the demographic impact that the United States experienced in the boom period. In this context, some one hundred and forty thousand Ottoman Syrians came to Argentina prior to World War I, and over the following decades Middle Eastern communities, institutions, and businesses dotted the landscape of Argentina from bustling Buenos Aires to Argentina's most remote frontiers. *Argentina in the Global Middle East* connects modern Latin American and Middle Eastern history through their shared links to global migration systems. By following the mobile lives of individuals with roots in the Levantine Middle East, Lily Pearl Balloffet sheds light on the intersections of ethnicity, migrant-homeland ties, and international relations. Ranging from the nineteenth century boom in transoceanic migration to twenty-first century dynamics of large-scale migration and displacement in the Arabic-speaking Eastern Mediterranean, this book considers key themes such as cultural production, philanthropy, anti-imperial activism, and financial networks over the course of several generations of this diasporic community. Balloffet's study situates this transregional history of Argentina and the Middle East within a larger story of South-South alliances, solidarities, and exchanges.

## FOOTPRINT ARGENTINA HANDBOOK

Footprint Handbooks Spectacularly beautiful and hospitable, Argentina is as appealing as can be. Footprint's fully updated 5th edition of its well-loved guide brings you the most up-to-date and objective information, whether learning to tango in Buenos Aires, riding through the Pampas with modern day cowboys, or trekking through the wilderness of Patagonia—plus everything else to help plan your trip and know where to eat, sleep, and drink.

## THE ANDES - A GUIDE FOR CLIMBERS AND SKIERS

Andes 'The Andes - A Guide for Climbers' is the only comprehensive guidebook about the peaks of the Andes. This is the 5th English edition of the only complete guidebook to the peaks of the Andes. It covers many areas not described in any other source. Previous editions have been translated into

French, Spanish, Polish and Czech. The author, John Biggar, is a very experienced high-altitude mountaineer who has been climbing and skiing in the Andes for 30 years and has made ascents of over 350 peaks higher than 5000m. The 5th edition includes route information for all 100 of the major 6000m mountains, plus over 300 other peaks. With over 200 diagrams, 270 photos and 80 maps it also gives the best ski-mountaineering peaks in over 10 areas across 5 countries. Because an unforgettable journey starts with a thorough preparation, find out everything you need to know about climbing and skiing the Andes in this guide ! ABOUT THE AUTHOR John Biggar is a professional mountaineering instructor based in Castle Douglas, Kirkcudbrightshire, Scotland. His first publication was an internal report for the nuclear physics department at Edinburgh University, entitled "Anisotropies in the Sequential Break-up of Li6". Since those days John has done little nuclear physics but has been climbing and ski-mountaineering in the Andes a lot. He has climbed many of the highest peaks, including 19 of the 20 highest, made over 100 ascents of 6000m peaks, plus 180 ascents of Andean 5000m peaks. He has made first ascents of six 6000m peaks and also made the first ski descent of Domuyo, the highest peak in Patagonia. A professional mountaineering instructor, he runs a business which specialises in mountaineering, skiing and ski-mountaineering expeditions to South America.

## WOMEN IN ARGENTINA

---

### EARLY TRAVEL NARRATIVES

"Tells a compelling story about an almost unknown body of work--Argentine women's travel narratives--and also provokes the reader to think more deeply about the intersection between learning about one's country and learning about oneself."-- Debra A. Castillo, Stephen H. Weiss Presidential Fellow, Cornell University, and author of *Easy Women: Sex and Gender in Modern Mexican Fiction* In this collection of writings by women both inside and outside of Argentina, Mónica Szurmuk has unearthed a rich and delightful tradition of travel writing. The selections, recorded from the period 1850-1930, include travelogues by European and North American women who visited Argentina alongside pieces by Argentinean women who describe trips to the United States, Europe, the Middle East, and the interior of their own country. The pieces show that women writers in colonized and colonizing countries share literary and ideological perspectives and discuss race and gender in similar ways, often using the form of travel writing to discuss highly charged political issues. In addition to short introductions to each text and author, Szurmuk describes how women's texts were co-opted to form an image of white women as models of nationhood that need to be protected and sheltered. She also examines the history of travel writing alongside the participation of women in public life, population policies, and the development of the public school system, and she offers enlightening conclusions about the nature of travel writing as a literary genre. Introduction Part I: Frontier Identities, 1837-1880 1. A House, a Home, a Nation: Mariquita Sánchez's *Recuerdos del Buenos Ayres Virreynal* 2. Queen of the Interior: Lina Beck-Bernard's *Le Rio Parana* Part II: Shifting Frontiers, 1880-1900 3. Eduarda Mansilla de García's *Recuerdos de Viaje: "Recordar es Vivir"* 4. Interlude in the Frontier: Lady Florence Dixie's *Across Patagonia* 5. Traveling/Teaching/Writing: Jennie Howard's *In Distant Climes and Other Years* Part III: Shifting Identities, 1900-1930 6. Traveler/Governess/Expatriate: Emma de la Barra's *Stella* 7. Globe-Trotting Single Women 8. The Spiritual Trip: Delfina Bunge de Gálvez's *Tierras del Mar Azul* Mónica Szurmuk is assistant professor of Latin American literature at the University of Oregon. She is the editor of the anthology *Mujeres y Viaje: Escritos y Testimonios*, published in Buenos Aires, and her work has appeared in English and Spanish in journals such as *Nuevo Texto Crítico* and *English Language Journal*.

### THE ARGENTINE GENERATION OF 1837

#### ECHEVERRÍA, ALBERDI, SARMIENTO, MITRE

Fairleigh Dickinson Univ Press "An informative and well-written study of the Generation of 1837, whose members were instrumental in forging a modern liberal nation out of a near-empty, unorganized Argentine polity. Uses chronological approach, following the ideas and public profiles of these men through five decades of political tumult. Study is especially strong in its detailed treatment of the bitter debates and problematic relations between the various pensadores. Based not only on standard published sources, but also on archival documentation and little-known newspaper articles of the era"-- Handbook of Latin American Studies, v. 58.

## THE BRITISH IN ARGENTINA

---

### COMMERCE, SETTLERS AND POWER, 1800-2000

Springer Drawing on largely unexplored nineteenth- and twentieth-century sources, this book offers an in-depth study of Britain's presence in Argentina. Its subjects include the nineteenth-century rise of British trade, merchants and explorers, of investment and railways, and of British imperialism. Spanning the period from the Napoleonic Wars until the end of the twentieth century, it provides a comprehensive history of the unique British community in Argentina. Later sections examine the decline of British influence in Argentina from World War I into the early 1950s. Finally, the book traces links between British multinationals and the political breakdown in Argentina of the 1970s and early 1980s, leading into dictatorship and the Falklands War. Combining economic, social and political history, this extensive volume offers new insights into both the historical development of Argentina and of British interests overseas.

His analysis is crucial to understanding not only Argentina's development but also current events in the Argentine Republic.

---

#### **FÚTBOL, JEWS, AND THE MAKING OF ARGENTINA**

---

Stanford University Press If you attend a soccer match in Buenos Aires of the local Atlanta Athletic Club, you will likely hear the rival teams chanting anti-Semitic slogans. This is because the neighborhood of Villa Crespo has long been considered a Jewish district, and its soccer team, Club Atlético Atlanta, has served as an avenue of integration into Argentine culture. Through the lens of this neighborhood institution, Raanan Rein offers an absorbing social history of Jews in Latin America. Since the Second World War, there has been a conspicuous Jewish presence among the fans, administrators and presidents of the Atlanta soccer club. For the first immigrant generation, belonging to this club was a way of becoming Argentines. For the next generation, it was a way of maintaining ethnic Jewish identity. Now, it is nothing less than family tradition for third generation Jewish Argentines to support Atlanta. The soccer club has also constituted one of the few spaces where both Jews and non-Jews, affiliated Jews and non-affiliated Jews, Zionists and non-Zionists, have interacted. The result has been an active shaping of the local culture by Jewish Latin Americans to their own purposes. Offering a rare window into the rich culture of everyday life in the city of Buenos Aires created by Jewish immigrants and their descendants, Fútbol, Jews, and the Making of Argentina represents a pioneering study of the intersection between soccer, ethnicity, and identity in Latin America and makes a major contribution to Jewish History, Latin American History, and Sports History.

#### **DOÑA PETRONA, WOMEN, AND FOOD**

---

UNC Press Books Dona Petrona C. de Gandulfo (c. 1896-1992) reigned as Argentina's preeminent domestic and culinary expert from the 1930s through the 1980s. An enduring culinary icon thanks to her magazine columns, radio programs, and television shows, she was likely second only to Eva Peron in terms of the fame she enjoyed and the adulation she received. Her cookbook garnered tremendous popularity, becoming one of the three best-selling books in Argentina. Dona Petrona capitalized on and contributed to the growing appreciation for women's domestic roles as the Argentine economy expanded and fell into periodic crises. Drawing on a wide range of materials, including her own interviews with Dona Petrona's inner circle and with everyday women and men, Rebekah E. Pite provides a lively social history of twentieth-century Argentina, as exemplified through the fascinating story of Dona Petrona and the homemakers to whom she dedicated her career. Pite's narrative illuminates the important role of food--its consumption, preparation, and production--in daily life, class formation, and national identity. By connecting issues of gender, domestic work, and economic development, Pite brings into focus the critical importance of women's roles as consumers, cooks, and community builders.
