**Frommers* A fascinating history, a vibrant contemporary culture, the friendliest people, and an untamed wild. Newfoundland & Labrador is an incredible vacation destination, boasting two UNESCO World Heritage Sites; the only authentic Viking settlement in North America; the rugged beauty of the Atlantic coastline; and the historic city of St. John's, offering shopping, amazing seafood, and lively nightlife. Along Newfoundland & Labrador's 10,000-mile coastline, humpback whales migrate northwards while 10,000-year-old icebergs drift south. Newfoundland is also home to some of the world's most accessible seabird colonies, with more than 35 million gathering each year. Outdoor adventurers can walk or hike the beautiful East Coast Trail, stopping at Cape Spear, the easternmost point in North America. And for culture mavens, music and art festivals abound. Frommer's Newfoundland & Labrador covers each of the province's regions in detail, offering more information than any other major guide. It provides readers with all they need to plan an unforgettable vacation, from the best place to eat Jigg's Dinner (and information on exactly what that is) and catch some lively traditional music, to the best whale- and puffin-watching tours and perfect camping sites.

FROMMER'S NEW YORK CITY 2004

**Frommers* In 2001, New York City welcomed 29.5 million domestic visitors, an increase of 80,000 or 0.3% over 2000's 29.4 million domestic visitors. New York City's increase in total domestic visitors was due to a 4.7% jump in domestic travelers from January 1 to September 10 over 2000? an increase large enough to offset New York's 7.5% decrease in domestic visitors after September 11. Before 9/11, overall domestic travel to New York City was up 4.7% from 2000. Following 9/11, overall domestic travel to New York City fell by 7.5% from 2000, compared with the nation's 5.2% decline. As of summer 2002, citywide hotel occupancy rates have rebounded to within one to two percentage points from where they were a year ago. In the aftermath of the terrorist attacks of September 11, 2001, the city has restored public transportation sooner than it was thought possible and continuing to offer bargains and values to travelers, particularly in the downtown area. A city of museums continues to add and expand more: the city's newest is downtown's Museum of Sex.

PAULINE FROMMER'S NEW YORK CITY

**Frommers* Winner of Best Guidebook for 2006 from the North American Travel Journalists Association Companion podcast available for download on frommers.com. Spend Less and See More in New York City: Are You Ready to Travel Smart? If you'd like to get the most out of your dollar and your trip, this is the guide for you. I put a fresh spin on budget travel, showing you how to see the best for less and how to see it in a more authentic way-the way the locals do. Instead of spending \$300 a night for a chain hotel, why not live it up in an antiques-filled Fifth Avenue mansion for just \$75, or bed down in a SoHo gallery just steps from the artwork for \$110? Or how about enjoying falafel at Alfanoose for just \$5, so you can splurge on up-and-coming chef Abdhul Traore's steak frites dusted with African herbs at Les Enfants Terribles? Let me show you the "other" New York City-the one only insiders know about. Take a one-day cooking class with the city's top chefs or get free tango lessons at the Argentine Consulate. These are only a few of the great ways to get closer to the culture of New York City. Read on for more! Happy Travels, Pauline Frommer www.frommers.com/pauline
