### BASS ACKWARDS AND BELLY UP

---

**Poppy** For readers of the New York Times bestselling Gossip Girl and A-List series, here is a smart and highly commercial first novel about four best friends who, after graduating high school, decide to postpone the standard college route to pursue their creative dreams. Harper Waddle, Sophie Bushell, and Kate Foster are about to commit the ultimate suburban sin--bailing on college to each pursue their dreams: write the next Great American Novel, make it as a Hollywood actress, and backpack around the world. Middlebury-bound Becca Winsberg is convinced her friends have gone insane...until they remind her she just might have a dream of her own. So what if their lives are bass ackwards and belly up? They'll always have each other. Harper is going to be the next Jane Austen. Or Sylvia Plath. Or Plum Sykes. Figuring out which should be easy. It's living with the lie she told her three best friends that's going to be hard. Kate doesn't know exactly what she wants. But whatever it is, she won't find it at Harvard. Maybe the answer is in Paris, or Athens? or anywhere Kate can be someone besides the girl with perfect grades, perfect hair, and the perfect boyfriend. Sophie is a star. She's already got the looks, the talent, and a list of demands for her dressing room. Now that she's wrangled a furnished guesthouse in Beverly Hills, it's only a matter of time before she's discovered. Unless she isn't. Becca is dysfunctional. At least, her family is. Which is why she can't wait to flee the drama and get to college. But Becca's friends know she needs more than a spot on the Middlebury ski team and a cozy dorm room. They know she needs to fall in love. Dreams are complicated. They almost never turn out like you imagine?they almost always change. Sometimes, they change you.

## A WRINKLE IN TIME

---

**GENERAL PRESS** *A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.*

## WRECKED

---

**Elle Casey** NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the High Seas and High Adventure novel WRECKED. With over 500 5-star ratings on Goodreads, readers love Wrecked! After their cruise goes horribly wrong, four very different teenagers find themselves shipwrecked on a tropical island. When forced to work together, they discover they have more in common than they ever imagined... Cast Away meets The Breakfast Club in this fun read from a New York Times bestselling author. ~BookBub Content Warning: Contains some foul language and non-explicit sex scenes between older teens. May not be appropriate for younger, middle-grade teens. HERE'S WHAT READERS ARE SAYING ABOUT WRECKED: "AMAZING, AMAZING, AMAZING! I'm not sure how to begin this review and remain professional... so I'll just be honest. I FUDGING loved this book! (SOOO SOOO MUCH!) It was fantastic!..." ~ Nancy Figueroa, Tumbling Books, book blog "A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally. This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond "Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times." ~ Hipsterduck, Amazon Reviewer "This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read." ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... "What if...?" What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That's why it's the first book I wrote, because it was finally time to get it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, "What the heck? Maybe someone will like it as much as I do." Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I've ever made. It literally changed my life. I'm really glad that I spent so much time daydreaming while I was at the beach, and I'm even happier that I took a chance on this story and shared it with the world. \*\*SEQUEL ALERT\*\* This book was originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, RECKLESS picks up where WRECKED left off.
