KEY=WAR - LEILA MATA

THE KOREAN WAR

HANDBOOK OF THE LITERATURE AND RESEARCH

Greenwood Publishing Group Comprehensive assessment by experts of the significant literature and research about the Korean War for broad interdisciplinary library use.

A GUIDE TO FILMS ON THE KOREAN WAR

Greenwood Publishing Group Written by a knowledgeable film critic and Korean War scholar, this is the only guide exclusively devoted to the study of Hollywood and television films on the Korean War. It opens with eight short essays on the war film genre and the Korean War film. Eighty-four films are then discussed in an alphabetical listing. Entries include the production unit, color status, producer, director, screenwriter, actors and actresses, movie length, and the author's numerical rating of the film. The commentary places each film within the context of other war films, the Korean War, the trends in Hollywood, and the social and political realities of the United States.

THE A TO Z OF THE KOREAN WAR

A to Z Guide Series This A to Z guide is prepared with both the student and interested lay reader in mind. Its purpose is to provide an overview of the Korean War through a timeline of events; an introduction that explains the place, its history, and the phases, costs, and consequences of the war; dictionary entries that summarize the significance of the persons, places, organizations, military operations, battles, weaponry, and other elements of the war; and a bibliography of accessible resources for further research. Photographs from the author's collection of live scenes from the war are also included.

THE KOREAN WAR

AN ANNOTATED BIBLIOGRAPHY

Greenwood Publishing Group An essential piece of the increasing scholarship on and about the Korean War.

A STUDY GUIDE FOR PAK TU-JIN'S "AUGUST RIVER"

Gale, Cengage Learning A Study Guide for Pak Tu-jin's "August River," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. SECOND WORLD WAR LIVES

PUBLISHED IN ASSOCIATION WITH THE SECOND WORLD WAR EXPERIENCE CENTRE

Casegate Publishers The Second World War was a momentous event in twentieth-century history and it is a fascinating period for family historians to explore. Numerous records are available to researchers whose relatives served in the war, and James Gaultys book is an accessible guide on how to locate and understand these sources - and get the most out of them. Using evidence gleaned from a range of sources archives, official records, books, libraries, oral history and the internet he reconstructs the wartime records of a revealing and representative group of ordinary men and women: a signaler, an infantryman, a doctor, an artillery officer, a woman serving with anti aircraft units, a commando, a Royal Navy bomb disposal officer, RAF fighter and bomber pilots, and others. He describes their wartime careers and experiences and demonstrates how they fitted into contemporary military organizations and operations. He looks at their backgrounds, their wartime training and duties, their front line service, and the conditions they endured. In each case he shows how the research was conducted and explains how the lives of such individuals can be explored highlighting methods that can be used and sources that can be consulted. James Gaultys informative book will be essential reading and reference for anyone who wants to find out about the Second World War and is keen to understand the part an ancestor played in it.

ESSENTIAL GUIDE TO MODERN NORTH KOREA

FEDERAL RESEARCH COUNTRY STUDY WITH COMPREHENSIVE INFORMATION AND ANALYSIS - POLITICAL, ECONOMIC, SOCIAL, NATIONAL SECURITY, NUCLEAR PROGRAM, CULT OF KIM FAMILY

This book reproduces the official Library of Congress Federal Research Division Country Study of North Korea. Books in this series describe and analyze the nation's political, economic, social, and national security systems and institutions, and examine the

interrelationships of those systems and the ways they are shaped by historical and cultural factors. Each study is written by a multidisciplinary team of social scientists. The authors seek to provide a basic understanding of the observed society, striving for a dynamic rather than a static portrayal. Particular attention is devoted to the people who make up the society, their origins, dominant beliefs and values, their common interests and the issues on which they are divided, the nature and extent of their involvement with national institutions, and their attitudes toward each other and toward their social system and political order. Contents: Chapter 1. Historical Setting * THE ORIGINS OF THE KOREAN NATION * KOREA IN THE NINETEENTH-CENTURY * THE RISE OF KOREAN NATIONALISM AND THE THREE KINGDOMS PERIOD * Paekche * Koguryŏ * Silla * Korea under Silla * UNIFICATION BY KORYŎ * THE CHOSŎN DYNASTY * Florescence * Dynastic Decline * WORLD ORDER * JAPANESE COLONIALISM, 1910-45 * COMMUNISM * NATIONAL DIVISION IN THE 1940s * Tensions in the 1940s * U.S. and Soviet Occupations * The Arrival of Kim Il Sung * The Establishment of the Democratic People's Republic of Korea * THE KOREAN WAR, 1950-53 * THE POSTWAR PERIOD * The Economy * Corporatism and the Chuch'e Idea * International Relations * NORTH-SOUTH RELATIONS IN THE TWENTY-FIRST CENTURY * Chapter 2. The Society and Its Environment * Helen-Louise Hunter * THE PHYSICAL ENVIRONMENT * Topography and Drainage * Climate * Environmental Factors * POPULATION * SOCIAL STRUCTURE AND VALUES * Creating a New Society * The Cult of Kim Il Sung * Class Society * The New Socialist Society * The Work Unit as the Basic Social Unit * A Thought-Controlled Society * The Elite Life in P'yŏngyang * The Privileged Life Beyond Money * Daily Life * A Society in Crisis * Militarized Society * Family Life * Children * Leisure Activities * Religion * EDUCATION * Primary Education * Middle School and Beyond * Higher Education * HEALTH CARE * Chapter 3. The Economy * David Kang * ECONOMIC DEVELOPMENT, 1940s-90s * The Economy after World War II * ECONOMIC INFRASTRUCTURE SINCE THE AGRICULTURE, THE FAMINE OF 1995-98, AND North Korea's Development Strategy * EARLY 1990s * Comparisons with South Korea * Organization * Natural Resources * Energy and Power Generation * Transportation * Forestry and Fishing * Telecommunications and the Internet * Government Budget * ECONOMIC CHANGES * Collapse in the 1990s * Causes of the Famine * Effects of the Famine * Post-Famine Situation * Economic Reforms * Reform of the Public Distribution System * Banking and Finance * Legal and Administrative Reforms * Special Economic Zones * Top-Down Reform Measures * Assessment of the Economic Reforms * FOREIGN ECONOMIC RELATION * MUCH MORE

SELLING THE KOREAN WAR

PROPAGANDA, POLITICS, AND PUBLIC OPINION IN THE UNITED STATES, 1950-1953

Oxford University Press on Demand The Korean War occupies a unique place in American history and foreign policy. Because it followed closely after World War II and ushered in a new era of military action as the first hot conflict of the cold war, the Korean War was marketed as an entirely new kind of military campaign. But how were the war-weary American people convinced that the limited objectives of the Korean War were of paramount importance to the nation? In this ground-breaking book, Steven Casey deftly analyzes the Truman and Eisenhower administrations' determined efforts to shape public discourse about the war, influence media coverage of the conflict, and gain political support for their overall approach to waging the Cold War, while also trying to avoid inciting a hysteria that would make it difficult to localize the conflict. The first in-depth study of Truman's and Eisenhower's efforts to garner and sustain support for the war, *Selling the Korean War* weaves a lucid tale of the interactions between the president and government officials, journalists, and public opinion that ultimately produced the twentieth century concept of limited war. It has been popularly thought that the public is instinctively hostile towards any war fought for less than total victory, but Casey shows that limited wars place major constraints on what the government can say and do. He also demonstrates how the Truman administration skillfully rededicated and redefined the war as it dragged on with mounting casualties. Using a rich array of previously untapped archival resources--including official government documents, and the papers of leading congressmen, newspaper editors, and war correspondents--Casey's work promises to be the definitive word on the relationship between presidents and public opinion during America's "forgotten war."

THE KOREAN WAR

FROM WORLD WAR TO COLD WAR

History Keen to learn but short on time? Get to grips with the events of the Korean War in next to no time with this concise guide. 50Minutes.com provides a clear and engaging analysis of the Korean War. On 25 June 1950, North Korean troops marched across the 38th parallel, the imaginary border between the North and South of the peninsula. This marked the escalation of diplomatic tensions into open conflict, and resulted in a three-year war of attrition which claimed millions of lives. Despite major contributions from Chinese, American and UN forces, there was no clear winner in the conflict, and Korea remains divided to this day. In just 50 minutes you will: - Learn about the events leading up to the outbreak of war in Korea, including the partition of the country after the Second World War and the contentious elections of 1948 - Find out about the key figures and battles in the conflict, including General Douglas MacArthur and Kim Il-sung - Understand the outcome of the war and its consequences, which are still felt today ABOUT 50MINUTES.COM History & Culture 50MINUTES.COM will enable you to quickly understand the main events, people, conflicts and discoveries from world history that have shaped the world we live in today. Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery.

NATIONAL ARCHIVES RECORDS RELATING TO THE KOREAN WAR

KOREA, THE WAR BEFORE VIETNAM

Details the local origins and the global effects of the Korean War, from the death blow it dealt the Truman administration to the sudden prestige it accorded Maoist China

THE ASHGATE RESEARCH COMPANION TO THE KOREAN WAR

Routledge This essential companion provides a comprehensive study of the literature on the causes, course, and consequences of the Korean War, 1950-1953. Aimed primarily at readers with a special interest in military history and contemporary conflict studies, the authors summarize and analyze the key research issues in what for years was known as the 'Forgotten War.' The book comprises three main thematic parts, each with chapters ranging across a variety of crucial topics covering the background, conduct, clashes, and outcome of the Korean War. The first part sets the historical stage, with chapters focusing on the main participants. The second part provides details on the tactics, equipment, and logistics of the belligerents. Part III covers the course of the war, with each chapter addressing a key stage of the fighting in chronological order. The enormous increase in writings on the Korean War during the last thirty years, following the release of key primary source documents, has revived and energized the interest of scholars. This essential reference work not only provides an overview of recent research, but also assesses what impact this has had on understanding the war.

THE KOREAN WAR

THE ESSENTIAL BIBLIOGRAPHY

U of Nebraska Press The bibliography includes references in English, Korean, Russian, and Chinese."--BOOK JACKET.

KOREA

THE UNKNOWN WAR

COMMUNIST LOGISTICS IN THE KOREAN WAR

Courier Corporation This book describes the logistical systems and requirements of the North Korean People's Army and Chinese Communist forces during the Korean War. The author examines the performance of the Communist logistical system from June 1950 to July 1953, explaining the failure of the United Nations air interdiction campaign in terms of the constant improvement of Communist logistical capabilities. The author concludes that the United Nations air force damaged, but was unable to destroy, the Communist distribution system. The North Koreans and Chinese Communists were able to supply their front line units sufficiently to enable them to conduct a strong static defense, which prevented a United Nations victory, and in the last months of the war, to mount strong, sustained offensive actions.

THE ORIGINS OF THE KOREAN WAR

Routledge In 1950, a local dispute in East Asia, remote from the Western powers, developed into the biggest international conflict since the Second World War. The crisis over Korea embodied, and fostered, the global agenda of the new Cold War era.

THE DIPLOMACY OF WAR

THE CASE OF KOREA

Black Rose Books Limited "In 1950, North Korea invaded South Korea. Sixteen nations fought on behalf of South Korea; two (the People's Republic of China and North Korea itself) on behalf of North Korea. By the time the fighting stopped, three years later, nearly two million military, and an estimated three million civilians had lost their lives, with one-half of Korean industry, and one-third of Korean homes destroyed. For two of the three years that the war was under way, both sides were trying to negotiate a peace." "Canadian governments know that official Washington usually does not appreciate Canadian advice on management of the world. Ottawa responds by joining multinational organizations, where it attempts to persuade other governments to establish a common front. The common front may then try, by force of numbers, to influence the White House and the State Department. One such multinational organization is the Commonwealth, five of whose eight members (the United Kingdom, Canada, Australia, New Zealand, and South Africa) had combat forces in Korea. Using sources from Australia, Canada, China, the Soviet Union, the United Kingdom, the United Nations, and the United States, Mount and Laferriere have used the Korean War as a case study. When did the Commonwealth belligerents agree with each other but not with official Washington, and what success did they have in changing U.S. policies?"--BOOK JACKET.

REFIGHTING THE LAST WAR

COMMAND AND CRISIS IN KOREA, 1950-1953

Examines American military decision-making during the Korean War, the role of the five key military leaders, and the issues confronting them

THE PALGRAVE HANDBOOK OF ARTISTIC AND CULTURAL RESPONSES TO WAR SINCE 1914

THE BRITISH ISLES, THE UNITED STATES AND AUSTRALASIA

Springer This handbook explores a diverse range of artistic and cultural responses to modern conflict, from Mons in the First World War to Kabul in the twenty-first century. With over thirty chapters from an international range of contributors, ranging from the UK to the US and Australia, and working across history, art, literature, and media, it offers a significant interdisciplinary contribution to the study of modern war, and our artistic and cultural responses to it. The handbook is divided into three parts. The first part explores how communities and individuals responded to loss and grief by using art and culture to assimilate the experience as an act of survival and resilience. The second part explores how conflict exerts a powerful influence on the expression and formation of both individual, group, racial, cultural and national identities and the role played by art, literature, and education in this process. The third part moves beyond the actual experience of conflict and its connection with issues of identity to explore how individuals and society have made use of art and culture to commemorate the war. In this way, it offers a unique breadth of vision and perspective, to explore how conflicts have been both represented and remembered since the early twentieth century.

KOREA IN WAR, REVOLUTION AND PEACE

THE RECOLLECTIONS OF HORACE G. UNDERWOOD

□□□□□□□□

KOREA, A CENTURY OF CHANGE

World Scientific This book provides an evenhanded coverage of Korea's turbulent history during the last one hundred years, from seclusion to division. It focuses particularly on the development of the two different and antagonistic states on the peninsula since 1945. The author sees both countries through the windows of their possibilities and interests. He supplements his narrative, which makes use of rich source material, with observations he has made in South Korea, where he spent more than ten years from the 1970s to the 1990s, and where he had access to politicians and opinion leaders. The book starts by describing how the Hermit Kingdom was exposed to the greed of foreign powers at the end of the 19th century and how it became the victim of imperialistic Japan, then account is given of the country's division and the hardening of that division through the Korean War. The rule of the military and the final triumph of civilian democrats in South Korea are analyzed in much detail. One chapter is devoted to the rise and intermittent decline of the South Korean economy. The history of North Korea under Kim Il Sung and under his son is told, before the foreign relations of both Koreas are explained. A chapter on the so far overwhelmingly antagonistic South-North relations concludes the book.

KOREA NORTH COUNTRY STUDY GUIDE VOLUME 1 STRATEGIC INFORMATION AND DEVELOPMENTS

Lulu.com [Korea North Country Study Guide - Strategic Information and Developments](#)

WAR AND TELEVISION

Verso Books Television has come to play an ever more decisive role in the preparation and planning of war, as well as in its execution. In *War and Television* Bruce Cumings carefully explores the history of television's relationship to US warmaking since World War II, up to and including its presentation of the carnage in Kuwait and Iraq. Cumings examines Vietnam, long thought to have been the first television war, but finds that characterization more apt for the Gulf conflict which was fought through, packaged by, and sold to the public on television. At the centre of the book is the extraordinary tale of Cumings's own experience as historical consultant to a Thames Television production, *Korea: The Unknown War*, and his subsequent trials with the Public Broadcasting System when the film was released for North American distribution. Through the alternately funny and tragic story of the struggle with an assortment of media executives, retired soldiers, bureaucrats from both Koreas and various public figures (including a hilarious account of an interview with Henry Kissinger), Cumings shows how the film was shaped by media managers on both sides of the Atlantic to conform to prevailing views of a war that few in the United States or Britain wish to remember with anything approaching accuracy. Today there is no shortage of prognostications - grim or otherwise - on the role of television. But there are few serious studies of the medium's everyday operations, let alone of its place in politics and warfare. With insight and clarity, Bruce Cumings provides that much-needed analysis. This is a vital book for those who want to understand how, and for whom, television works, and a sobering one for anyone who believes the medium can be used for radical ends.

HONG KONG AND THE COLD WAR

ANGLO-AMERICAN RELATIONS 1949-1957

Oxford University Press on Demand After 1949, the British Empire in Hong Kong was more vulnerable than the lack of Chinese demand for return and the success of Hong Kong's economic transformations might have suggested. Its vulnerability stemmed as much from Britain's imperial decline and America's Cold War requirements as from a Chinese threat. It culminated in the little known '1957 Question', a year when the British position in Hong Kong appeared more uncertain than any time since 1949. This is the first scholarly study that places Hong Kong at the heart of the Anglo-American relationship in the wider context of the Cold War in Asia. Unlike existing works, which tend to treat British and US policies in isolation, this book explores their dynamic interactions - how the

two allies perceived, responded to, and attempted to influence each other's policies and actions. It also provides a major reinterpretation of Hong Kong's involvement in the containment of China. Dr Mark argues that, concerned about possible Chinese retaliation, the British insisted and the Americans accepted that Hong Kong's role should be as discreet and non-confrontational in nature as possible. Above all, top decision-makers in Washington evaluated Hong Kong's significance not in its own right, but in the context of the Anglo-American relationship: Hong Kong was seen primarily as a bargaining chip to obtain British support for US policy elsewhere in Asia. By using a variety of British and US archival material as well as Chinese sources, Dr Mark examines how the British and US government discussed, debated, and disagreed over Hong Kong's role in the Cold War, and reveals the dynamics of the Anglo-American alliance and the dilemmas of small allies in a global conflict.

THE TWO KOREAS

One in a series of booklets whose purpose is to stimulate greater and more effective understanding of world affairs among Americans, this seven-chapter report examines the political, economic, and anomalous positions of North and South Korea in the international system. "Traditional Legacies" traces the historical development of the two Koreas. "The Colonial Pressure Cooker" looks at the colonial system's impact on Korea. "Liberation, Separate Regimes, War" explores national division, rivalry, and the Korean War. "The South Korean Political System" examines South Korean political crises and growth. "The North Korean Political System" examines North Korea's socialist corporatism system. "The Two Economies" compares the two Koreas' different economies. "Foreign Relations" discusses the diplomacy of North and South Korea. The "Talking It Over" section offers questions for students and discussion groups. The report includes maps, pictures, and an annotated reading list. (TRS)

AMERICA'S COMMITMENT TO SOUTH KOREA

THE FIRST DECADE OF THE NIXON DOCTRINE

Cambridge University Press The book analyses the strategic rationale of the American security commitment to South Korea in the light of the palpable failure of containment strategy in Indo-China. During the 1970s the dilemma confronting successive American administrations was that, whilst wishing to maintain their old commitment to South Korea, they had no desire to preside over another Vietnam. Military commitment and political support were necessarily disengaged, and the Nixon doctrine served as both the end and the means of containment strategy in Asia. The study identifies the principal conditions that have influenced changing American perspectives on South Korea, and examines some of the general problems of collective security in the region. Unique in the direct engagement of China, the Soviet Union and the United States, the security position of South Korea bears directly upon the achievement of peace and stability throughout East Asia.

NARRATIVES OF NATION BUILDING IN KOREA

A GENEALOGY OF PATRIOTISM

M.E. Sharpe This work offers insights on how historical texts and events in Korea's history have contributed to the formation of the nation's collective consciousness. It explores the relationship between gender and nationalism by showing how key narrative topics have been used to make sense of national events

THE POLITICS OF SEPARATION OF THE KOREAN PENINSULA, 1943-1953

Why was Korea separated? Why have the Koreans been unable to overcome the line of demarcation separating them over the last 60 years? Why did the Korean War break out? Many scholars studying contemporary Korean history have been conducting a detailed analysis of these very subjects. Traditionalists tend to place blame on the Communist Bloc, including Soviet Russia, while revisionists see the responsibility lying with United States anticommunist imperialism. Throughout this controversial process, Korean scholars have been neglectful of a self in dealing with these issues. Based on historicism, this book considers at its core a series of tragic Korean historical events as civil or internal conflicts and aims to reflect on Korea's own historical mistakes and errors. In this respect, this study can be categorized as being rerevisionist. This book was written with the conviction that the Korean Peninsula was not divided by other, external powers but separated from within.

THE KOREAN WAR

NO VICTORS, NO VANQUISHED

University Press of Kentucky The Korean War has been termed "The Forgotten War" or the "Unknown War." It is a conflict which never assumed the mythic character of the American Civil War or World War II. However, this book asserts, it would be impossible to understand the Cold War and indeed post 1945 global history without knowledge of the Korean War. Providing a history of the Korean peninsula before the war and including a detailed analysis of the fighting itself, The Korean War goes beyond the battlefield to deal with the war in the air, ground attack, and air evacuation. The study also evaluates the contributions of the UN naval forces, the impact of the war on various homefronts and issues such as defectors, opposition to the war, racial segregation and integration, POWs and the media. Recently-released Soviet documents are used to assess the role of China, the Soviet Union, North and South Korea and the allied forces in the conflict. This fascinating work offers a unique analysis of the Korean War and will be invaluable to students of twentieth-century history, particularly those concerned with American and Pacific history.

CAUSES OF WAR

POWER AND THE ROOTS OF CONFLICT

What causes war? How can military conflicts best be prevented? A prominent political scientist here addresses these questions, offering ideas that will be widely debated. Van Evera's book demonstrates that ideas from the Realist paradigm can offer strong explanations for international conflict and valuable prescriptions for its control.

KOREA

Abc-Clio Incorporated The two Korean states are heirs to a great artistic and cultural tradition. Moreover, they share a long, sometimes bitter historical experience, culminating in forty years of Japanese colonial rule. Although liberated in 1945, Korea was divided. Two states emerged, a communist North and an autocratic South. In 1950, the North failed in an attempt at reunification by force and the resultant Korean War intensified the hostility which continues to this day. Since the end of the war, South Korea has become one of the world's economic success stories. North Korea has been less successful, but attracts interest for its unique development as a Marxist state.

AMERICAN SOLDIERS

GROUND COMBAT IN THE WORLD WARS, KOREA, AND VIETNAM

The first book to bring together wartime experiences from the centuries four major conflicts recreates the exhaustion, emotional pain, bitterness, bravery, and comradeship that has marked the American military experience.

IN THE DEVIL'S SHADOW

UN SPECIAL OPERATIONS DURING THE KOREAN WAR

Naval Inst Press U.N. Special Operations during the Korean War.

THE COLD WAR COMES TO MAIN STREET

AMERICA IN 1950

Modern War Studies (Hardcover) In 1950, Main Street American was abruptly traumatized. The sudden prospect of thermonuclear war with the Soviet Union, Senator McCarthy's vicious anticommunist crusade, and the beginning of the Korean War all combined to dampen the public mood. The Cold War invaded every home. Rose maintains that 1950 was a pivotal year for the nation. He argues that the convergence of Korea, McCarthy, and the bomb wounded the nation in ways from which we've never fully recovered. Brimming with originality, this book makes readers look at the Cold War from a dozen different angles.

ENTER THE DRAGON

CHINA'S UNDECLARED WAR AGAINST THE U.S. IN KOREA, 1950-51

THE KOREAN WAR

AN ANNOTATED BIBLIOGRAPHY

Routledge The Korean War is the most comprehensive and detailed bibliography compiled to date on the American involvement in "The Forgotten War." In this revised and expanded second edition, Keith D. McFarland's clearly written annotations provide concise descriptions of more than 2,600 of the most important books, articles, and documents written in English on the conflict in Korea. Key topics include origins of the war; the political and military roles of North and South Korea, the United States, the Soviet Union, China, Great Britain, Canada, Australia, South Africa, Turkey, and other United Nations members; campaigns and battles; weapons and uniforms; and the military and diplomatic aspects of the war. Specific subjects are easy to find using the index organized by topic and author, making *The Korean War* a necessity for every academic or research library.
