Beans 20 Ways

America's Test Kitchen Humble beans are the true MVPs of the kitchen. They have a long shelf life, are packed with protein, and best of all, they taste great in a wide variety of applications. This collection of 20 foolproof recipes gives beans their due, putting them center stage in recipes such as Ultracreamy Hummus (you've never had homemade hummus this velvety-smooth) and White Bean and Tuna Salad (two pantry-friendly ingredients come together for a dish that's greater than the sum of its parts). We share the secrets to making light and crispy Falafel as well as irresistible soups and sides. Whether you're looking for breakfast inspiration (our recipe for Scrambled Eggs with Pinto Beans and Cotija Cheese delivers tender eggs with a mildly spicy kick), internationally inspired mains such as Palak Dal (Spinach Dal with Cumin and Mustard Seeds) and Tuscan Shrimp and Beans, or hearty vegetarian dishes such as Black Bean Burgers and Meatless "Meat" Sauce with Chickpeas and Mushrooms, this collection gives you 20 great reasons to put beans on the menu.

Baseball Haiku: The Best Haiku Ever Written about the Game

W. W. Norton & Company Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true

baseball fan.

Marvel Doodles

A Child Weapon

VIZ Media LLC In their hunt for Galatea, the Organization's former number 3, Clarice and Miata enter the Holy City of Rabona, but what they encounter there is far beyond anything they could have anticipated. Also included in this volume are bonus stories of Priscilla and Isley's first meeting, and of Clare's training at the Organization. -- VIZ Media

Culo by Mazzucco

Atria Books The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

Identity Break

CreateSpace How far would you go to find yourself? Imagine everything you thought you knew about yourself turned out to be a lie, and you didn't know who was telling the truth. Imagine you possessed a secret so dangerous that, if it were exposed, it would reshape the entire world. What would you do if that secret were your very identity? In almost every way, Palo Vista seems like a typical California city, with office buildings, schools, and homes sprawled out across suburbia, filled with families making a life for themselves at the dawn of the new millennium. But two seniors at Mt. MacMurray High are about to find out that nothing is as it seems. Jason Nix is a star athlete and honors student who can't seem to remember anything about his childhood. Elyse Van Auten is a budding artist from a broken home whose father left her mother two years ago - or so she's been led to believe. Like most teens entering adulthood, Elyse and Jason just want to find out who they really are. For them, however, the stakes go far beyond their own personal quest. Join them on a journey of self-discovery that becomes a desperate fight for survival against enemies determined to conceal the truth ... and find out what happens when that fight becomes personal.

Masters of Mosaic

Robert Hale An exclusive insight into the work and specialist skills of 12 premier contemporary mosaic artists Each chapter in this inspiring look at contemporary mosaic art is written by a different artist and gives their unique story, including their inspirations and influences, and how they design, create, and install their mosaics. Color photos throughout the book showcase the artists' past and present commissions. Whether you work in stone, glass, or ceramic, and are figurative or abstract in expression, this magnificent volume, which explores the work of the best artists in the business, is a must for anyone with an interest in this incredible art form. Featured in the book are Emma Biggs, Paul Bull, Trevor Caley, Martin Cheek, Gary Drostle, Elaine Goodwin, Maggie Howath, Tessa Hunkin, Jo Letchworth, Jane Muir, and Norma Vondee.

A Survey of Math

Survey of mathematics highlights the power of mathematics as a deductive discipline. The course covers four topics in mathematics. Each topic will build upon the next. The use of deductive arguments, both in formal and natural languages, will be emphasized. Topics include Set Theory, Cantor's Diagonalization Argument, countable and uncountable infinite, mathematical induction, cardinal

numbers, one to one correspondence, Venn diagrams, sequences, applications in sequences, rational and irrational numbers, geometric proofs involving similar triangles, area, pythagorean theorem, trigonometry. Algebraic proofs involving the quadratic formula, irrationality of the number Phi, mathematical induction, proofs with sequences, proof by contradiction, fibonacci sequence and the golden ratio, continued fractions, fractals with an emphasis on pattern building, sequences, length and area.

House of Darke

Pegasus Books Zade, Tina, Pip and Meadow are four teenagers enjoying an end-of-summer bike ride - that is until a mist descends, leaving them stranded at a picnic area in the middle of the countryside. What can they do? The grey fog is dense and they can't see a metre in front of them. They abandon their bikes and set off to seek help. Finding shelter by way of the secluded country house owned by the wealthy and charming Lord Epacseon Darke, they had no idea what would happen next. Welcome to House of Darke - enjoy your stay!

PHILOSOPHY

The Power of Ideas;the Power of Ideas

The Misadventures of Jack the Builder

Trafford Publishing The Misadventures of Jack the Builder traces several episodes in the hapless life of an ordinary, working class struggler. Set in a contemporary Australian city, the story follows Jack as he swears, squirms, weasels, begs, hustles and charms his way through the accidental exigencies of his feckless life. Characters spring to life in vivid technicolor -- Trev, Fergus, Wazza, Tom and others -- a panoply of real life 'sorts' dealing in their own inimitable way with life's challenges. An amusing story that endears and entertains, painting a picture of suburban life in shades of alternating pathos and repulsion -- like following a fumbling, flatulent funambulist on a foggy day.

Plain Roots

Clear Creek Publishers Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

Calvin's Calvinism

Theclassics.us This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1856 edition. Excerpt: ... observes, " Whom He will, He hardeneth." He would not have added this unless, under the expression " raised thee up," he had meant to comprehend that purpose of God, by which Pharaoh was ordained to magnify, by his obstinacy, the redemption of God's people, Israel. For if any one should say, that Pharaoh's being "raised up" signified his being raised from above to the summit of kingly honour; that indeed is some part, but not the whole, of the matter. For the LXX. Greek interpreters have here used the same expression as that by which they render the verb Hiphil, derived from the radical Kum "to arise." Moreover, God is said to "raise up" that, which He causes, by an outstretched arm, as it were, to accomplish the end He has ordained. The Scripture here principally looks at the beginning, or first-cause, of that which it is recording; that it may ascribe the whole to God alone. In this same manner, God is also said to "raise up " prophets, and ministers of salvation; that no man might claim any of these things to himself, on the ground of his own industry. Therefore, the meaning of Moses has been faithfully expressed by the term, "raised up," if you will but so receive it; nor did Paul receive it otherwise. And most certainly, the expression "raised up" comprehends, not less distinctly than summarily, what he had touched upon, both concerning the elect, and the reprobate; since he is claiming for God the right and the power to have mercy on whom He will, and to harden whom He will, according to his own pleasure and purpose. The apostle therefore maintains, that the right of hardening, and of showing mercy, is in the power of God alone; and that no law can be imposed on him as a rule for his works; because no law or rule can be thought of, ...

Essential Modern World History

Nelson Thornes This product represents a complete resource package for the new GCSE specifications. Accompanying the student book, this resource pack has been specifically developed to match the AQA Modern World GCSE specification. The pack features practical advice and ready-to-use copymasters that aim to provide detailed assessment guidance; differentiated support for all ability levels; a breakdown of different types of questions in the written examination papers at two levels; and coverage of content options within each question type.

Hockey: Then to WOW!

Time Inc. Books Hockey: Then to WOW! shows readers how the cool sport has evolved from the early days of its 19th century origins to the game as it is today. Using NHL action photographs, illustrations, stories, and trivia, the book is a journey through time both for hockey fans and those new to the game. Kids will learn how basic equipment has changed from a ball to a puck and how the evolution of game strategy has transformed the sport, players, and equipment. Players throughout history are stacked up against each other in every position so fans can dream up the perfect fantasy team with Wayne Gretzky playing alongside Patrick Roy and Stan Mikita. A fun-filled section of the book explores everything fan culture—from the best ice rinks, to the iconic hockey sweater and the hockey haircut along with key aspects of the toughest sport around.

Lair: Radical Homes and Hideouts of Movie Villains

Tra Publishing WHY DO BAD GUYS LIVE IN GOOD HOUSES? From Atlantis in The Spy Who Loved Me to Nathan Bateman's ultra-modern abode in Ex Machina, big-screen villains often live in architectural splendor. From a design standpoint, the villain's lair, as popularized in many of our favorite movies, is a stunning, sophisticated, envy-inducing expression of the warped drives and desires of its occupant. Lair: Radical Homes and Hideouts of Movie Villains, celebrates and considers several iconic villains' lairs from recent film history. From futuristic fantasies to deathtrap-laden hives, from dwellings in space to those under the sea, pop culture and architecture join forces in these outlandish, primarily modern homes and in Lair, which features buildings from fifteen films, including: Dr. Strangelove Or: How I Learned to Stop Worrying and Love the Bomb Star Wars The Incredibles Blade Runner 2049 You Only Live Twice The Ghost Writer Body Double North by Northwest Edited by acclaimed architect Chad Oppenheim with Andrea Gollin, Lair includes interviews with production designers and other industry professionals such as Ralph Eggleston, Richard Donner, Roger Christian, David Scheunemann, Gregg Henry, and Mark Digby. Contributors include director Michael Mann, cultural critic Christopher Frayling, museum director Joseph Rosa, and architect Amy Murphy. Architectural illustrations and renderings by Carlos Fueyo provide multiple in-depth views of these spaces.

Information Acumen

The Understanding and Use of Knowledge in Modern Business

Routledge The present period has been called the Information Age. Until now, however, historians have by and large passed over the use and generation of business information. This wide-ranging book provides a new historical perspective by drawing upon concepts and models from economics, business and economic history, management studies, and the sociology and history of science. It will make an important contribution to our understanding of the role of information in business strategies and industrial policy, and marks a step towards a more sophisticated evaluation of information management styles past and present. The authors, distinguished scholars from several European countries, the USA and Japan, explore the 'information society' through focusing on ideas about the meaning and the economic function of business information. Theories of scientific management, the effect of organizational structures and the spread of ideas are studied historically and in contemporary situations throughout the world. At a time when efficient information use is expected to give particular competitive advantage to firms, this book will be of special interest to all those responsible for the use of information in large organizations as well as to scholars, including historians, economists, sociologists and management scientists.

Robert Ludlum's (TM) The Utopia Experiment

Hachette UK With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

Contraception

Your Questions Answered

This book has become established as the primary source of information about reversible methods of contraception. It represents a dialogue between general practitioner and reproductive health specialist and builds up information in a question-and-answer format. This enables the book to focus on giving practical guidance to a busy clinician when faced with a patient who wants help choosing and using their best means of controlling their own fertility. Most chapters conclude with questions asked by patients, which can be demanding for the unprepared.

Tone Relations in Painting

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Ultimate Skiing

Human Kinetics Publishers A stunning, full-color guide for the modern skier, Ultimate Skiing speaks to the intermediate, advanced and racing readership by including updated techniques for modern-shaped ski designs and tips for fine-tuning boots for specific styles and terrain. Ultimate Skiing features author Ron LeMaster's clear, thorough and captivating photo sequences depicting proper form on the slopes. Every chapter includes analyses of World Cup skiers, as well as exercises for developing and practicing technique. Original.

Suburban Remix

Creating the Next Generation of Urban Places

Island Press Investment has flooded back to cities because dense, walkable, mixed-use urban environments offer choices that support diverse dreams. Auto-oriented, single-use suburbs have a hard time competing. Suburban Remix brings together experts in planning,

urban design, real estate development, and urban policy to demonstrate how suburbs can use growing demand for urban living to renew their appeal as places to live, work, play, and invest. The case studies and analysis show how compact new urban places are being created in suburbs to produce health, economic, and environmental benefits, and contribute to solving a growing equity crisis.

Good to Be God

Alma Books Using the credit card and identity of a handA-cuffs salesman, professional failure Tyndale Corbett arrives in Miami for a law-enforcement conference to discover the joys of luxury hotels and above all the delight of being someone else, someone successful. Feeling his previous lack of success might be due to insufficient ambition, Tyndale decides on a new money-making scheme. He will up the ante substantially, exponentially, and pretend to be someone really important and successful: God. His mission to convince the citizenry of Miami that he is, despite appearances, the Supreme Being results in him taking over the Church of the Heavily Armed Christ. His duties there involve him in forming a private army, hiring call girls, trafficking coke, issuing death threats, beating off church-jackers and sorting out (as almightily as possible) various problems his parishioners are having with pets. All the while he is working on his grand project, the clincher miracle, dying and coming back to life...

The Hardmen

Legends of the Cycling Gods

Profile Books It's time we all stopped whining and learned a thing or two from The Toughest Cyclists Ever. Including: Stephen Roche, whose cure for exhaustion was to go up a gear and fight harder, all the way to the ambulance. Eddy Merckx, who hurt himself so badly in breaking the Hour record that, he estimated, he shortened his career by a year. Beryl Burton, who crushed her (male) rival's morale with the offer of a piece of liquorice, before speeding past to victory. Nicole Cooke and Edwig Van Hooydonck, who rejected dope and became legends. The Hardmen tells the stories - the good bits, anyway - of the 40 most heroic Cyclists ever. Their bravery, their panache and their Perfect Amount of Dumb. It reminds us that suffering on a bike liberates us from our daily lives, and that, in the words of Lance Armstrong "pain is temporary, quitting lasts forever"; proof that even assholes can be insightful.

ASAP World History: A Quick-Review Study Guide for the AP Exam

Princeton Review "A quick-review study guide for the AP exam"--Cover.

Simply Forbidden

Aphrodisia Your most scorching desires come blissfully true at Madame Helene's Pleasure House--an elite brothel in Regency England where passion has no limits. . . Nothing's More Satisfying Than. . . With an unconventional upbringing and a reputation as a shameless flirt, Lisette Delornay-Ross is not your typical young lady of the ton. Unlike her peers, she is not afraid to follow her desires. And what she desires is Major Lord Gabriel Swanfield. . . Fulfilling Forbidden Passions. . . Returned to England after his harrowing ordeal as a war prisoner, Gabriel has shunned society. When Lisette brazenly confronts him, he feels an overwhelming stirring of lust. He's sure she would never entertain the illicit desires he indulges at Madame Helene's. But when he kisses her, he discovers her thirst for pleasure--and adventure--matches his. . . Praise for Kate Pearce's Simply Sexual "This book has something for everyone: hot sex scenes, a sexy hero with a tragic past, a smart and compassionate heroine, intrigue, danger and Regency London at its most decadent!" -"Romantic Times " "Can you say HOT? Well it doesn't get much hotter than Simply Sexual." -"Simply Romance Reviews"

Body Belief

How to Heal Autoimmune Diseases, Radically Shift Your Health, and Learn to Love Your Body More

Hay House, Inc Acupuncturist and herbalist Aimee Raupp, M.S., L.Ac., offers a holistic plan for healing from autoimmune disease through reconnection to yourself, renewal of your beliefs, and reawakening of your health. This book will guide you on a life-changing path to radically shift your health and love your body more. Raupp posits that the rampant rise in autoimmune illness is due to three co-existing factors: body disconnect (a loss of connection to the spiritual, emotional, and physical aspects of self, resulting in systemic body chaos), behavioral sabotage (where deep-rooted beliefs negatively dictate your behavior, which dictates your health), and environmental toxins (exposure to external disease-promoting elements). With warmth, sensitivity, and practicality, Raupp will help you to resurrect your full potential to happily and gracefully inhabit your body and mind. As you follow Raupp's two-phase Body Belief diet and Body Belief lifestyle roadmap, your health will begin to thrive, both inside and out. Included are a diet plan, shopping lists, menus, meditations, mantras, and DIY and commercial suggestions for bath, beauty, and home products for self-care.

Drawing Near

A Life of Intimacy with God

Thomas Nelson In Drawing Near, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice-just as we would practice anything we hope to improve-our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a "How to draw near to God" section offers practical steps toward developing true intimacy with Him.

Full Bodied Charmer

Elloras Cave Pub Incorporated Having recently discovered that there is a whole segment of the male populace who like their women large and bold, Jennifer Rose has finally learned to be comfortable with the fact that she is full-figured. To celebrate, she decides to take a walk on the wild side. The moment she spots the tall, blonde, handsome Rick Markham at a charity bachelor auction, her libido slips into active overdrive. Although she's been hurt in the past, she determines to get more for her money than dinner and pleasant conversation. Rick Markham is ready to settle down and raise a family with his ideal woman: a tall, slender, beautiful blonde. This description does not apply to the sultry, plus-sized Jennifer Rose, who wins a bidding war with his ideal woman, requiring him to spend an evening with her. After a surprising dinner, a slow dance, and several kisses that excite and arouse him, Rick is ready to hop into the sack with Jennifer for a one-night stand. Neither of them is prepared for what happens when he does... "For anyone looking for a sweet endearing story that will stick with you, this is it." - April Taylor for Sensual Romance
