Parisian Hideaways

Exquisite Rooms in Enchanting Hotels

Rizzoli International Publications From the author of French Country Hideaways comes an enticing new insider's entree to Paris. Eschewing the larger hotels and chains, Casey O'Brien Blondes has put together an impeccable list of four-star escapes carefully selected for their interior design, authenticity, panache, and personalized service. Grouped by theme—including literary, historic, and boudoir—the hotels present an enticing range of décor, from the timeless splendor of the Raphael, with its incomparable view of the Arch de Triomphe from its lush rooftop garden restaurant, to the minimalist verve of Hotel le A, off the Faubourg Saint-Honoré, where graphic black-and-white décor harmonize with Gallic élan. Each is unique, yet all share in common family or manager ownership, fewer than 100 rooms, generous room size, and very distinctive French style. With lush color photography and in-depth descriptions of each hotel, including a list of neighborhood restaurants, boutiques, gourmet treats, curiosities, or walking tours, Parisian Hideaways is a must for anyone longing to escape to or be inspired by the City of Lights.

French Country Hideaways

Vacationing at Private Chateaus & Manors in Rural France

Rizzoli International Publications Imagine awakening in a castle. You slip out of your poster bed, open french windows and step onto a stone balcony. You take in the view of surrounding vineyards that slope down to a quaint tile-roofed village in the misty river valley below. This isn't a dream. You can actually spend the night in an authentic French château or manor house, one with all the personal care of a bed-and-breakfast. For centuries, the country's small châteaux have remained secret, closed to all but the families of the owners. But in recent years, in efforts to generate revenue for preservation, many families are throwing open the doors and inviting the public in to stay. French Country Hideaways takes you inside 35 of these hidden gems where you can experience true French country living. At these châteaux d'hôte you will meet the owner-innkeeper and get to know the individual spirit of the place. These off-the-beaten-track estates were selected because each possesses a unique bond to the land. None of the properties has more than fifteen guest rooms, and most offer table d'hôte meals in the evenings that showcase the specialties of the region. France remains the number one European destination for Americans, and its three most popular regions are the focus here. Gloriously photographed by Franco-American Stephanie Cardon and complete with listings for recommended nearby restaurants and activities, French Country Hideaways is a wonderful guide for those planning or just dreaming about a visit to these enchanted landscapes.
