[GRECO & GRECO Editori](#)

## Manche à vent

[Aletti Editore](#) "Il titolo dell'opera, **Manche à vent**, implica un viatico romantico, simbolico ed evocativo: il nome rappresenta un metodo di misurazione del vento che trasporti questi componenti in fuga, verso altri territori, altre culture, lettori, autori. All'interno di **Manche à vent** (è un rudimentale misuratore del vento. Il vento, soffiando all'interno della manica, ne muta la posizione fornendo indicazioni circa la sua direzione e intensità. È installata in quei luoghi dove è importante avere l'immediata indicazione visiva della forza e direzione del vento ad esempio cavalcavia, impianti chimici e, in special modo, aeroporti.) si susseguono, in ordine alfabetico: Pietro Bolani con **E su tutto un amen stanco**; Grazia Focardi con **Sussurri... del cuore**; Riccardo Leonelli con **Versi di un provinciale**; Alberto Moretti con **L'essenza della poesia**; Paola Perini con **Immagini emotive**; Daniela Porcelli con **Un pentagramma di ricordi**." (tratto dalla prefazione di Giuseppe Aletti)

## Lucio Battisti

## La luce dell'estetica

[Fratelli Frilli Editori](#) In un libro di interviste e aneddoti un ritratto alternativo di Lucio Battisti, tracciato da personaggi che hanno avuto in qualche modo rapporti con l'opera del cantante-compositore: interpreti, cantautori, musicisti, produttori, tutti ospiti de "La Lira Battistiana - premio pop d'autore", ideato a Imperia da Jeff Aliprandi. Il lavoro parte dalle atmosfere suggestive del grande Lucio che nei primi anni '70 arriva all'apice di successo con lavori quali **Il mio canto libero - l'ellegi** che si apre con **La luce dell'est** - per approdare al Battisti "bianco", del CD del '94 **Hegel**, ultimo frutto di trent'anni di attività compositiva, che ospita, tra i brani più significativi, quello intitolato **Estetica**. Nel ripercorrere le vicende e l'opera di Lucio Battisti, attraverso testimonianze e documenti, gli autori pongono l'accento in particolare sul carattere originale, quasi isolato, dell'esperienza battistiana nel panorama della canzone d'autore dei passati decenni di fine secolo: accusato spesso di "parlare troppo di sentimenti", di "non impegnarsi abbastanza nel sociale", di puntare tutto sulla bellezza della musica e sulla musicalità del testo - sull'estetica dunque, più che sull'etica - ha fornito invece, secondo gli autori e gli intervistati, un illuminante esempio di come l'arte non possa che avere una sua funzione morale e sociale, quand'anche il contenuto non sia esplicitamente tale. **GLI OSPITI DELLA "LIRA BATTISTIANA" PARLANO DELL'ARTISTA** Dario Baldan Bembo, Ambra Borelli, Laura e Monica Donida, Alberto Fortis, Fernando Fratarcangeli, Italo Gnocchi, Mario Lavezzi, Massimo Luca, Roby Matano, Povia, Oscar Prudente, Gian Piero Reverberi **CON INTRODUZIONI DI** Gianni Dall'Aglio, Pietruccio Montalbetti, Francesco Baccini

## Il nostro caro Lucio

# Storia, canzoni e segreti di un gigante della musica italiana

**HOEPLI EDITORE** Lucio Battisti è un pezzo di storia italiana. Un pezzo importante, benché si tratti di cultura popolare. Musica leggera, insomma, canzonette, che però con lui si sono elevate al rango di arte nobile che ha emozionato e commosso intere generazioni. Lucio Battisti ha attraversato i generi, interpretato i suoi tempi, anticipato tendenze e movimenti, dialogato in silenzio con il suo pubblico, preservando sempre la sua integrità artistica. Rilasciando solo poche interviste e regalando una manciata di concerti, Battisti ha progressivamente separato la sua persona dalle sue opere, mettendo al centro esclusivamente i dischi. Nella lunga esperienza con Mogol, nella breve e incompresa fase con Pasquale Panella, Lucio ha esplorato tutte le possibilità della forma-canzone, da Acqua azzurra acqua chiara a Una donna per amico, da La canzone del sole a Don Giovanni. Ha innestato melodie italiane sulla black music americana, ha varcato i grandi spazi rock, blues, folk, prog e disco-music dei 33 giri, è arrivato in solitudine a un pop elettronico e colto, unico nel suo genere. A vent'anni dalla morte, questo libro racconta la vita, le canzoni, gli LP di Lucio Battisti, con un occhio di riguardo alle motivazioni che lo hanno portato a certe scelte, all'importanza delle sue innovazioni, ai misteri e ai segreti di una personalità complessa e imprevedibile, ancora oggi amatissima.

## ANNO 2022 LO SPETTACOLO E LO SPORT SECONDA PARTE

**Antonio Giangrande** Antonio Giangrande, orgoglioso di essere diverso. **ODIO OSTENTAZIONE ED IMPOSIZIONE.** Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. Tu esisti se la tv ti considera. La Tv esiste se tu la guardi. I Fatti son fatti oggettivi naturali e rimangono tali. Le Opinioni sono atti soggettivi cangianti. Le opinioni se sono oggetto di discussione ed approfondimento, diventano testimonianze. Ergo: Fatti. Con me le Opinioni cangianti e contrapposte diventano fatti. Con me la Cronaca diventa Storia. Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

## Made in Italy

### Studies in Popular Music

**Routledge** Made in Italy serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary Italian popular music. Each essay, written by a leading scholar of Italian music, covers the major figures, styles, and social contexts of pop music in Italy and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Italian popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Themes; Singer-Songwriters; and Stories.

## Ma che belle parole! Luciano Rispoli

### Il fascino discreto della radio e della TV

**Vallecchi - Firenze** La scommessa sulla radio e sulla TV Luciano Rispoli la fece fin dal 1954, anno di nascita ufficiale del piccolo schermo. Tra incarichi dirigenziali e l'ideazione-conduzione di programmi di successo (Parola mia e Tappeto volante su tutti), un'intera vita nell'ambito della comunicazione, dell'intrattenimento colto e del giornalismo popolare ai più alti livelli. In quasi sessant'anni di carriera divenne uno dei volti più noti e amati. E tuttora viene sovente citato per la sua esclamazione entusiastica «Ma che belle parole!» dinanzi alle dissertazioni linguistiche del professor Beccaria. È infatti divenuta frase idiomatica. A 90 anni della nascita, il 12 luglio 1932, raccontare in questo libro la parabola professionale di Luciano Rispoli, all'insegna della passione bruciante, significa attraversare e, in alcuni casi, ribaltare la storia dei mass media. A lui si devono la proposta del primo talk show in Italia con L'Ospite delle due, l'intuizione del titolo Bandiera gialla e del format La Corrida, mentre contro il parere del direttore Leone Piccioni diede vita allo storico, rivoluzionario Chiamate Roma 3131; in tal modo aprendo il mezzo radiofonico, fino ad allora molto formale, alla partecipazione diretta del pubblico. Nacque così la radio moderna, con ricadute anche sulla TV. Ed è proprio sul piccolo schermo che Rispoli arrivò ad acquisire una vasta popolarità mai disgiunta da senso della misura,

buon gusto, contenuti.

## Gadda Goes to War

## Translational Provocations Around An Emergency

Edinburgh University Press Introduces and analyses a stage performance of texts by Italian Modernist writer Carlo Emilio Gadda. When do we start going to war and why? And what did it mean to go to war from World War I to World War II and beyond, in Italy, before and after Mussolini, before and after, that is, that warring spirit of the age which keeps nations in fighting mode? Both time specific and universal, these questions are explored in this book through a unique combination of scholarly and theatrical performance based on the war diaries and a belated anti-Mussolini pamphlet by Italy's greatest Modernist writer Carlo Emilio Gadda (1893-1973). These works were adapted for the stage by actor, playwright and director Fabrizio Gifuni in 2010, and are now presented for the first time in English, supplemented with facing Italian text, a dvd of the performance with English subtitles, and an engaging, thought-provoking scholarly guide to Italy's own Joyce purposely produced for the Anglophone audience by the Edinburgh Gadda Projects Team. **Key Features** Introduces Italy's greatest Modernist writer to the Anglophone audience in five sections: Poetics, Circulation, Translation, Staging and Resources Provides a flexible teaching and learning aid for work across subject areas Presents the first significant new English Gadda translation since the 1960s Includes the original Italian texts (with facing English translation) and the dvd of the Italian performance (with English subtitles) Fabrizio Gifuni is one of Italy's leading actors. His career successfully combines cinema and theatre. In 2011 he was awarded the prestigious Federico Fellini Prize for his outstanding career in the arts. Federica G. Pedriali is Professor of Literary Metatheory and Modern Italian Studies and Head of Italian Studies at the University of Edinburgh. She is the Founder and Director of the Edinburgh Gadda Projects, General Editor of the Edinburgh Journal of Gadda Studies and Director of the Italo-Scottish Research Centre.

## Pino Daniele

## Una storia di blues, libertà e sentimento

Imprimatur editore Con le interviste esclusive a James Senese, Rino Zurzolo, Joe Amoruso, Gigi De Rienzo, Gianluca Podio, Ernesto Vitolo, Agostino Marangolo, Elisabetta Serio, Federico Zampaglione, Raffaele Cascone. «Sincerità, rabbia e sentimento. Pino ha dimostrato a tutti di essere un artista immenso, genuino, completo, ma soprattutto senza barriere o preconcetti. Nel mio piccolo, cerco di tener conto di ciò che ci ha regalato. E lo voglio raccontare in questo libro, perché devo ringraziare anche le sue canzoni se oggi i' mò sento 'a libbertà». Si è spento il 4 gennaio 2015, in un momento bello e intenso della sua carriera. Come già per il suo grande amico Massimo Troisi vent'anni prima, è stato il cuore a tradirlo. Quel cuore che ha battuto per la musica, per la famiglia, per Napoli e tutti i Sud del mondo. Dai primi successi che l'hanno consacrato leader del Naples power alle collaborazioni internazionali con grandi artisti come Eric Clapton, Chick Corea, Pat Metheny, Gato Barbieri e tantissimi altri, il suo è un percorso contrassegnato dalla ricerca continua di nuovi linguaggi, senza mai inseguire il successo facile. Un artista che si è speso con una generosità e una dedizione costanti - portate anche sul palco, in quei live sempre diversi, unici - e che ha vissuto lontano dalla mondanità, ma vicino alla gente. Nonostante il cuore malandato, Pino Daniele ha saputo mantenere una eccezionale freschezza di ragazzo che conquistava. Un musicista vero, più che un uomo di spettacolo, uno che fino all'ultimo giorno della sua vita ha continuato a svegliarsi la mattina per studiare la chitarra. Salvatore Coccoluto (Terracina, 1978) scrive di musica, libri, food e sport per il fatto quotidiano.it, oggi.it, il magazine «la Freccia» e radiowebitalia.it. È autore di Renzo Arbore e la radio d'autore. Tra avanguardia e consumo (2008), Il tempo della musica ribelle. Da Cantacronache ai grandi cantautori (2012) e Desiderio del nulla. Storia della new wave italiana (2014). Per Imprimatur

ha pubblicato Franco Califano. Non escludo il ritorno (2014) e Mia Martini. Almeno tu nell'universo (2015).

## Tarantula

Simon and Schuster **WINNER OF THE NOBEL PRIZE IN LITERATURE** Music legend Bob Dylan's only work of fiction—a combination of stream of consciousness prose, lyrics, and poetry that gives fans insight into one of the most influential singer-songwriters of our time. Written in 1966, *Tarantula* is a collection of poems and prose that evokes the turbulence of the times in which it was written, and offers unique insight into Dylan's creative evolution, capturing the stream-of-consciousness preoccupations of the legendary folk poet and his eclectic, erudite cool at a crucial juncture in his artistic development. It has since been welcomed into the Dylan canon, as Dylan himself has cemented his place in the cultural imagination, inspiring Todd Haynes's acclaimed 2007 musical drama *I'm Not There*, selling more than 100 million records, and winning numerous prizes, including the Nobel Prize for Literature in 2017. In his acceptance speech for the Nobel, Dylan acknowledged the early influence on his work of Buddy Holly and Lead Belly as well as of wide-ranging classics like *Don Quixote*, *All Quiet on the Western Front*, and *Moby Dick*. *Tarantula* is a rare chance to see Dylan at a moment in which he was still deeply connected to his country roots and a folk vernacular while opening himself up to the influence of French 19th-century Surrealist writers like Arthur Rimbaud and the Comte de Lautreamont. A decade before the confessional singer-songwriter who would create the 1975 epic, *Blood on the Tracks*—which was just optioned by filmmaker Luca Guadagnino—here is Dylan at his most verbally playful and radically inventive. Angry, funny, and strange, the poems and prose in this collection reflect the concerns found in Dylan's most seminal music—a spirit of protest, a poetic spontaneity, and a chronicling of the eccentric and the everyday—which continue to make him a beloved artist and cultural icon.

## Captain Britain

Captain Britain returns to fight alongside the Black Knight and Merlyn to save the fabled Camelot and Otherworld from the hideous hordes of Necromon! Plus, Captain Britain is reborn, as the acclaimed Alan Moore and Alan Davis begin their momentous run and Britain's hero faces the terrifying Fury! Collects *Hulk Comic Weekly* #42-55, 56-63, *Marvel Super Heroes* #387-388, *Daredevils* #1-11 and *The Mighty World of Marvel* #7-13.

## Dusty!

## Queen of the Postmods

Oxford University Press Dubbed the "White Queen of Soul," singer Dusty Springfield became the first British soloist to break into the U.S. Top Ten music charts with her 1964 hit "I Only Want To Be With You"—a pop classic followed by many others, including "You Don't Have to Say You Love Me" and "Son of a Preacher Man." Today she is usually placed within the history of the Beatles-led "British Invasion" or seen as a devoted acolyte of Motown. In this penetrating look at her music and career, Annie J. Randall shows how Springfield's contributions transcend the narrow limits of those descriptions and how this middle-class former convent girl became perhaps the unlikeliest of artists to achieve soul credibility on both sides of the Atlantic. Randall reevaluates Springfield's place in sixties popular music through close investigation of her performances as well as interviews with her friends, peers, professional associates, and longtime fans. As the author notes, the singer's unique look—blonde beehive wigs and heavy black mascara—became iconic of the mid-sixties postmodern moment in which identity scrambling and camp pastiche were the norms in swinging London's pop culture. Randall places Springfield within this rich cultural context, focusing on the years from 1964 to 1968, when she recorded her biggest international hits and was a constant presence on British television. The book

pays special attention to Springfield's close collaboration and friendship with American gospel singer Madeline Bell, the distinctive way Springfield combined US soul and European melodrama to achieve her own musical style and stage presence, and how her camp sensibility figured as a key element of her artistry.

## A New Guide to Italian Cinema

Springer This book is a complete reworking and update of Marga Cottino-Jones' popular *A Student's Guide to Italian Film* (1983, 1993). This guide retains earlier editions' interest in renowned films and directors but is also attentive to the popular films which achieved box office success among the public.

## History of Modern Architecture

MIT Press The format of this work is richly handsome: the two-volume set contains well over 1000 high-quality illustrations. This volume is concerned with the modern movement proper, from 1914 to 1966.

## As You Desire Me

Bloomsbury Publishing Elma is a singer in a sleazy 1930s Berlin nightclub. Having suffered an appalling assault during the First World War, she has no memory of her former life. A man appears and tells her that she is, in fact, the wife of an Italian aristocrat, and a new life awaits her. But when she goes to Italy to pursue this dream, she is greeted only by problems and disappointments. Pirandello uses this story to explore the mysteries of identity and memory, themes that preoccupied him throughout his life. Hugh Whitmore's version premiered in London's West End in 2005 in a production starring Kristen Scott Thomas and Bob Hoskins. His other plays include *Stevie*, *Pack of Liars*, *Breaking the Code* and *A Letter of Resignation*. He has also written many film and TV scripts.

## Miss O'Dell

## My Hard Days and Long Nights with The Beatles, The Stones, Bob Dylan, Eric Clapton, and the Women They Loved

Simon and Schuster **CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS. BUT SHE WAS THERE.** \* She was in the studio when the Beatles recorded *The White Album*, *Abbey Road*, and *Let It Be*, and she sang in the "Hey Jude" chorus. \* She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. \* She's the subject of Leon Russell's "Pisces Apple Lady." \* She worked for the Rolling Stones on their infamous 1972 tour and did a drug run for Keith Richards. \* She's "the woman down the hall" in Joni Mitchell's song "Coyote," the "mystery woman" pictured on the Stones album *Exile on Main Street*, and the "Miss O'Dell" of George Harrison's song. The remarkable, intimate story of an ordinary woman who lived the dream of millions—to be part of rock royalty's inner circle—Miss O'Dell is a backstage pass to some of the most momentous events in rock history.

## Stars of 80s Dance Pop - The European Edition

*Stars of 80s Dance Pop - The European Edition* is a fascinating look at the artists behind the massive creative revolution that swept mainland Europe and Britain's pop music scene beginning early in the 1980s. Merging rock, new wave, disco, worldbeat, and classical sounds, an exciting new era of electronic dance-pop recordings caused an international sensation. No cultural or political border could contain the popularity of this genre's artists or their hits. More than 50 of the period's defining singers, songwriters, producers, and industry professionals share fascinating memories of their lives and accomplishments. Participants include Pete Burns of *Dead Or Alive*, Thomas Anders of *Modern Talking*, Fab Morvan of *Milli Vanilli*, Liz Mitchell of *Boney M.*, Jennifer Rush, Sabrina, Harriette Weels of *MaiTai*, Ryan Paris, PWL Mixmaster Phil Harding, Yaz, Taco, Desireless, Hazell Dean, Spagna, Fancy, Amii Stewart, Pedro Marin, Lee John of *Imagination*, Fancy, Caroline Loeb, Gazebo, Jo Bogaert of *Technotronic*, Five Star's Stedman Pearson, Jaki Graham, Engelbert Humperdinck, Audrey Landers, Academy Award winner Mel Brooks, and many more."

## The Cambridge Companion to Modern Italian Culture

Cambridge University Press This collection of essays provides a comprehensive account of the culture of modern Italy. Contributions focus on a wide range of political, historical and cultural questions. The volume provides information and analysis on such topics as regionalism, the growth of a national language, social and political cultures, the role of intellectuals, the Church, the left, feminism, the separatist movements, organised crime, literature, art, design, fashion, the mass media, and music. While offering a thorough history of Italian cultural movements, political trends and literary texts over the last century and a half, the volume also examines the cultural and political situation in Italy today and suggests possible future directions in which the country might move. Each essay contains suggestions for

further reading on the topics covered. The Cambridge Companion to Modern Italian Culture is an invaluable source of materials for courses on all aspects of modern Italy.

## Folklore by the Fireside

### Text and Context of the Tuscan Veglia

[University of Texas Press](#) For centuries, social life in rural Tuscany has centered around the veglia, an evening gathering of family and friends at the hearth. *Folklore by the Fireside* is a thorough and insightful study of this custom—from the tales, riddles, lullabies, and folk prayers performed as the small children are put to bed to the courtship songs and dances later in the evening to the anti-veglia male gossip, card games, and protest songs originating in the tavern. Alessandro Falassi skillfully correlates the veglia to the rites of passage and family values of an agrarian society. Although the impact of mass media and other factors has tended to weaken the tradition, even today Tuscan children are taught to behave and adolescents are guided along the conventional path to adulthood, courtship, and marriage through veglia folklore. This is the first work to deal systematically with Tuscan folklore from a semiotic and structural viewpoint and to examine the veglia as a means of handing down traditional values. It is important not only for its careful, detailed description but also for its rigorous methodology and theoretical richness.

## ME: mondo economico

### William S. Burroughs and the Cult of Rock 'n' Roll

[Hachette UK](#) William S. Burroughs's fiction and essays are legendary, but his influence on music's counterculture has been less well documented—until now. Examining how one of America's most controversial literary figures altered the destinies of many notable and varied musicians, *William S. Burroughs and the Cult of Rock 'n' Roll* reveals the transformations in music history that can be traced to Burroughs. A heroin addict and a gay man, Burroughs rose to notoriety outside the conventional literary world; his masterpiece, *Naked Lunch*, was banned on the grounds of obscenity, but its nonlinear structure was just as daring as its content. Casey Rae brings to life Burroughs's parallel rise to fame among daring musicians of the 1960s, '70s, and '80s, when it became a rite of passage to hang out with the author or to experiment with his cut-up techniques for producing revolutionary lyrics (as the Beatles and Radiohead did). Whether they tell of him exploring the occult with David Bowie, providing Lou Reed with gritty depictions of street life, or counseling Patti Smith about coping with fame, the stories of Burroughs's backstage impact will transform the way you see America's cultural revolution—and the way you hear its music.

## No Future

### Punk, Politics and British Youth Culture, 1976–1984

[Cambridge University Press](#) An innovative history of British youth culture during the 1970s and 1980s, charting the full spectrum of punk's cultural development.

## Italia contemporanea

### Civiltà delle macchine

### Homosexuality and Italian Cinema

### From the Fall of Fascism to the Years of Lead

[Springer](#) This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

## When Trash Becomes Art

### TRASH Rubbish Mongo

The result of painstaking research by Lea Vergine, this volume explores the meaning of the "trash" phenomenon in contemporary art from the early 20th century (Boccioni, Carrà, Depero, Picabia, Schwitters), through the Sixties and Seventies (Burri, Kounellis, Fontana, Vautier, Rotella, César, Arman, Manzoni, Pistoletto, Beuys, Spoerri), and up to the present (Cragg, Parmiggiani, Boltanski, Sherman, Bourgeois, Serrano, Cattelan). It examines the challenge launched by these artists, who use waste as a material for creating art. In an era marked by great concern about the environment, the artistic use of the discarded object expresses the alienation and distress that appear to be eroding the wantonly consumeristic social model represented by the West. Recovering and preserving refuse is a means of trying to hold on to it, of making it survive by saving it from a void, from being nothing, from the dissolution to which it is destined; it is about the desire to leave a mark, a trace, a clue for those who remain, hence touching a dimension that is psychological as well as political.

### Theory of the Novel

Harvard University Press In his theory of the novel, Guido Mazzoni explains that novels consist of stories told in any way whatsoever about the experiences of ordinary men and women who exist as contingent beings within time and space. Novels allow readers to step into other lives and other versions of truth, each a small, local world, absolute in its particularity.

### Umberto Eco and the Open Text

### Semiotics, Fiction, Popular Culture

Cambridge University Press Umberto Eco is Italy's most famous living intellectual, known among academics for his literary and cultural theories, and to an enormous international audience through his novels, *The Name of the Rose*, *Foucault's Pendulum* and *The Island of the Day Before*. *Umberto Eco and the Open Text* is the first comprehensive study in English of Eco's work. In clear and accessible language, Peter Bondanella considers not only Eco's most famous texts, but also many occasional essays not yet translated into English. Tracing Eco's intellectual development from early studies in medieval aesthetics to seminal works on popular culture, postmodern fiction, and semiotic theory, he shows how Eco's own fiction grows out of his literary and cultural theories. Bondanella cites all texts in English, and provides a full bibliography of works by and about Eco.

### Letters on Familiar Matters

Italica Press
