One practical way of doing this is by way of what I call Marriage Meetings.Introducing: Marriage MeetingsA marriage meeting is where your potential partner and yourself, plus two additional people get together in order to learn about each other. The questions in this guide will be how you learn about each other without missing anything important. Just as a pilot has a checklist before takeoff you have a checklist before getting married. You don't have to understand how it works, just have faith that it does and should you prevail and still marry this person opposite you then I can promise you that you will have a very high chance of a successful marriage.What's the purpose of a marriage meeting?Most relationships fail gradually. Over time, you learn new things about your partner, some of which are not to your liking and thus negativity and regret starts to build up, eventually leading to the failure of that relationship.Marriage meetings allow you to get all the skeletons/demons out of the closet before any commitment is made.Where should this meeting take place?The marriage meeting should take place somewhere public. It is absolutely important that you are not hidden away and there should be a safe and comfortable way for one party to leave should they choose to. Pick somewhere quiet like a coffee shop, a park etc, somewhere populated but not too busy as to cause distraction or inconvenience.Who will attend?Both of you should bring one additional person. Let's call them your "check-mate"; the mate who keeps you in check! This is a responsible person who will have a level head and look out for your best interests. Choose someone who will not hesitate to scrutinise the other person, ask the questions maybe you will shy away from and ensure your are being the real you. This person must be your senior though not necessarily age wise. This could be a colleague, a boss, a family friend, a senior family member or maybe someone of high standing from within your community. The person you bring must be someone you trust and you must listen to them when they bring up concerns. They must absolutely not be a yes man who will just go along with what you say otherwise they are useless to you.Marriage Meetings are not datesThese meetings are not to be confused with dates. During dates, one tends to woo and aim to please their potential partner in what I refer to the human equivalent of the mating dance. But in marriage meetings, one should set out to ask the questions so as to get a clear picture of their

potential partner's stance in comparison to your own. Why Marriage Meetings work and Conclusion I have done this personally and it has turned out quite awesome. To me, this is the practical method of getting married. Some may not agree with my methodology and to them, I wish good luck. I am not here to say things that people want to hear but to make you happy in the long term. I call it tough love. The reason Marriage Meetings work is because you have no commitment with your potential spouse. In most modern relationship people want to ask these questions but they don't due to fear of rejection or a backlash. If your potential spouse is hesitant to follow this guide and methodology then perhaps they're not sincere about you or marriage. Should you come up with a question of your own that I have not covered, ask it and let me know too so I can add it to this guide. Marriage is a life commitment and having a sudden crush is not good enough to sustain it; A marriage must go deeper than that. Continue inside the Book: How the marriage guide came into being..... But independent fieldwork in Botswana convinced her of the central role of the traditional customary legal system that stands alongside the colonial common law of courts and magistrates she was examining in her course. In the first comparative work on these two systems, Griffiths shows how the structure of both legal institutions is based on power and gender relations that heavily favor males. Griffiths's analysis is based on careful observation of how people actually experience the law as well as the more standard tools of statutes and cases familiar to Western legal scholars. She explains how women's access to law is determined by social relations over which they have little control. In this powerful feminist critique of law and anthropology, Griffiths shows how law and custom are inseparable for Kwena women. Both colonial common law and customary law pose comparable and constant challenges to Kwena women's attempts to improve their positions in society. **"David, Did You Know?"** *Dorrance Publishing* "David, Did You Know?" by David Edward Keeseey David Edward Keeseey acknowledged God's presence early in his life, having received Jesus Christ in his life as his Lord and Savior at the age of twelve. These experiences take him from fashionable Washington soirees to the bloody trenches of Petersburg, Virginia, but his emotional journey is even longer and more difficult. Then, I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U.S. Navy on three other different naval vessels, but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis. My life in sports, approximately 16 years "moonlighting" as a photojournalist, my college education, followed by 12 years as executives with the Chicago White Sox (5) and Cubs (7), concluding with one of several ownerships of small companies rounded out my interesting career. I originally planned to continue with my three trips to the Vietnam and Korean Wars, including my injury and sad losses of shipmates and friends. Then, go to my childhood, parenthood, many exciting careers, etc., etc., etc. However, it didn't take too long for me to decide the categories overlap in too many places. Hence, A few years later Elvis Presley arrived on the planet and eventually became internationally famous there. Memphis, long known as the Home of the Blues, was to become also famous as the home of the King of Rock n Roll. My first high school, Whitehaven, is only a few blocks from Elvis Graceland. And, my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s. Although only a senior-to-be in high school, the Korean War found me an early enlistee. Why? Because I was a youngster almost entering teenage during World War II. Everything was thrilling about the big one for a boy that age. All the toys were guns, tanks, jeeps, warplanes, etc. The war movies were always exciting and, in most cases, the hero ended up with the female star. As I was a young budding teenager, females were becoming of more interest in my life. I have never met any male whose sex life began earlier than mine (older girls are great teachers). Also, the U.S. Navy aircraft pilots were my idols. Landing airplanes on a sea-going vessel was my kind of challenge. I was so hooked that I joined the Navy to become a fighter pilot. The recruiter was surprised at how I could identify all aircraft of nations involved in WWII. I even memorized the horsepower of power plant(s), plus the cruising and maximum speed, of each airplane. My favorite was our Corsairs F4U, a gull-winged propeller fighter. It never occurred to me until this moment, recalling this tidbit, but one of these planes almost killed me. However, the moonlighting (working a civilian job at night) on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball. There is no doubt about it, my leash of life is anchored to the sportsworld. My youth was playing or inventing sports orientated things. It gave me a second glance by people in the sportswriting and sportscasting fields. This all led to sports columnist and sports editor jobs in the newspaper business. This, along with learning the print business,

was not only a challenge -- which I always relished -- but was mucho fun. The many hours and stress involved led to more and more alcohol. Which definitely made a honky tonk man out of me where there is plenty of wine, women, and song. The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography. I wasn't able to attend college fulltime until I finished my 20 years in the U.S. Navy. Then finishing With Honors gave my mother extreme pride after her total education was a small (12 total students) high school in sticks of Mississippi. I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago. **Before You Save the Date 21 Questions to Help You Marry with Confidence Before We Get Married Workbook Laying the Foundation for an Exceptional Marriage** In a committed relationship? By addressing the common romantic pitfalls early, couples can avoid the compounding effect of pain, self-protection, lashing out, and ultimately a failed or failing relationship. Similar to exercising and healthy eating to avoid having to face a major health issue, we can do intentional pre-work on our relationships to ensure we avoid the major pitfalls most couples face." -Blair Reynolds **Again, Alabama** *Tule Publishing* Cammie Laroux is back in Alabama—again. It is also a thriller and mystery. To make matters even better, it is a great historical novel. Synopsis: The brutality of WWII Yugoslavia leads to the brutal murder of two apparently innocent men in northern Minnesota fifty years after the war. Deputies Debra Slater and Dave Swanson have no idea where their investigation will carry them. **The Shadow of Victory: A Romance of Fort Dearborn** *Library of Alexandria* It was a long, low room, with a fireplace, roughly built of limestone, at one end of it. The blazing logs illuminated one corner and sent strange shadows into the others, while the winter wind moaned drearily outside. At the right and left of the fireplace were rude counters, hewn from logs, resting on stumps of unequal height, and behind them were shelves, packed with the sordid miscellany of a frontier trading-post. A closed door on either side seemingly led to other apartments, but there was no sound save the wind and the crackle of the flames. A candle, thrust into the broken neck of a bottle, gave a feeble light to a little space around one end of the counter on which it stood. The rafters were low—so low that a tall man, standing on tiptoe, might easily unhook the smoked hams and sides of bacon that hung there, swaying back and forth when the wind shook the house. Walls, ceiling, and floor were of logs, cut into a semblance of smoothness. The chinks were plastered with a bluish clay, and the crevices in the floor were filled with a mixture of clay and small chips. At the left of the chimney was a rude ladder which led to the loft through an opening in the ceiling. Fingers of sleet tapped at the glass, swirling phantoms of snow drifted by, pausing for a moment at the windows, as if to look within, and one of the men moved his chair closer to the fire. **The London Journal: and Weekly Record of Literature, Science, and Art Love Finds a Way** *Xulon Press* **A Life Sentence** *BoD - Books on Demand* Reproduction of the original: A Life Sentence by Adeline Sergeant **Flight from Destiny Psalmwriter the Chronicles of David** *Xlibris Corporation* You may remember David as the boy who killed the giant with a slingshot. You may see him as the King of Israel. You may know that many of the Psalms are attributed to him. However, do you know how those Psalms were written? Did he just sit down one day and decide to write a nice Psalm? Nothing could be further from the truth. The Psalms were a natural part of his everyday experiences in prayer, admonition to the public, discourses with friends and music. **Flight from Destiny Psalmwriter: The Chronicles of David, Book I** is the first volume of a six volume devotional novel on David and his life. The boy who became a king may amaze you not because he was extraordinary, but because he was so ordinary. He was just like each of us. Here is a boy who made his way through adolescence to manhood by the skin of his teeth. He fell in love and then lost his love. He acted crazy in front of royalty, showed great courage in facing the giant and yet was scared to death of those who hunted him for one purpose - to kill him. A number of hair-raising, exciting adventures - several of which bring him close to death will keep you on the edge of your seat. You may cry, but you will surely laugh at some of the hilarious situations in which he and those around him find themselves. Sometimes a person just needs to face life as it is and go on. David had a hard time with this thought. For years, he felt his anointing by Samuel had been for the purpose of killing the giant. He resisted the thought that it was for any other undertaking. This was not the destiny of a shepherd. Heroes were the ones who should become kings. Yet during this confusing time of his young adult years, he encounters four men that will have a mighty impact on his life. One of them will save his life and another of them will have the audacity to tap the warrior's chest in chastisement. Who will save the man and his followers when they are backed up against a chasm with six thousand soldiers against them? The answer may surprise you. Get ready to empathize with David. Be prepared to experience his heartache, self-doubt, loneliness, despair, defeat and depression as well as his life of praise, prayer and victory. We will look in on his marital problems and raise his children with him. If we are ordinary like the man of this volume, then we may just see ourselves running from life sometimes - discouraged and defeated. We question God and search for him. In fear, we run from life's problems and although we may not have someone trying to kill us, we still struggle with our marriages and our children. We still hurt terribly when we have lost that mate or that best friend. We want to know what God's will is for us and how not to succumb to temptation and then when we do fall - how to come back to God with a contrite heart. **First Love And High Adventure** *Dorrance Publishing* **Relationship Smart Love, Courtship, and Marriage for Every Woman** *WestBow Press* Life is all about relationships.
