#### UPSIDE DOWN INSIDE OUT

---

[Pan Macmillan](#) **Eva Kennedy is in a rut. After seven years of working at her uncle's Dublin delicatessen, her artistic aspirations have slipped by the wayside and her latest relationship has fizzled. Whatever happened to the Eva who was going to be someone? Hoping to shake things up and find inspiration, Eva takes a break and ventures to Melbourne, Australia, to visit an old friend who, for fun, gives Eva an exciting new identity. Eva is now exotic and adventurous and ... not herself. Joseph Wheeler is a successful London designer. Unfortunately his firm is thriving at such a high level that he doesn't have time to actually design anymore. And his love life is nonexistent. In Australia on business, Joseph meets Eva, and the sparks fly - even as Eva is stuck pretending to be someone she's not. Little does she know that Joseph has some secrets of his own... When what starts as a holiday fling quickly blossoms into something more, Joseph and Eva discover that romance can turn life upside down and inside out at the bottom of the world.**

#### THE BRAIN FROM INSIDE OUT

---

[Oxford University Press, USA](#) **Is there a right way to study how the brain works? Following the empiricist's tradition, the most common approach involves the study of neural reactions to stimuli presented by an experimenter. This 'outside-in' method fueled a generation of brain research and now must confront hidden assumptions about causation and concepts that may not hold neatly for systems that act and react. György Buzsáki's The Brain from Inside Out examines why the outside-in framework for understanding brain function have become stagnant and points to new directions for understanding neural function. Building upon the success of Rhythms of the Brain, Professor Buzsáki presents the brain as a foretelling device that interacts with its environment through action and the examination of action's consequence. Consider that our brains are initially filled with nonsense patterns, all of which are gibberish until grounded by action-based interactions. By matching these nonsense "words" to the outcomes of action, they acquire meaning. Once its circuits are "calibrated" by action and experience, the brain can disengage from its sensors and actuators, and examine "what happens if" scenarios by peeking into its own computation, a process that we refer to as cognition. The Brain from Inside Out explains why our brain is not an information-absorbing coding device, as it is often portrayed, but a venture-seeking explorer constantly controlling the body to test hypotheses. Our brain does not process information: it creates it.**

#### DOCTORS AND PATIENTS - AN ANTHOLOGY

---

[CRC Press](#) **This is a wonderful collection of stories about doctors and patients, including many by world-famous authors who were also physicians, such as Oliver Sacks, Anton Chekhov and Arthur Conan Doyle. Always moving, entertaining and informative, and sometimes troubling, these remarkable stories will appeal to anyone with an interest in health, illness and medical care. They also provide essential core material for those studying doctor-patient communication, the literature of medicine and medical humanities. The stories,**

some written from the doctor's viewpoint, some from that of the patient, illuminate the warmth and compassion - but also the many problems - in relationships between doctors and patients, both in the past and today. **Doctors and Patients: an anthology** is enjoyable, fascinating and enlightening - for oneself, and for friends and partners, whether healthcare professionals or interested general readers.

#### THE FUTURE OF HISTORICAL DEMOGRAPHY

---

---

#### UPSIDE DOWN AND INSIDE OUT

---

This volume aims to provide inspiration for the future of historical demography. Prominent scholars were invited to reflect critically on where the discipline of historical demography stands now, to reproach us for what we have missed, to indicate key trends in research we must engage with, and to stimulate us to link our future work to other disciplines. Authors were asked to write a provocative pamphlet for the future and to think outside the normal academic boxes. Here the authors present 60 provoking ideas.

#### LIVING THOUGHT

---

---

#### THE ORIGINS AND ACTUALITY OF ITALIAN PHILOSOPHY

---

[Stanford University Press](#) The work of contemporary Italian thinkers, what Roberto Esposito refers to as Italian Theory, is attracting increasing attention around the world. This book explores the reasons for its growing popularity, its distinguishing traits, and why people

are turning to these authors for answers to real-world issues and problems. The approach he takes, in line with the keen historical consciousness of Italian thinkers themselves, is a historical one. He offers insights into the great "unphilosophical" philosophers of life—poets, painters, politicians and revolutionaries, film-makers and literary critics—who have made Italian thought, from its beginnings, an "impure" thought. People like Machiavelli, Croce, Gentile, and Gramsci were all compelled to fulfill important political roles in the societies of their times. No wonder they felt that the abstract vocabulary and concepts of pure philosophy were inadequate to express themselves. Similarly, artists such as Dante, Leonardo Da Vinci, Leopardi, or Pasolini all had to turn to other disciplines outside philosophy in order to discuss and grapple with the messy, constantly changing realities of their lives. For this very reason, says Esposito, because Italian thinkers have always been deeply engaged with the concrete reality of life (rather than closed up in the introspective pursuits of traditional continental philosophy) and because they have looked for the answers of today in the origins of their own historical roots, Italian theory is a "living thought." Hence the relevance or actuality that it holds for us today. Continuing in this tradition, the work of Roberto Esposito is distinguished by its interdisciplinary breadth. In this book, he passes effortlessly from literary criticism to art history, through political history and philosophy, in an expository style that welcomes non-philosophers to engage in the most pressing problems of our times. As in all his works, Esposito is inclusive rather than exclusive; in being so, he celebrates the affirmative potency of life.

### THE WORLD UPSIDE DOWN IN 16TH-CENTURY FRENCH LITERATURE AND VISUAL CULTURE

---

[BRILL](#) In *The World Upside Down* Vincent Robert-Nicoud offers an account of the topos of the world upside-down in sixteenth-century French literature and visual culture with reference to the social, political, and religious turmoil of the period.

### UPSIDE DOWN

---

[Hachette UK](#) If you never get lost, you'll never be found... Twenty-one-year-old Natalia Stolfi is saying good-bye to the past-and turning her life upside down with a trip to the land down under. For the next six months, she'll act like a carefree exchange student, not a girl sinking under the weight of painful memories. Everything is going according to plan until she meets a brooding surfer with hypnotic green eyes and the troubling ability to see straight through her act. Bran Lockhart is having the worst year on record. After the girl of his dreams turned into a nightmare, he moved back home to Melbourne to piece his life together. Yet no amount of disappointment could blind him to the pretty California girl who gets past all his defenses. He's never wanted anyone the way he wants Talia. But when Bran gets a stark reminder of why he stopped believing in love, he and Talia must decide if what they have is once in a lifetime . . . or if they were meant to live a world apart.

---

### THE UPSIDE DOWN HAT

---

[Chronicle Books](#) *The Little Prince meets Journey* in this gorgeous, reassuring picture book fable about loss, perseverance, and finding what matters most. What happens to a boy who has nothing but a hat? Everything. A boy wakes up one morning and finds that everything he owns has gone missing. With nothing but a simple green hat, the boy journeys through distant landscapes, searching high and low for the things he has lost. Along the way he discovers that perhaps everything he needs has been with him all along. Stephen Barr makes his debut in this achingly poignant and deeply profound fable of one boy's adventure to recover his life's treasures. With vibrant illustrations by Gracey Zhang and a subtle message about hopeful perseverance, this book is an exquisite, emotional journey through loss, persistence, and discovering what's truly essential. **TIMELESS PICTURE BOOK:** Deeply reflective, sparingly written, and beautifully illustrated, this tale will strike a chord with its poignant storytelling. It's a picture book for any reader, of any age, at any time. **A FABLE FOR THE AGES:** Reminiscent of the stories of Aesop's Fables, this book touches on universal themes of the human condition and shares a heartfelt message that is effortless but hopeful. Readers will come away thinking differently about what they own, what they need, and what they hold most dear. **NEW VOICE IN CHILDREN'S BOOKS:** Debut author Stephen Barr brings years of experience working with authors as a literary agent to craft this gem of a picture book that will resonate with fans of classic children's stories. **IMMERSIVE ILLUSTRATION:** Gracey Zhang's spellbinding art illuminates every step of the story, immersing the reader in a gorgeously rendered world that feels familiar yet utterly unique. Perfect for: • Parents interested in teaching their kids about loss and gratitude • Children who like fables/myths • Readers who love losing themselves in immersive picture book art • Readers looking for a modern classic picture book • Fans of William Steig, Erin and Philip Stead, and the Chronicles of Narnia • Educators and librarians looking for a magical, engaging read-aloud

---

### JUST LOVE ME

---

### MY LIFE TURNED UPSIDE DOWN BY ALZHEIMER'S

---

[Purdue University Press](#) *Just Love Me* reveals the thoughts and emotions of a woman struggling with a suddenly unmanageable life; numerous hospitalizations, suicide attempts, everyday turmoil, and finally, the arduous search for an accurate diagnosis. By looking at the youthful, vital, attractive women before them, for years doctors never suspected the culprit to be Alzheimer's disease (AD). This account is unique in that most books on the subject of Alzheimer's are written by a care partner or medical professional. Lee's book joins only a handful of other accounts written by person's living with early-stage dementia. *Just Love Me* should be required reading for anyone who has any contact with a person afflicted with AD, whether by birth, marriage, friendship, or a professional relationship. Jeanne Lee's very personal, frank description of her life experiences before, approaching, and during the early stages of AD enables readers to better understand the disease from the inside out; a view not often seen by non-sufferers. By getting inside the mind of the author and experiencing with her the worries and frustrations that constantly torment her, the symptoms of AD become less enigmatic for the reader.

### PRAYING UPSIDE DOWN

---

---

## A CREATIVE PRAYER EXPERIENCE TO TRANSFORM YOUR TIME WITH GOD

---

[NavPress](#) When you talk to God, do you ever wonder if He really hears? Do your prayers start to feel rote or routine? Do you sometimes feel you don't even know how to pray? Jesus is known for turning situations upside down . . . and He can do the same in your prayer life. Your perspective on prayer and faith may never be the same again when you read artist and designer Kelly O'Dell Stanley's delightfully accessible, innovative new book *Praying Upside Down*. Stanley uses imagery, simple techniques, and artwork to help you see God like never before and move your prayer life away from the preconceived and expected to a new level of intimacy. *Praying Upside Down* offers a fresh chance to learn something new, hear an answer you didn't anticipate, and experience God in a more real, tangible way.

---

## THE WORLD TURNED UPSIDE DOWN

---

---

### THE GLOBAL BATTLE OVER GOD, TRUTH, AND POWER

---

[Encounter Books](#) In what we tell ourselves is an age of reason, we are behaving increasingly irrationally. An astonishing number of people subscribe to celebrity endorsed cults, Mayan armageddon prophecies, scientism, and other varieties of new age, anti-enlightenment philosophies. Millions more advance popular conspiracy theories: AIDS was created in a CIA laboratory, Princess Diana was assassinated, and the 9/11 attacks were an inside job. In *The World Turned Upside Down*, Melanie Phillips explains that the basic cause of this explosion of irrationality is the slow but steady marginalization of religion. We tell ourselves that faith and reason are incompatible, but the opposite is the case. It was Christianity and the Hebrew Bible, Phillips asserts, that gave us our concepts of reason, progress, and an orderly world on which science and modernity are based. Without its religious traditions, the West has drifted into mass derangement where truth and lies, right and wrong, victim and aggressor are all turned upside down. Scientists skeptical of global warming are hounded from their posts, Israel is demonized, and the US is vilified over the war on terror—all on the basis of blatant falsehoods and obscene propaganda. Worst of all, asserts Phillips, this abandonment of rationality leaves the West vulnerable to its legitimate threats. Faced with the very real challenges of spiraling demographics and violent, confrontational Islamism, the West is no longer willing or able to defend the modernity and rationalism that it once brought into being.

---

## WHEN THE WORLD TURNED UPSIDE DOWN

---

[Scholastic Press](#) A heartwarming, feel-good story of friendship and overcoming adversity in a time of COVID, this is a book about community, giving back, and understanding the world around us through the power of generosity from debut author K. Ibura. With one little announcement from their fourth-grade teacher, Shayla, Liam, Ben, and Ai's world turned upside down. Now, with school on hold due to a strange virus that they don't quite understand, the only semblance of safety they feel is knowing that they have one another in their apartment complex. But as each of them head home and experience their own version of confinement, it becomes very real. And as their individual struggles grow, they need each other now more than ever. Very soon, they discover that they're not the only ones who need a little help. Banded together, the friends find ways to help others struggling in their building. And one by one, they do their part in making their neighbors feel just a little bit safer. As the world becomes more complex, as protests take the streets, Shayla, Liam, Ben, and Ai do everything they can to better understand the world around them and the people around them in order to discover the power and comfort that understanding and generosity can bring.

---

## UPSIDE DOWN

---

---

### A PRIMER FOR THE LOOKING-GLASS WORLD

---

[Metropolitan Books](#) From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire Trilogy*, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

[Univ. of Queensland Press](#) Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

---

### INSIDE OUT AND UPSIDE DOWN

---

---

## POEMS

---

---

### UPSIDE-DOWN DEVOTION

---

---

### EXTREME ACTION FOR A REMARKABLE GOD

---

[New Hope Publishers](#) Taylor Field takes us with him in his provocative probe into Scripture, where he writes, "God turns our normal expectation of devotion and worship on its head." Often, we think of worship and devotion as attending church, singing, journaling, and so on. Yet *Upside-Down Devotion* reports that unless we stand for those in trouble, we have missed what pleases God—and that God actually hates our signs of devotion, despises our worship, and rather finds it disgusting. Coining the word do-voted, Field's fresh narrative, based on 25 years of ministry experience and service to thousands of individuals, including people on the Lower East Side of Manhattan, will have readers changing perspective on how to define worship.

---

**THE UPSIDE OF BEING DOWN**

---

**HOW MENTAL HEALTH STRUGGLES LED TO MY GREATEST SUCCESSES IN WORK AND LIFE**

---

[Gallery Books](#) **A NEW YORK TIMES BESTSELLER** An entertaining, humorous, and inspirational memoir by the founder and chief creative officer of the multimillion-dollar lifestyle brand ban.do, who “has become a hero among women (and likely some men too) who struggle with mental health” (Forbes). After graduating from college, Jen Gotch was living with her parents, heartbroken and lost, when she became convinced that her skin had turned green. Hallucinating that she looked like Shrek was terrifying, but it led to her first diagnosis and the start of a journey towards self-awareness, acceptance, success, and ultimately, joy. With humor and candor, Gotch shares the empowering story of her unlikely path to becoming the creator and CCO of a multimillion-dollar brand. From her childhood in Florida where her early struggles with bipolar disorder, generalized anxiety, and ADD were misdiagnosed, to her winding career path as a waitress, photographer, food stylist, and finally, accidental entrepreneur, she illuminates how embracing her flaws and understanding the influence of mental illness on her creativity actually led to her greatest successes in business and life. Hilarious, hyper-relatable, and filled with fascinating insights and hard-won wisdom on everything from why it’s okay to cry at work to the myth of busyness and perfection to the emotional rating system she uses every day, Gotch’s inspirational memoir dares readers to live each day with hope, optimism, kindness, and humor.
