KEY=TOTAL - CAROLYN BECK

THE BENEFITS OF FRIENDS

INSIDE THE COMPLICATED WORLD OF TODAY'S SORORITIES AND FRATERNITIES

UNC Press Books In 2011, Jana Mathews's career took a surprising turn. What began as an effort for a newly minted college professor to get to know her students turned into an invitation to be initiated into a National Panhellenic Conference sorority and serve as its faculty advisor. For the next seven years, Mathews attended sorority and fraternity chapter meetings, Greek Week competitions, leadership retreats, and mixers and formals. She also counseled young men and women through mental health crises, experiences of sexual violence, and drug and alcohol abuse. Combining her personal observations with ethnographic field analysis and research culled from the fields of sociology, economics, and cognitive psychology, this thought-provoking book examines how white Greek letter organizations help reshape the conceptual boundaries of society's most foundational relationship categories—including friend, romantic partner, and family. Mathews illuminates how organizations manipulate campus sex ratios to foster hookup culture, broker romantic relationships, transfer intimacy to straight same-sex friends, and create fictive family units that hoard social and economic opportunity for their members. In their idealized form, sororities and fraternities function as familial surrogates that tether their members together in economically and socially productive ways. In their most warped manifestations, however, these fictive familial bonds reinforce insularity, entrench privilege, and—at times—threaten physical safety.

TOTAL FRAT MOVE

Hachette UK Put simply, it's time for a national update on college fraternities. Greek life today makes Animal House look like a Pixar movie. The amount of alcohol that is being consumed, promiscuous sex that is being enjoyed, and intense drug-induced raging that is taking place on campuses across the country has quietly reached ridiculous new heights. Written with the goal of being the most fun you've ever had reading a book, Total Frat Move pulls back the curtain on this world of hard-partying American decadence. The stories are unabashed. They are hilarious. And they are going to blow you away. You're welcome, world.

NINETEEN EIGHTY-FOUR

epubli "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

DEMOCRACY AND EDUCATION

Read Books Ltd This antiquarian volume contains a comprehensive treatise on democracy and education, being an introduction to the 'philosophy of education'. Written in clear, concise language and full of interesting expositions and thought-provoking assertions, this volume will appeal to those with an interest in the role of education in society, and it would make for a great addition to collections of allied literature. The chapters of this book include: 'Education as a Necessity of Life'; 'Education as a Social Function'; 'Education as Direction'; 'Education as Growth'; 'Preparation, Unfolding, and Formal Discipline'; 'Education as Conservative and Progressive'; 'The Democratic Conception in Education'; 'Aims in Education', etcetera. We are republishing this vintage book now complete with a new prefatory biography of the author.

MEIN KAMPF

Diamond Pocket Books Pvt Ltd 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

THE BROTHERS KARAMAZOV

First Avenue Editions Four brothers reunite in their hometown in Russia. The murder of their father forces the brothers to question their beliefs about each other, religion, and morality.

FRAT WARS

KING OF THIEVES

May Books We're basically Romeo and Juliet. But dudes. And without all the dying. ChadBeing VP of Sigma Beta Psi is wild. I get all the benefits of being in charge with hardly any of the responsibility.Parties, pranks, and frat politics-college life has never been sweeter.Until I meet Bailey Prince.He has the face of a goddamn angel. I don't know where he came from or why I'm so obsessed.But I do know he's a Kappa.And our houses have a rivalry that's written into legend.BaileyAt Rho Kappa Tau, I'm a legacy.It's a lot of

pressure, but I've always been responsible, never had that rebellious need to rock the boat, and I like it that way. But after a party at Sigma-the jock frat-I meet Chad Doomsen, and for the first time in my life I want to step outside my square. Our houses have always had a rivalry, but some of the guys seem to hate Chad specifically, and I don't know why. He's surprisingly sweet and kind. At least to me. I need to stay away. A relationship with Chad would be betraying the very legacy that brought me here. But I can't help myself. And it seems, neither can he. Frat Wars is a romance between MCs from rival houses. It has friendly competitions, no hazing, and a swoony romance kept secret.

FRATELLI TUTTI

BEAUTIFUL DISASTER SIGNED LIMITED EDITION

A NOVEL

Simon and Schuster Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

THE CROWD

A STUDY OF THE POPULAR MIND

The Floating Press The following work is devoted to an account of the characteristics of crowds. Organized crowds have always played an important part in the life of peoples, but this part has never been of such moment as at present. The substitution of the unconscious action of crowds for the conscious activity of individuals is one of the principal characteristics of the present age. Crowds, doubtless, are always unconscious, but this very unconsciousness is perhaps one of the secrets of their strength. In the natural world beings exclusively governed by instinct accomplish acts whose marvelous complexity astounds us. Reason is an attribute of humanity of too recent date and still too imperfect to reveal to us the laws of the unconscious, and still more to take its place. The part played by the unconscious in all our acts is immense, and that played by reason very small.

A LITTLE LIFE

SHORTLISTED FOR THE MAN BOOKER PRIZE 2015

Pan Macmillan **CELEBRATING 50 YEARS OF PICADOR BOOKS** Shortlisted for the Booker Prize 2015 Shortlisted for the Baileys Prize for Women's Fiction 2016 Winner of Fiction of the Year at the British Book Awards 2016 Finalist for the National Book Awards 2015 The million-copy bestseller, *A Little Life* by Hanya Yanagihara is an immensely powerful and heartbreaking novel of brotherly love and the limits of human endurance. When four graduates from a small Massachusetts college move to New York to make their way, they're broke, adrift, and buoyed only by their friendship and ambition. There is kind, handsome Willem, an aspiring actor; JB, a quick-witted, sometimes cruel Brooklyn-born painter seeking entry to the art world; Malcolm, a frustrated architect at a prominent firm; and withdrawn, brilliant, enigmatic Jude, who serves as their centre of gravity. Over the decades, their relationships deepen and darken, tinged by addiction, success, and pride. Yet their greatest challenge, each comes to realize, is Jude himself, by midlife a terrifyingly talented litigator yet an increasingly broken man, his mind and body scarred by an unspeakable childhood, and haunted by what he fears is a degree of trauma that he'll not only be unable to overcome - but that will define his life for ever. Part of the Picador Collection, a new series showcasing the best of modern literature.

AN INTRODUCTION TO NEURAL NETWORKS

CRC Press Though mathematical ideas underpin the study of neural networks, the author presents the fundamentals without the full mathematical apparatus. All aspects of the field are tackled, including artificial neurons as models of their real counterparts; the geometry of network action in pattern space; gradient descent methods, including back-propagation; associative memory and Hopfield nets; and self-organization and feature maps. The traditionally difficult topic of adaptive resonance theory is clarified within a hierarchical description of its operation. The book also includes several real-world examples to provide a concrete focus. This should enhance its appeal to those involved in the design, construction and management of networks in commercial environments and who wish to improve their understanding of network simulator packages. As a comprehensive and highly accessible introduction to one of the most important topics in cognitive and computer science, this volume should interest a wide range of readers, both students and professionals, in cognitive science, psychology, computer science and electrical engineering.

CANDIDE

A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. *Candide*, his masterpiece, is a brilliant satire of the theory that our world is "the best of all possible worlds." The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire's.

SOPHIE'S WORLD

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, *SOPHIE'S WORLD* sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

BLOOD BROTHERS

Bloomsbury Publishing A Liverpoolian West Side Story, *Blood Brothers* is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. *Blood Brothers* was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

INVITATION TO HUMAN COMMUNICATION - NATIONAL GEOGRAPHIC

Cengage Learning Working in partnership with National Geographic, *INVITATION TO HUMAN COMMUNICATION*, 2e acknowledges the complexity of today's workplace, the power of communication, and the importance of equipping readers with the foundational skills for

success in this ever-changing environment. A leader in teaching foundational communication theories and skills, the text helps readers recognize the importance and centrality of communication in their professional and personal lives. Each chapter includes case studies and tips from nationally recognized explorers, scientists, researchers, and activists. The text showcases the best of communication theories and practices as well as explores how communication is central to carrying out work, developing professional and personal relationships with others, and sharing ideas with the larger public. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

Routledge First published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

THE STEPHEN LAWRENCE INQUIRY

Stationery Office/Tso With correction slip dated March 1999

THE PRECARIAT

THE NEW DANGEROUS CLASS

A&C Black This book presents the Precariat - an emerging class, comprising the rapidly growing number of people facing lives of insecurity, moving in and out of jobs that give little meaning to their lives. Guy Standing argues that this class is producing instabilities in society. Although it would be wrong to characterise members of the Precariat as victims, many are frustrated and angry. The Precariat is dangerous because it is internally divided, leading to the villainisation of migrants and other vulnerable groups. Lacking agency, its members may be susceptible to the siren calls of political extremism. To prevent a 'politics of inferno', Guy Standing argues for a 'politics of paradise', in which redistribution and income security are reconfigured in a new kind of Good Society, and in which the fears and aspirations of the Precariat are made central to a progressive strategy.

MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN

Quirk Books Read the #1 New York Times best-selling series before it continues in *A Map of Days*. Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of *Hollow City*, the next novel in the series A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children* will delight adults, teens, and anyone who relishes an adventure in the shadows. "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."—John Green, New York Times best-selling author of *The Fault in Our Stars* "With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder *Miss Peregrine's Home for Peculiar Children* has been snapped up by Twentieth Century Fox. B+"—*Entertainment Weekly* "'Peculiar' doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies."—*People* "You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself."—*Seventeen*

THE UNINHABITABLE EARTH

A STORY OF THE FUTURE

Penguin UK ****SUNDAY TIMES AND THE NEW YORK TIMES BESTSELLER**** 'An epoch-defining book' Matt Haig 'If you read just one work of non-fiction this year, it should probably be this' David Sexton, *Evening Standard* Selected as a Book of the Year 2019 by the *Sunday Times*, *Spectator* and *New Statesman* A Waterstones Paperback of the Year and shortlisted for the Foyles Book of the Year 2019 Longlisted for the PEN / E.O. Wilson Literary Science Writing Award It is worse, much worse, than you think. The slowness of climate change is a fairy tale, perhaps as pernicious as the one that says it isn't happening at all, and if your anxiety about it is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible, even within the lifetime of a teenager today. Over the past decades, the term "Anthropocene" has climbed into the popular imagination - a name given to the geologic era we live in now, one defined by human intervention in the life of the planet. But however sanguine you might be about the proposition that we have ravaged the natural world, which we surely have, it is another thing entirely to consider the possibility that we have only provoked it, engineering first in ignorance and then in denial a climate system that will now go to war with us for many centuries, perhaps until it destroys us. In the meantime, it will remake us, transforming every aspect of the way we live-the planet no longer nurturing a dream of abundance, but a living nightmare.

OF MICE AND MEN

Lulu.com Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

FAIR GAME

EM Publishing When you become the poker prize, all bets are off... Jade Frost thought she was going on a date with her boyfriend--not to his poker game. She really didn't expect that weasel to throw her in the pot. Then he had the nerve to lose. Talk about the perfect excuse for Jade to make him her ex-boyfriend. She wasn't quick enough, though. Before she knows it, a frat boy wins the hand--and her. Shep Prescott is extremely handsome and richer than sin, but he doesn't own her. It was just a game, after all. No matter how disinterested she acts, no matter how rudely she rejects his advances, he keeps coming back. Maybe even more than before. He could have anything he wants, but she's the only prize he's after. When she finds herself starting to fall for him, Jade's confused. There's more to Shep than the carefree player he shows the world. So is he ready to win her for real, or will she call his bluff? ****Due to mature situations and language, recommended for readers 17 and older**** Book 1 in the new adult/contemporary romance series **THE RULES**.

TEARS OF A TIGER

Simon and Schuster Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

THE HOOK UP

Plain Jane Books The rules: no kissing on the mouth, no staying the night, no telling anyone, and above all... No falling in love. Anna Jones just wants to finish college and figure out her life. Falling for star quarterback Drew Baylor is certainly not on her to do list. Confident and charming, he lives in the limelight and is way too gorgeous for his own good. If only she could ignore his heated stares and stop thinking about doing hot and dirty things with him. Easy right? Too bad he's committed to making her break every rule... Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football...Game on.

THE CONSTITUTIONS OF THE FREE-MASONS

CONTAINING THE HISTORY, CHARGES, REGULATIONS, &C. OF THAT MOST ANCIENT AND RIGHT WORSHIPFUL FRATERNITY. FOR THE USE OF THE LODGES

LUCKY

Pan Macmillan With an introduction by the author of *Circe* and *The Song of Achilles*, Madeline Miller In *Lucky* Alice Sebold reveals how her life was irrevocably changed when, as an eighteen-year-old college freshman, she was raped and beaten inside a tunnel near her campus. In this same tunnel, a girl had been raped and dismembered. By comparison, Alice was told by police, she was lucky. Though Alice's friends and family try their best to offer understanding and support, in the end it is Alice's formidable spirit which resonates most in these pages. In a narrative both painful and inspiring, Alice Sebold shines a light on the true experience of violent trauma. Sebold's redemption turns out to be as hard-won as it is real.

INVISIBLE MAN

Viking 'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' *The Times*

NETWORKS, CROWDS, AND MARKETS

REASONING ABOUT A HIGHLY CONNECTED WORLD

Cambridge University Press Are all film stars linked to Kevin Bacon? Why do the stock markets rise and fall sharply on the strength of a vague rumour? How does gossip spread so quickly? Are we all related through six degrees of separation? There is a growing awareness of the complex networks that pervade modern society. We see them in the rapid growth of the Internet, the ease of global communication, the swift spread of news and information, and in the way epidemics and financial crises develop with startling speed and intensity. This introductory book on the new science of networks takes an interdisciplinary approach, using economics, sociology, computing, information science and applied mathematics to address fundamental questions about the links that connect us, and the ways that our decisions can have consequences for others.

AFRICAN AMERICAN FRATERNITIES AND SORORITIES

THE LEGACY AND THE VISION

University Press of Kentucky This second edition includes new chapters that address issues such as the role of Christian values in black Greek-letter organizations and the persistence of hazing. Offering an overview of the historical, cultural, political, and social circumstances that have shaped these groups, *African American Fraternities and Sororities* explores the profound contributions that black Greek-letter organizations and their members have made to America.

THE RULE OF SAINT BENEDICT

Wyatt North Publishing, LLC

THE DIVISION OF LABOR IN SOCIETY

Digireads.Com Emile Durkheim is often referred to as the father of sociology. Along with Karl Marx and Max Weber he was a principal architect of modern social science and whose contribution helped established it as an academic discipline. "The Division of Labor in Society," published in 1893, was his first major contribution to the field and arguably one his most important. In this work Durkheim discusses the construction of social order in modern societies, which he argues arises out of two essential forms of solidarity, mechanical and organic. Durkheim further examines how this social order has changed over time from more primitive societies to advanced industrial ones. Unlike Marx, Durkheim does not argue that class conflict is inherent to the modern Capitalistic society. The division of labor is an essential component to the practice of the modern capitalistic system due to the increased economic efficiency that can arise out of specialization; however Durkheim acknowledges that increased specialization does not serve all interests equally well. This important and foundational work is a must read for all students of sociology and economic philosophy.

FEMINIST THEORY

FROM MARGIN TO CENTER

Routledge When *Feminist Theory: From Margin to Center* was first published in 1984, it was welcomed and praised by feminist thinkers who wanted a new vision. Even so, individual readers frequently found the theory "unsettling" or "provocative." Today, the blueprint for feminist movement presented in the book remains as provocative and relevant as ever. Written in hooks's characteristic direct style, *Feminist Theory* embodies the hope that feminists can find a common language to spread the word and create a mass, global feminist movement.

THE DELTA UPSILON

ANATOMY OF SPIRITUALITY: PORTRAIT OF THE SOUL

FriesenPress The domain of spirituality, separated from its theological overburden, believes in the existence of a spiritual self, presumed to be distinctly separate from the psychological self. The spiritual eternal self, also known as the soul or spirit (sometimes supported by an overarching Spirit), is asserted to be operating behind the ephemeral self. This book takes a contrarian stance; it argues that the premise of the soul concept is obtained through the magic of language, maintained through the marvel of the brain's

biochemistry, and sustained through the mirage of the psychological juggernauts of the brain. The magic, the marvel and the mirage, together, bring about subtle shifts as the linguistic brain suppresses many psychological details, habitually applies mental templates such as inversions and dichotomies, and enhances its language by coining religious and spiritual metaphors. The consequence of these changes is that the usual flickering self begins to be impressed by itself, believing it is buttressed by something transcendental and eternal within: the soul or the spirit. The self, although indoctrinated during its formative years, also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas, the overburden, signifies as the legitimate proof for the eternal soul.

ON LIBERTY

THE SUBJECTION OF WOMEN

BAIRD'S MANUAL OF AMERICAN COLLEGE FRATERNITIES

FORGOTTEN MYSTERIES

Pickle Partners Publishing Today, as age-old certainties crumble in men's hands, it is natural to ask, "What is the truth behind those strange, half-forgotten tales that seem forever recurring, those facts which, if substantiated, would change our conception of the universe?" Are there ghosts, sea serpents, messages from Mars? Have there been phantom armies? Was there a lost continent of Atlantis? Can men wander along the dimension of time? What of the tales that cluster around this thing called dying? Each of the 15 chapters in *Forgotten Mysteries* covers a different type of mysterious occurrence. For the first time the whole field of the enigmatical has been presented in one volume. "One of the world's foremost authorities on psychic phenomena."—United Press "...enormously readable..."—The Chicago Daily News "This book is in a class by itself."—San Francisco Call Bulletin "...a fascinating book..."—Vincent Starrett, Chicago Tribune "Tales to keep you awake...Miller focuses the eye of the scientist upon the outre, evoking case histories rather than dungeons, facts rather than ghostly moans."—Edwin Fadiman, Jr., Philadelphia Inquirer

THE HELP

Penguin Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.
