### The Baron in the Trees

*Houghton Mifflin Harcourt* Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy—he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn.

### Science in the Kitchen and the Art of Eating Well

*University of Toronto Press* First published in 1891, Pellegrino Artusi's La scienza in cucina e l'arte di mangiar bene has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

### Il Decameron

### The Betrothed

### Survival In Auschwitz

*Simon and Schuster* The author describes his twenty month ordeal in the Nazi death camp.

### Q

*Random House* Set in Reformation Europe, Q begins with Luther's nailing of his 95 theses on the door of the cathedral church in Wittenberg. Q traces the adventures and conflicts of two central characters: an Anabaptist, a member of the most radical of the Protestant sects and the anarchists of the Reformation, and a Catholic spy and informer, on their thrilling journey across Germany, Italy and the

Netherlands. The four young writers who shelter behind the pseudonym Luther Blissett have created a world of intrigue, violence and intense political and religious passion. Far from the traditional example of historical fiction, *Q* is the stuff of which cults are made.

## After

*Simon and Schuster* "Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

## The Name of the Rose

*Random House* In 1327, Franciscans in a wealthy Italian abbey are suspected of heresy, and Brother William of Bakersville arrives to investigate. His delicate mission is overshadowed by seven bizarre deaths that take place in the same number of days, and Brother William must turn detective to sort things out.

## Family Sayings

*Arcade Publishing*

## The Child of Pleasure

*Mondial* Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.

## Telephone Tales

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

## Notte e giorno

*Newton Compton Editori* Katharine Hilbery appartiene a una famiglia aristocratica. Fidanzata al vanitoso e un po' fatuo letterato William Rodney, si sente a poco a poco conquistata dalla più generosa vitalità dell'appassionato Ralph Denham. Ma fino a che punto è decisa a rischiare per colmare il divario tra la notte e il giorno, tra le segrete pulsazioni dell'anima e gli imperativi che il suo stato sociale le impone? *Notte e giorno* è il secondo romanzo di Virginia Woolf: la capacità di rappresentare le tonalità più tenui e quasi inafferrabili della vita emotiva, le sfumature più sfuggenti dei legami amorosi, lo rendono un momento fondamentale nel percorso verso la completezza delle grandi opere successive. «Nelle strade di Londra, dove la bellezza passa inosservata, l'eccentricità deve pagare lo scotto, ed è meglio non essere troppo alti, non indossare un lungo mantello blu né sferzare l'aria con la mano sinistra.» Introduzione di Armanda Guiducci. Cura e traduzione di Pietro Meneghelli. Edizione integrale. Virginia Woolf nacque a Londra nel 1882. Figlia di un critico famoso, crebbe in un ambiente letterario certamente stimolante. Fu a capo del gruppo di Bloomsbury, circolo culturale progressista che prendeva il nome dal quartiere londinese. Con il marito fondò nel 1917 la casa editrice Hogarth Press. Grande estimatrice dell'opera di Proust, divenne presto uno dei nomi più rilevanti della narrativa inglese del primo Novecento. Morì suicida nel 1941. La Newton Compton ha pubblicato *Gita al faro*, *Una stanza tutta per sé*, *Mrs Dalloway*, *Orlando*, *Notte e giorno*, *La crociera*, *Tutti i racconti* e il volume unico *Tutti i romanzi*.

## Pinocchio, the Tale of a Puppet

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

## If on a Winter's Night a Traveller

Random House 'Breathtakingly inventive' David Mitchell You go into a bookshop and buy If on a Winter's Night a Traveller by Italo Calvino. You like it. But alas there is a printer's error in your copy. You take it back to the shop and get a replacement. But the replacement seems to be a totally different story. You try to track down the original book you were reading but end up with a different narrative again. This remarkable novel leads you through many different books including a detective adventure, a romance, a satire, an erotic story, a diary and a quest. But the real hero is you, the reader. 'The greatest Italian writer of the twentieth century' Guardian

## Botticelli Past and Present

UCL Press The recent exhibitions dedicated to Botticelli around the world show, more than ever, the significant and continued debate about the artist. Botticelli Past and Present engages with this debate. The book comprises four thematic parts, spanning four centuries of Botticelli's artistic fame and reception from the fifteenth century. Each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on Botticelli. The parts are organised chronologically beginning with discussion of the artist and his working practice in his own time, moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century, through to his enduring impact on contemporary art and design. Expertly written by researchers and eminent art historians and richly illustrated throughout, the broad range of essays in this book make a valuable contribution to Botticelli studies.

## The Late Mattia Pascal

New York Review of Books Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work

## The Strange Case of Dr. Jekyll and Mr. Hyde

BookRix The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter

Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

## Zibaldone

*Farrar, Straus and Giroux* A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the Zibaldone, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the Zibaldone, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication.

## Wave

### (Books about Ocean Waves, Beach Story Children's Books)

*Chronicle Books* A wordless picture book that shows a little girl's first experiences at the beach, as she goes from being afraid of the roaring waves to playing on the shore while gulls soar overhead.

## Zeno's Conscience

*Vintage* Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

## The Crowd

### A Study of the Popular Mind

*The Floating Press* The following work is devoted to an account of the characteristics of crowds. Organized crowds have always played an important part in the life of peoples, but this part has never been of such moment as at present. The substitution of the unconscious action of crowds for the conscious activity of individuals is one of the principal characteristics of the present age. Crowds, doubtless, are always unconscious, but this very unconsciousness is perhaps one of the secrets of their strength. In the natural world beings exclusively governed by instinct accomplish acts whose marvelous complexity astounds us. Reason is an attribute of humanity of too recent date and still too imperfect to reveal to us the laws of the unconscious, and still more to take its place. The part played by the unconscious in all our acts is immense, and that played by reason very small.

## Italian Mathematics Between the Two World Wars

*Springer Science & Business Media* This book describes Italian mathematics in the period between the two World Wars. It analyzes the development by focusing on both the interior and the external influences. Italian mathematics in that period was shaped by a colorful array of strong personalities who concentrated their efforts on a select number of fields and won international recognition and respect in an incredibly short time. Consequently, Italy was considered a third mathematical power after France and Germany.

## After We Collided

*Simon and Schuster* "Book two of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting H. during her freshman year of college. But now that she has, her life will never be the same same"--

## Mores Italiae 1575

## Networked

## The New Social Operating System

*MIT Press* How social networks, the personalized Internet, and always-on mobile connectivity are transforming—and expanding—social life. Daily life is connected life, its rhythms driven by endless email pings and responses, the chimes and beeps of continually arriving text messages, tweets and retweets, Facebook updates, pictures and videos to post and discuss. Our perpetual connectedness gives us endless opportunities to be part of the give-and-take of networking. Some worry that this new environment makes us isolated and lonely. But in Networked, Lee Rainie and Barry Wellman show how the large, loosely knit social circles of networked individuals expand opportunities for learning, problem solving, decision making, and personal interaction. The new social operating system of “networked individualism” liberates us from the restrictions of tightly knit groups; it also requires us to develop networking skills and strategies, work on maintaining ties, and balance multiple overlapping networks. Rainie and Wellman outline the “triple revolution” that has brought on this transformation: the rise of social networking, the capacity of the Internet to empower individuals, and the always-on connectivity of mobile devices. Drawing on extensive evidence, they examine how the move to networked individualism has expanded personal relationships beyond households and neighborhoods; transformed work into less hierarchical, more team-driven enterprises; encouraged individuals to create and share content; and changed the way people obtain information. Rainie and Wellman guide us through the challenges and opportunities of living in the evolving world of networked individuals.

## Ocean Sea

*Canongate Books* A handful of disparate lives converge at a remote seaside inn: a lovelorn professor, a renowned painter, an inscrutable seductress - and a beautiful young girl, fatally ill, brought to the sea by a desperate father's last hope. An intricate web of destinies and associations begins to reveal itself, but it is not until the arrival of a mysterious sailor called Adams that the truth in all its dreamlike beauty and cruelty becomes clear. Adams may furnish the key to the girl's salvation, but only the fulfilment of his obsessive secret purpose - to answer murder with murder - can conclude the journey that has brought him from the ends of the earth. Alternately playful and profoundly serious, Baricco's novel surges with the hypnotic power of the ocean sea.

## Murder On The Orient Express

*Lulu.com*

## Manituana

*Verso Books* 1775—The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.

## The Cloven Viscount

*Houghton Mifflin Harcourt* When a nobleman is split in two, his separate halves pursue different adventures in a fantastically macabre tale by the author of *Invisible Cities*. It is the seventeenth century, and the Viscount Medardo of Terralba must go into battle against the Turks. But the inexperienced warrior is soon bisected lengthwise by a cannonball. Through a miracle of stitching, one half of him survives, returning to his feudal estate to lead a lavishly evil life. But soon his other, virtuous half appears—also very much alive. When the two halves become rivals for the love of the same woman, there's no telling the lengths each will go to in order to win. Now available in an independent volume for the first time, this deliciously bizarre novella of is Calvino at his most devious and winning.

## La Vita Nuova (The New Life)

## Visualising Facebook

## A Comparative Perspective

*UCL Press* Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

## Thérèse Raquin

*Library of Alexandria* Denne romanserie er et af de første eksempler på naturalismen i Frankrig.

## Fra Mauro's World Map

## With a Commentary and Translations of the Inscriptions

*Brepols Pub* Accompanying CD-ROM contains: digital reproduction of Fra Mauro's world map with the ability to navigate within the map and extract information from it.

## The Fox and the Stork

*Pelanggi ePublishing Sdn Bhd* This book is suitable for children age 4 and above. "The Fox and the Stork" is a story about a stork that goes to a fox's house for dinner. The fox decides to make fun of a stork by treating it to a plate of soup. The stork is unable to drink the soup and leaves the fox's house hungry. The stork decides to teach the fox a lesson. The next day when the fox goes to the stork's house for dinner, the stork treats the fox to a tall jar of soup. The fox goes home hungry and realises its mistake.

## Digital Anthropology

*Taylor & Francis Anthropology* has two main tasks: to understand what it is to be human and to examine how humanity is manifested differently in the diversity of culture. These tasks have gained new impetus from the extraordinary rise of the digital. This book brings together several key anthropologists working with digital culture to demonstrate just how productive an anthropological approach to the digital has already become. Through a range of case studies from Facebook to Second Life to Google Earth, Digital Anthropology explores how human and digital can be defined in relation to one another, from avatars and disability; cultural differences in how we use social networking sites or practise religion; the practical consequences of the digital for politics, museums, design, space and development to new online world and gaming communities. The book also explores the moral universe of the digital, from new anxieties to open-source ideals. Digital Anthropology reveals how only the intense scrutiny of ethnography can overturn assumptions about the impact of digital culture and reveal its profound consequences for everyday life. Combining the clarity of a textbook with an engaging style which conveys a passion for these new frontiers of enquiry, this book is essential reading for students and scholars of anthropology, media studies, communication studies, cultural studies and sociology.

## Mes Souvenirs

*Wentworth Press* This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

## Selections from the Prison Notebooks of Antonio Gramsci

*INTERNATIONAL PUBLISHERS CO* An extensive anthology, including his most important writings while in prison on philosophy, history, Communist Party formation, the intellectuals, and other subjects.

## Twilight

*Hachette UK* Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

## My Brilliant Friend

Beginning in the 1950s Elena and Lila grow up in Naples, Italy, mirroring two different aspects of their nation.

## Europe and Empire

## On the Political Forms of Globalization

Fordham Univ Press The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of "islands" both distinct and connected. Though drawing on philosophers of Europe's past, Cacciari calls not to resist Europe's sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today's politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.
