SLAVE STEALERS

TRUE ACCOUNTS OF SLAVE RESCUES: THEN AND NOW

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

This paperback edition of *Tom Kundig: Houses*, first published in 2006, collects five of his most prominent early residential projects, which remain touchstones for him today. In a new preface written for this edition, Kundig reflects on the influence that these designs continue to have on his current thinking. Each house, presented from conceptual sketches through meticulously realized details, is the product of a sustained and active collaborative process among designer, builder, and client. The work of the Seattle-based architect has been called both raw and refined--disparate characteristics that produce extraordinarily inventive designs inspired by both the industrial structures ubiquitous to his upbringing in the Pacific Northwest and the vibrant craft cultures that are fostered there." --

RUSCH TO GLORY

ADVENTURE, RISK & TRIUMPH ON THE PATH LESS TRAVELED

VeloPress *Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book *Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled*, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete-- climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking--racking up world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. *Rusch to Glory* is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.*

THE SARASHINA DIARY

A WOMAN'S LIFE IN ELEVENTH-CENTURY JAPAN (READER'S EDITION)

Columbia University Press A thousand years ago, a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the capital. Forty years later, with the long account of that journey as a foundation, the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life. Married at age thirty-three, she identified herself as a reader and writer more than as a wife and mother; enthralled by fiction, she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self-expression. This reader's edition streamlines Sonja Arntzen and Moriyuki Itō's acclaimed translation of the *Sarashina Diary* for general readers and classroom use. This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning, highlighting the author's deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose. The translators' commentary offers insight into the author's family and world, as well as the style, structure, and textual history of her work.
