The Book of the Courtier

Courier Corporation An insider's view of court life during the Renaissance, here is the handiwork of a 16th-century diplomat who was called upon to resolve the differences in a war of etiquette among the Italian nobility.

Sulla soglia

Edizioni Epoké Il saggio affronta le tematiche dell'identità e dell'accettazione di sé all'interno della cornice storica e sociale dell'antica Grecia. Gli strumenti educativi utilizzati dai Greci per preparare i giovani al loro futuro ruolo attivo di cittadini nella polis e alle tappe fondamentali che scandiscono una vita segnata dalla finitezza sono i miti. L'autrice ha individuato una nuova categoria mitica, quella dei miti di "non passaggio": esempi di come il cattivo comportamento del singolo sia portatore di vendetta divina non solo ai suoi danni, ma a lungo andare anche ai danni della società in cui vive. All'interno di questi particolari miti non si troveranno quindi imprese eroiche, anzi: i protagonisti sono empi che, negando il corso naturale degli eventi e dell'esistenza, cercano di emulare l'eternità di figure immutabili come gli dei e, per questo, verranno puniti. Dalla quarta di copertina: Adone, Ippolito, Atalanta, Orfeo. Cos'hanno in comune questi protagonisti di miti dell'antica Grecia? Sono incompiuti, sono uomini e donne che si rifiutano di accettare le tappe della vita. Ida Basile ne studia le storie, segnate dall'incapacità di oltrepassare un dato limen, e crea una nuova categoria: i miti di "non passaggio".

Fedra (e-Meridiani Mondadori)

Edizioni Mondadori Notizia sul testo, Note di commento, Cronologia della vita di Gabriele d'Annunzio a cura di Annamaria Andreoli. Nell'ebook si ripropone il testo di Fedra raccolto in Tragedie, sogni e misteri, a cura di Annamaria Andreoli, con la collaborazione di Giorgio Zanetti, «I Meridiani», Mondadori, Milano 2013. Gli apparati informativi riproducono quelli pubblicati nell'edizione dei «Meridiani»; la Cronologia riproduce quella pubblicata nel primo tomo delle Prose di ricerca (a cura di Annamaria Andreoli e Giorgio Zanetti, «I Meridiani», Mondadori, Milano 2005). Con Fedra, scritta febbrilmente tra dicembre 1908 e febbraio 1909, e poco dopo messa in scena, Gabriele d'Annunzio mostra la perenne attualità dei grandi miti tragici. Per farlo, sceglie la storia terribile e scandalosa della moglie di Teseo, già affrontata in passato da autori di ogni epoca e cultura, da Euripide, a Seneca, a Racine. Innamoratasi del figliastro Ippolito e da lui respinta, Fedra decide di porre fine alla propria vita insieme a quella dell'amato. Una vicenda epica, percorsa da echi danteschi, in cui la protagonista rappresenta una tipica icona della Superdonna dannunziana, intensa e trasgressiva, che tanto deve all'eredità nietzschiana nell'orgoglio con cui rivendica la propria "colpa", quella stessa che le eroine di Euripide e Racine non capivano o non osavano confessare. Una Fedra portatrice di quel carattere cretese fatto di sfrenatezza dionisiaca, connubio tra umano e ferino, geometria labirintica, che già il filosofo tedesco aveva opposto alla razionale e apollinea civiltà ateniese.

Fedra| Le nuove Eroidi

Harper Collins Italia Le nuove Eroidi è un libro che nasce dall'idea di chiedere a otto grandi scrittrici italiane contemporanee di reinterpretare il classico di Ovidio. Ognuna di loro ha scelto un'eroina del mito, raccontandola in base alla sua sensibilità, trasportandola ai nostri giorni o lasciandola nell'antichità, giocando con talento e originalità con le versioni originarie. Ne è nato un libro che, mostrando il valore sempre attuale e sovversivo dei classici, ha messo al centro la prospettiva femminile, con una breve collezione di storie intense e universali sospese tra modernità ed eternità. In questo eBook,

Antonella Lattanzi ci porta in un'aula di tribunale, tra pubblica accusa e reporter, per assistere al processo in cui è coinvolta Fedra.

O Livro do Tempo: Escritas e reescritas

Teatro Greco-Latino e sua recepção I

Imprensa da Universidade de Coimbra / Coimbra University Press Estes dois volumes reúnem um conjunto de estudos sobre teatro grego e latino (I) e sua recepção (II). Da Antiguidade são considerados, além da análise de diversos textos concretos, aspectos relacionados com a evolução dos géneros trágico e cómico, com os seus agentes e com a função cívica que deles se espera. Os estudos de recepção (II) abrangem colaboradores de um âmbito geográfico alargado e incluem inúmeros estudos de caso, sobretudo no âmbito da literatura e do teatro do mundo latino e ibero-americano. These two volumes collect several studies about Greek and Latin theatre (I) and its reception (II). From Antiquity, beside the analysis of specific texts, are considered aspects related with the evolution of the tragic and comic genres, their agents and their civic function. The reception studies (II) put together collaborators from a large geography and include a big number of case studies, mainly considering literature and theatre from the latin and iberoamerican world.

Phaedra

A Classic Play in Three Acts

The Tragedies of Seneca

Hippolytus

Hippolytos

Walter de Gruyter GmbH & Co KG Im Drama des Euripides verärgert Hippolytos' Verehrung für die Jagdgöttin Artemis die Liebesgöttin Aphrodite so sehr, dass sie seine Stiefmutter Phaidra in Liebe für Hippolytos entbrennen lässt. Die alte Amme der Phaidra entlockt ihr das Liebesgeständnis und informiert Hippolytos, der sich entsetzt abwendet. Phaidra begeht verzweifelt Selbstmord, hinterlässt aber einen Brief, in dem sie Hippolytos als Grund ihres Todes angibt. Daraufhin wird er von seinem Vater Theseus verflucht und verbannt; auf der Flucht kommt er durch Aphrodites Eingreifen grausam ums Leben. Peter Roth legt eine zweisprachige Ausgabe des Hippolytos mit neuer Prosaübersetzung vor. Der ausführliche Kommentar, der keine Griechischkenntnisse voraussetzt, gibt Auskunft zu Sach- und Deutungsfragen; eine ausführliche Einleitung befasst sich mit den Aufführungsbedingungen, dem zugrundeliegenden Mythos, der Sprache und Metrik und allgemeinen Interpretationsfragen.

Luigi Dallapiccola and Musical Modernism in Fascist Italy

Cambridge University Press Luigi Dallapiccola is widely considered a defining figure in twentieth-century Italian musical modernism, whose compositions bear passionate witness to the historical period through which he lived. In this book, Ben Earle focuses on three major works by the composer: the one-act operas Volo di notte ('Night Flight') and Il prigioniero ('The Prisoner'), and the choral Canti di prigionia ('Songs of Imprisonment'), setting them in the context of contemporary politics to trace their complex path from fascism to resistance. Earle also considers the wider relationship between musical modernism and Italian fascism, exploring the origins of musical modernism and investigating its place in the institutional structures created by Mussolini's regime. In doing so, he sheds new light on Dallapiccola's work and on the cultural politics of the early twentieth century to provide a history of musical modernism in Italy from the fin de siècle to the early Cold War.

A Companion to Early Modern Rome, 1492-1692

BRILL A Companion to Early Modern Rome, 1492-1692, edited by Pamela M. Jones, Barbara Wisch, and Simon Ditchfield, is a unique multidisciplinary study offering innovative analyses of a wide range of topics. The 30 chapters critique past and recent scholarship and identify new avenues for research.

Enciclopedia Internacional de Pseud·'nimos

Nombres verdaderos. Parte I

Walter de Gruyter This Encyclopedia is the first to compile pseudonyms from all over the world, from all ages and occupations in a single work: some 500,000 pseudonyms of roughly 270,000 people are deciphered here. Besides pseudonyms in the narrower sense, initials, nick names, order names, birth and married names etc. are included. The volumes 1 to 9 list persons by their real names in alphabetical order. To make the unequivocal identification of a person easier, year and place of birth and death are provided where available, as are profession, nationality, the pseudonym under which the person was known, and finally, the sources used. The names of professions given in the source material have been translated into English especially for this encyclopaedia. In the second part, covering the volumes 10 to 16, the pseudonyms are listed alphabetically and the real names provided. Approx. 500,000 pseudonyms of about 270,000 persons First encyclopedia including pseudonyms from all over the world, all times and all occupations Essential research tool for anyone wishing to identify persons and names for his research within one single work

Swinburne

A Critical Biography

Venere Nuda

La Bellezza e l'Amore

Self-Publish Col presente studio sulla formazione del mito di Venere, soddisfo in parte ad una promessa da me fatta alla mia amica Claudia, allorquando, leggendo un saggio, non pubblicato, intitolato Le rappresentanze figurate relative al mito di Venere, pensai, esser questo una parte di più estese ricerche sul mito nelle tradizioni popolari e nelle arti figurative. Ho detto, che soddisfo in parte, poiché nemmeno con questo nuovo lavoro, che mi appresto a sottoporre al Vostro giudizio, ho esaurito, come si dice, il soggetto, versando esso quasi esclusivamente nel campo della mitologia e, solo in parte, in quello delle arti figurative. Alla morfologia mitologica si accenna appena e non si fa alcun accenno alle arti della parola, al mito letterario. Il libro, o meglio l'eBook, è una raccolta di scritti, parte miei e parte di autori quali Vincenzo Monti, Giovan Battista Niccolini, Angelo De Gubernatis, Vittorio Puntoni, e di altri. Tutto teso a formulare un giusto concetto di quello che fosse la tradizione popolare di Venere sia presso la cultura greca che presso quella orientale, con riferimento anche alle tradizioni vediche. Questo studio sul mito di Venere non vorrebbe rimanere solo, ma vorrebbe essere il primo in una serie

di studi mitologici, fatti con gli stessi criteri e presso a poco con lo stesso intento, che comparirebbero via via alla luce. Ma la continuazione di un'opera di siffatta natura più che dalla volontà dell'autore dipende dall'accoglienza, più o meno benigna, che al pubblico piacerà di mostrare a questo secondo lavoro, dopo quello del Mito di Arianna. Gli argomenti trattati sono: Sulla Mitologia – Sermone di Vincenzo Monti alla marchesa Antonietta Costa, Venere – Dea della Bellezza, Sull'Origine e sviluppo artistico di Venere presso gli Etruschi, Inno a Venere, Gli Amanti di Venere e sue rappresentazioni, Venere al Bagno, Cognomi più illustri di Venere, Venere Vincitrice, La Dualità di Hyppolytos-Aphrodite, Le Rappresentazioni di Venere e Cupido, Venere vista da Bartolomeo Pinelli, La Nascita di Venere, Amore partorito da Venere, L'Amore di Marte per Venere, L'Incontro di Marte con Venere, Tifone insegue Venere, Paride da il pomo a Venere, Venere mostra amore a Paride, Venere trasporta Paride a Troia, Venere comanda Amore, Venere castiga Psiche, Venere scherza con Amore. eBook di 131 , illustrato con 56 splendide immagini.

Rethinking Difference in Music Scholarship

Cambridge University Press This major essay collection takes a fresh look at how differences among people matter for music and musical thought.

Gravity and Grace

U of Nebraska Press Simone Weil, the French philosopher, political activist, and religious mystic, was little known when she died young in 1943. Four years later the philosopher-farmer Gustave Thibon compiled *La pesanteur et la grâce* from the notebooks she left in his keeping. In 1952 this English translation accelerated the fame and influence of Simone Weil. The striking aphorisms in *Gravity and Grace* reflect the religious philosophy of Weil's last years. Written at the onset of World War II, when her health was deteriorating and her left-wing social activism was giving way to spiritual introspection, this masterwork makes clear why critics have called Simone Weil "a great soul who might have become a saint" and "the Outsider as saint, in an age of alienation."

Roman Literature in the Early Empire

University of California Press This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.

Le nuove Eroidi

Harper Collins Italia Otto delle più importanti autrici delle nuove generazioni riscrivono il classico di Ovidio che racconta i miti dalla prospettiva delle donne. Un libro sovversivo, sospeso tra modernità ed eternità. Poco più di 2000 anni fa Ovidio scrisse una raccolta di lettere poetiche straordinariamente moderna e originale: le Eroidi, epistole in cui le eroine del mito si rivolgevano ai loro (generalmente non

irreprensibili) mariti e compagni, rovesciando il tradizionale punto di vista maschile. Oggi, otto tra le più importanti scrittrici italiane reinterpretano il classico di Ovidio con assoluta libertà. Così, fra le altre, incontriamo una nuova Medea in Maremma raccontata da Teresa Ciabatti; leggiamo Antonella Lattanzi che ci racconta di Fedra in tribunale; partecipiamo al dramma di Ero e Leandro, in fuga dal loro paese su un barcone nel Mediterraneo nelle parole di Ilaria Bernardini; Veronica Raimo ci mostra Laodamia in una chat erotica, mentre Caterina Bonvicini ci fa conoscere una Penelope che si è imbarcata per mare mentre Ulisse la attende a Itaca... Un libro che, partendo dall'attualità del mito, mette nuovamente al centro la prospettiva femminile, con una collezione di storie appassionanti e universali.

Brill's Companion to Euripides (2 vols)

BRILL Brill's Companion to Euripides, as well as presenting a comprehensive and authoritative guide to understanding Euripides and his masterworks, provides scholars and students with compelling fresh perspectives upon a broad range of issues in the field of Euripidean studies.

Critica stilistica e storia del linguaggio

The Marriage Of Cadmus And Harmony

Random House THE MARRIAGE OF CADMUS AND HARMONY is a book without any modern parallel. Forming an active link in a chain that reaches back through Ovid's METAMORPHOSES directly to Homer, Roberto Calasso's re-exploration of the fantastic fables and mysteries we may only think we know explodes the entire world of Greek mythology, pieces it back together, and presents it to us in a new, and astonishing, and utterly contemporary way.

Songs and Arias Ornamented by Giovanni Battista Velluti, the Last Operatic Castrato

A-R Editions, Inc. This edition consists of twenty-nine songs and arias from the early nineteenth-century solo vocal music repertoire to which Giovanni Battista (Giambattista) Velluti (1780-1861) composed (and frequently, though not always, published) ornamentation. The last great operatic castrato, Velluti, over the course of his career, became increasingly well known not only for his singing, but also for his creative, adventuresome ornaments. His publications of ornamented songs and arias were frequent throughout the last decade of his career, when his singing style became less purely virtuosic and more concerned with affect. The edition includes only ornamented solo songs and arias with a secure attribution to Velluti. Those with doubtful or spurious attribution are excluded, as are Velluti's ornamented duets and trios, as well as arias in full orchestral score.

The Ovidian Heroine as Author

Reading, Writing, and Community in the Heroides

[Cambridge University Press](#) *Ovid's Heroides, a catalogue of letters by women who have been deserted, has too frequently been examined as merely a lament. In a new departure, this book portrays the women of the Heroides as a community of authors. Combining close readings of the texts and their mythological backgrounds with critical methods, the book argues that the points of similarity between the different letters of the Heroides, so often derided by modern critics, represent a brilliant exploitation of intratextuality, in which the Ovidian heroine self-consciously fashions herself as an alluding author influenced by what she has read within the Heroides. Far from being naive and impotent victims, therefore, the heroines are remarkably astute, if not always successful, at adapting textual strategies that they perceive as useful for attaining their own ends. With this new approach Professor Fulkerson shows that the Heroides articulate a fictional poetic, mirroring contemporary practices of poetic composition.*

Ancient Drama in Music for the Modern Stage

[OUP Oxford](#) *Opera was invented at the end of the sixteenth century in imitation of the supposed style of delivery of ancient Greek tragedy, and, since then, operas based on Greek drama have been among the most important in the repertoire. This collection of essays by leading authorities in the fields of Classics, Musicology, Dance Studies, English Literature, Modern Languages, and Theatre Studies provides an exceptionally wide-ranging and detailed overview of the relationship between the two genres. Since tragedies have played a much larger part than comedies in this branch of operatic history, the volume mostly concentrates on the tragic repertoire, but a chapter on musical versions of Aristophanes' Lysistrata is included, as well as discussions of incidental music, a very important part of the*

musical reception of ancient drama, from Andrea Gabrieli in 1585 to Harrison Birtwistle and Judith Weir in the late twentieth and early twenty-first centuries.

Women on the Stage in Early Modern France

1540-1750

Cambridge University Press Focusing on actresses in France during the early modern period, Virginia Scott examines how the stereotype of the actress has been constructed. The study then moves beyond that stereotype to detail the reality of the personal and artistic lives of women on the French stage, from the almost unknown Marie Ferré - who signed a contract for 12 livres a year in 1545 to perform the 'antiquailles de Rome or other histories, moralities, farces, and acrobatics' in the provinces - to the queens of the eighteenth-century Paris stage, whose 'adventures' have overshadowed their artistic triumphs. The book also investigates the ways in which actresses made invaluable contributions to the development of the French theatre in the seventeenth and eighteenth centuries, and looks at the 'afterlives' of such women as Armande Béjart, Marquise Du Parc, Charlotte Desmares, Adrienne Lecouvreur, and Hippolyte Clairon in biographies, plays, and films.

New Directions in Ancient Pantomime

OUP Oxford This is the first comprehensive and illustrated study of the most important form of theatre in the entire Roman Empire - pantomime, the ancient equivalent of ballet dancing. Performed for more than five centuries in hundreds of theatres from Portugal in the West to the Euphrates, from Gaul to North Africa, solo male dancing stars - the forerunners of Nijinsky, Nureyev, and Baryshnikov - stunned audiences with their erotic costumes, subtlety of gesture, and dazzling athleticism. In sixteen specially commissioned and complementary studies, the leading world specialists explore all aspects of the ancient pantomime dancer's performance skills, popularity, and social impact, while paying special attention to the texts that formed the basis of this distinctive art form.
