WestBow Press Did you ever ask, "What is the meaning of life?" Find out what Scripture has to say about the answer to this question as you develop a strategic life plan that is centered on God's purpose and vision for your life. Learn to see your entire life and all the everyday things that you do as divine assignments given to you by God Himself. You may change your perspective on life and gain a whole new passion for living. "To begin this process we must understand our origin. Where do we come from? Why are we here? What is the meaning of life? What (or who) defines our purpose? These are the most fundamental questions for a business to answer before creating a business plan, and they are the most fundamental, foundational knowledge that an individual must acquire and define before any meaningful plan for life can be developed." "The intent of this book is to be a guide to a stronger understanding of God's purpose for you, and to apply this understanding to the defining of values and a vision for your life. In later chapters you will see how applying the foundation of purpose, values and vision through ALL of the missions in your life with a clear strategy that maintains focus on your original purpose, will help reveal God's purpose for your life." "When asked to define their purpose in life people often state that they were meant to be an engineer, or accountant, or doctor, or clergymen, or parent, or whatever. Someone may be called to one of these specific missions, but a mission in life is different from life's purpose. ... A mission is a life role, or assignment... Purpose is a fundamental meaning, or reason for being..."

WHO ARE YOU

Christian Faith Publishing, Inc. Identity is an issue for both Christian and non-Christians alike, in that they look virtually the same. Our societies imply that if you have or possess a certain item, so you are able to do what you need to do, all so you can possibly be who you are. This is not the biblical example of Jesus and God's original intention. Part of the issue is that some churches, evangelists, and Bible teachers are singularly focused upon the broken image of Adam and Eve. They rush to the story of the fall of humanity to prove the point that we are fatally broken, flawed, and are in need of a savior. There we stay presented with a corrupted, broken, and distorted image of what humanity is. Without knowing who we were supposed to be, we will have no idea of what we are aiming for. How then can we carry out the commands of Jesus (Matthew 10:7""8; 28:19""20, Luke 16:15), or the proclamations of Luke 4:18""19 or Isaiah 61:1""2, without knowing who we are? The purpose of this book is to help you begin to see what it was and who it is that you are created to be.
