After months of caring for her terminally ill mother, Rebecca Rivera is left all alone in a world she doesn't trust--but she's determined not to let her mother's death define her. The last thing Rebecca needs is a man to fix her troubles--even if that man is strikingly handsome, wealthy, and charismatic Pierce Braden. Pierce is a powerful real estate investor on the verge of a major acquisition. As the eldest of six siblings raised by a single mother, he's spent his life protecting those he loves. Passion ignites between them, and the two share their most intimate thoughts and desires. It doesn't take long for Pierce to realize that Rebecca is as determined not to be saved as he is to find a way into her heart. ## Your Forever Love

Layla Hagen I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder-can I let her go, or could this one be forever?

## Lucky Number Eleven

Createspace Independent Publishing Platform People say not to believe the things you read in magazines, but you know what? Most things you've heard about me are probably true. I totally banged the reporter in the locker room after the championship game last year. Those pictures in Expose from last summer? Those were not modified. I'm also not really six-foot tall. (But let's keep that

between us.) Now, I know you're wondering about that last Expose headline—the one about me and my teammate (and ex-best friend) Finn Miller's sister, Layla James. That one is a little more complicated. Here's the thing: I've played football my whole life. If there's one thing I know, it's how to adjust when the game changes. And if there's one thing I always do, it's find a way to win. Granted, the stakes are higher. The playbook has changed. There's more on the line than (another) MVP title. But guess what hasn't changed? Me. I'm still Branch "Lucky" Best and I'm not about to fumble this one. Grab a seat and a subscription to Expose. I'm about to make some headlines. (Again.) From USA Today Bestselling author Adriana Locke comes a fun and flirty STANDALONE NOVEL.

## Bad Luck Club

*DGS* A grumpy man. A recovering people-pleaser. And the secret club that brings them together. Lee Buchanan is a hot mess. Turning one's father in to the feds can do that to a man. He had nothing to do with his father's Ponzi scheme, but he's blacklisted from commercial real estate all the same. Which is how he ends up in Asheville, working at the brewery he inherited with his siblings. He's salty as hell, and he doesn't care who knows it. Until the gorgeous, intriguing Blue Combs issues the most peculiar invitation he's ever received: Come to the Bad Luck Club. We can help you. It sounds like a cult or, worse, a group of Mary Sues, but Blue is different from any woman he's ever met. For better or worse, he's drawn to her. Just like she's drawn to him, even if she has no intention of going all in with another man. She's been there, done that, twice, and the life she's built for herself is too important to risk. What starts as one

person's desire to help another turns into a connection too powerful to be denied—but can two broken people grow together, or will they tear each other apart?

## Red Rocket

### A Forbidden Grumpy/Sunshine Hockey Love Story

*Raine Miller Romance* "Public Relations" is about to take on a whole new meaning for a standout Russian enforcer with a bad reputation and the feisty redhead from the PR department who just might be the one person who can help him shine up his tarnished image in this grumpy/sunshine hockey love story. They call me The Mad Russian for a reason. —Viktor Demoskev, VEGAS CRUSH My reputation as an Enforcer was earned one game at a time. Fighting on the ice for my team is something I take very seriously because I came to the USA to play hockey, not be a celebrity. Unfortunately, this logic has my public image taking a beating—not that I care very much how others think of me. Except for her. Scarlett. A woman as gorgeous, and fiery, and sexy, as that long red hair of hers. Which would look even more stunning spread out on my sheets with my hands tangled in it all night long ~~while naked of course~~. It is unfortunate that she also works for the team. In Public Relations... So yeah, the no-fraternization policy is an issue, but hardly my main concern. The biggest hurdle is Scarlett thinking I am part of a gambling ring for the Russian Mafia. Crazy, right? I can deal with setting her straight about her ridiculous suspicions, but cracking through that hard shell she has built around her broken heart? This is my real challenge. But oh how I love a good fight. Winning is everything to me. Especially when the prize is the Las Vegas beauty I named the Red Rocket... \*\*RED ROCKET can be read as a complete standalone sports romance. # Room Mate

*Independently Published* From the time I was a kid, I knew I wanted a job helping people. After serving in the Rifles regiment of the British Army, I focused my civilian career on becoming a bodyguard to the rich and famous. For a Cockney Brit, I never imagined a twist of fate landing me a position in the United States Secret Service and protecting the President's son. But then my boss made an unexpected request: leave my current placement to move in with his only daughter to give an added layer of protection against the threats she had been receiving. I'd never lived with a woman who was off-limits to me. It wasn't just that Caroline had a boyfriend. She was my best friend's sister, and my boss's daughter. But the longer we're in such close quarters together, the greater the temptation grows, but I know I'll lose everything if I pursue her. Growing up as the only girl with two overbearing older brothers, I'm no stranger to being overprotected. Just as I finished up college and prepared to truly dip my toes into the adult world, my father was elected President of the United States, which added a whole new level of protection with the Secret Service team attached to me. Just when I thought I couldn't possibly be more smothered, I began receiving threats, and my family decided it wasn't enough to just have an agent living down the hall from me. Nope, I was to have one move in with me, and not just any agent, but Ty Frasier-my brother, Barrett's best friend, and my brother, Ty's, head agent. While most women would enjoy living with a sexy, buff Brit, having a roommate threw a wrench into all my plans. Especially when I began noticing Ty was so much more than a hot guy-he was someone I could fall for.\*\*Stand-alone set in the world of Running Mate and Office Mate\*\*
