---

#### **THE FEDERALIST PAPERS**

---

Read Books Ltd Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

#### **NO BULL REVIEW - FOR USE WITH THE AP US HISTORY EXAM AND SAT SUBJECT TEST**

---

UPDATED FOR 2018!No Bull...This is a concise and to the point way to help you review for AP U.S. History and the SAT Subject Test. Your review book shouldn't need a review book, and that's why we're here. The book contains definitions and explanations of the most important terms, concepts, and themes in the U.S. History curriculum. It contains 240 multiple choice questions for the SAT Subject Test, PLUS each chapter has a set of document-style multiple choice questions for the new AP US History Exam. PLUS thematic timelines. In addition, there are 20 practice AP short answer questions, DBQ and essay writing tips, 10 sample long essay questions, and concrete examples of how to use the important AP History Reasoning Skills! All of this, and an incredible review sheet that follows the entire book while highlighting important terms, amendments, court cases, and more! The No Bull Review is a great study-aid whether you are purchasing it for history class in September, or hours before the big exam.This book contains the course and rubric changes made in the summer of 2017.

---

#### **ONLY YESTERDAY**

---

#### **AN INFORMAL HISTORY OF THE 1920S**

---

Open Road Media A history of roaring prosperity—and economic cataclysm: "The one account of America in the 1920s against which all others must be measured" (The Washington Post). Beginning November 11, 1918, when President Woodrow Wilson declared the end of World War I in a letter to the American public, and continuing through his defeat, Prohibition, the Big Red Scare, the rise of women's hemlines, and the stock market crash of 1929, Only Yesterday, published just two years after the crash, chronicles a decade like no other. Allen, who witnessed firsthand the events he describes, immerses you in the era of flappers, speakeasies, and early radio, making you feel like part of history as it unfolds. This bestselling, enduring account brings to life towering historical figures including J.

Pierpont Morgan, Henry Ford, Sigmund Freud, Albert Einstein, Al Capone, Babe Ruth, and Jack Dempsey. Allen provides insightful, in-depth analyses of President Warren G. Harding's oil scandal, the growth of the auto industry, the decline of the family farm, and the long bull market of the late twenties. Peppering his narrative with actual stock quotes and breaking financial news, Allen tracks the major economic trends of the decade and explores the underlying causes of the crash. From the trial of Nicola Sacco and Bartolomeo Vanzetti to the inventions, crazes, and revolutions of the day, this timeless work will continue to be savored for generations to come.

## **U.S. HISTORY**

---

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

## **AMERICAN PAGEANT**

---

Cengage Learning THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **OUT OF MANY**

---

---

### **A HISTORY OF THE AMERICAN PEOPLE**

---

Prentice Hall Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

## THE AMERICAN YAWP

---

### A MASSIVELY COLLABORATIVE OPEN U. S. HISTORY TEXTBOOK, VOL. 1: TO 1877

---

"I too am not a bit tamed--I too am untranslatable / I sound my barbaric yawp over the roofs of the world."--Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students--an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

## A PEOPLE'S HISTORY OF THE UNITED STATES

---

### 1492-PRESENT

---

Harper Collins Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

### TESTIMONY OF A THOUSAND WITNESSES

---

### UNSAFE AT ANY SPEED

---

### THE PERILS OF PROSPERITY, 1914-1932

---

University of Chicago Press Beginning with Woodrow Wilson and U.S. entry into World War I and closing with the Great Depression, The Perils of Prosperity traces the transformation of America from an agrarian, moralistic, isolationist nation into a liberal, industrialized power involved in foreign affairs in spite of itself. William E. Leuchtenburg's lively yet balanced account of this hotly debated era in American history has been a standard text for many years. This substantial revision gives greater weight to the roles of women and minorities in the great changes of the era and adds new insights into literature, the arts, and technology in daily life. He has also updated the lists of important dates and resources for further reading. "This book gives us a rare opportunity to enjoy the matured interpretation of an American Historian who has returned to the story and seen how recent decades have added meaning and vividness to this epoch of our history."—Daniel J. Boorstin, from the Preface

## AMERICAN HISTORY

---

---

## **A SURVEY : SINCE 1865**

---

## **THE AMERICAN PAGEANT**

---

## **A HISTORY OF THE AMERICAN PEOPLE**

---

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

Have you started studying for your Advanced Placement® U.S. History exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP® U.S. History is just what you need. Our Crash Course gives you: Targeted, Focused Review - Study Only What You Need to Know Fully revised for the 2015 AP® U.S. History exam, this Crash Course is based on an in-depth analysis of the revised AP® U.S. History course description outline and sample AP® test questions. It covers only the information tested on the new exam, so you can make the most of your valuable study time. Expert Test-taking Strategies Crash Course presents detailed, question-level strategies for answering both the multiple-choice and essay questions. By following this advice, you can boost your score in every section of the test. Take REA's Online Practice Exam After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP® exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP® U.S. History student must have. When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® U.S. History!

---

## **THE DEATH OF RECONSTRUCTION**

---

Harvard University Press Historians overwhelmingly have blamed the demise of Reconstruction on Southerners' persistent racism. Richardson argues instead that class, along with race, was critical to Reconstruction's end. She reveals a growing backlash from Northerners against those who believed that inequalities should be addressed through working-class action, and the emergence of an American middle class that championed individual productivity and saw African-Americans as a threat to their prosperity.

---

## **AN INTRODUCTION TO HUMAN FACTORS ENGINEERING**

---

For undergraduate courses in Human-Factors Engineering, Human-Computer Interaction, Engineering Psychology, or Human-Factors Psychology. Offering a somewhat more psychological perspective than other human factors books on the market, this text describes the capabilities and limitations of the human operator-both physical and mental-and how these should be used to guide the design of systems with which people interact. General principles of human-system interaction and design are presented, and included are specific examples of successful and unsuccessful interactions. It links theories of human performance that underlie the principles with real-world experience, without a heavy engineering-oriented perspective.

---

## **THE ERA OF GOOD STEALINGS**

---

Oxford University Press, USA In his first book, *The Plundering Generation*, Mark Wahlgren Summers dealt with corruption and the breakdown of ethics in public life from 1849 to 1861. Continuing his look at the post-Civil War years he examines the effects of the war on public ethics, raising important questions about the significance of corruption for policymaking and American political thought during the years 1865 to 1877. Who, thinking of Reconstruction fails to think of corruption? The Grant administration and the Great Barbecue remain inseparable in our minds. From grafting South Carolina Republicans to plundering Tammany Hall delegates, abuses of the public trust were all the fashion. Noting the effect of corruption on national politics, during the era of Reconstruction, Summers

nonetheless suggests the corruption issue may have had more important consequences than the misdeeds themselves. Indeed, the very forces that impelled corruption were the ones that defined and limited the character of reform. Official rascality raised the strongest possible argument for a scaled-down, cheap government, a professional civil service, and a retreat from Reconstruction. Without whitewashing villainy or blackguarding the liberal reformers, Summers re-examines the swindles, exposes the exaggerations and the self-interested motives of the accusers, and suggests ways in which the issue itself struck heavier blows at the way Americans governed themselves than did the acts of corruption.

TO WHICH IS ADDED, AN APPENDIX; TOGETHER WITH AN ADDRESS TO THE PEOPLE CALLED QUAKERS**

---

## MIGRATION, ENVIRONMENT AND CLIMATE CHANGE

---

### ASSESSING THE EVIDENCE

---

United Nations Publications Gradual and sudden environmental changes are resulting in substantial human movement and displacement, and the scale of such flows, both internal and cross-border, is expected to rise with unprecedented impacts on lives and livelihoods. Despite the potential challenge, there has been a lack of strategic thinking about this policy area partly due to a lack of data and empirical research on this topic. Adequately planning for and managing environmentally induced migration will be critical for human security. The papers in this volume were first presented at the Research Workshop on Migration and the Environment: Developing a Global Research Agenda held in Munich, Germany in April 2008. One of the key objectives on the Munich workshop was to address the need for more sound empirical research and identify priority areas of research for policy makers in the field of migration and the environment.

---

## RESTLESS GIANT

---

### THE UNITED STATES FROM WATERGATE TO BUSH V. GORE

---

Oxford University Press In *Restless Giant*, acclaimed historical author James Patterson provides a crisp, concise assessment of the twenty-seven years between the resignation of Richard Nixon and the election of George W. Bush in a sweeping narrative that seamlessly weaves together social, cultural, political, economic, and international developments. We meet the era's many memorable figures and explore the "culture wars" between liberals and conservatives that appeared to split the country in two. Patterson describes how America began facing bewildering developments in places such as Panama, Somalia, Bosnia, and Iraq, and discovered that it was far from easy to direct the outcome of global events, and at times even harder for political parties to reach a consensus over what attempts should be made. At the same time, domestic issues such as the persistence of racial tensions, high divorce rates, alarm over crime, and urban decay led many in the media to portray the era as one of decline. Patterson offers a more positive perspective, arguing that, despite our often unmet expectations, we were in many ways better off than we thought. By 2000, most Americans lived more comfortably than they had in the 1970s, and though bigotry and discrimination were far from extinct, a powerful rights consciousness insured that these were less pervasive in American life than at any time in the past. With insightful analyses and engaging prose, *Restless Giant* captures this period of American history in a way that no other book has, illuminating the road that the United States traveled from the dismal days of the mid-1970s through the hotly contested election of 2000. The Oxford History of the United States The Oxford History of the United States is the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, a New York Times bestseller, and winners of the Bancroft and Parkman Prizes. The Atlantic Monthly has praised it as "the most distinguished series in American historical scholarship," a series that "synthesizes a generation's worth of historical inquiry and knowledge into one literally state-of-the-art book." Conceived under the general editorship of C. Vann Woodward and Richard Hofstadter, and now under the editorship of David M. Kennedy, this renowned series blends social, political, economic, cultural, diplomatic, and military history into coherent and vividly written narrative.

### RETREAT FROM RECONSTRUCTION, 1869-1879

---

LSU Press According to William Gillette, recent reinterpretation of Reconstruction by revisionist historians has often tended to overemphasize idealistic motivations at the expense of assessing concrete achievements of the era. Thus, he maintains, the failure of both the purpose and the promise of Reconstruction has not been deeply enough analyzed. Retreat from Reconstruction is the first and most comprehensive analysis yet published on the course of the development, decline, and disintegration of Reconstruction during the decade of the 1870s. Gillette sets forth the idea that these years provided the true test of the effectiveness of Reconstruction. By using the primary sources to back up and amplify his premise, he offers a detailed, thoroughly convincing study of Reconstruction and a significant interpretation of why the political programs of the Republicans ended in failure. Focusing on Reconstruction as national policy and how it was made and administered, Gillette's study interweaves local developments in the South with political developments in the North that resulted in the withdrawal of support of that policy. His broadly based work includes an examination of federal election enforcement in the South, the southern policies of the Grant and Hayes administrations, the presidential elections of 1872 and 1876, the congressional election of 1874, and the Civil Rights Act of 1875. In addition to political developments, Gillette touches on the social, economic, intellectual, educational, and racial facets of Reconstruction; and by demonstrating how they bore on the political processes of the era, he deepens our understanding of a crucial but controversial period in American history and the workings of the American political system.

### WOMAN AND THE NEW RACE

---

Good Press "Woman and the New Race" by Margaret Sanger. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

### THE RELIGIOUS CRISIS OF THE 1960S

---

OUP Oxford The 1960s were a time of explosive religious change. In the Christian churches it was a time of innovation, from the 'new theology' and 'new morality' of Bishop Robinson to the evangelicalism of the Charismatic Movement, and of charismatic leaders, such as Pope John XXIII and Martin Luther King. But it was also a time of rapid social and cultural change when Christianity faced challenges from Eastern religions, from Marxism and feminism, and above all from new 'affluent' lifestyles. Hugh McLeod tells in detail, using oral history, how these movements and conflicts were experienced in England, but because the Sixties were an international phenomenon he also looks at other countries, especially the USA and France. McLeod explains what happened to religion in the 1960s, why it happened, and how the events of that decade shaped the rest of the 20th century.

---

---

Stanford University Press "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something

collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume II opens in the Gilded Age, before moving through the twentieth century as the country reckoned with economic crises, world wars, and social, cultural, and political upheaval at home. Bringing the narrative up to the present, The American Yawp enables students to ask their own questions about how the past informs the problems and opportunities we confront today.
