W. W. Norton & Company "Senelick's accomplishment is astounding."—Library Journal Anton Chekhov is a unique force in modern drama, his works cherished for their brilliant wit and insight into the human condition. In this stunning new translation of one of Chekhov's most popular and beloved plays, Laurence Senelick presents a fresh perspective on the master playwright and his groundbreaking dramas. He brings this timeless trial of art and love to life as memorable characters have clashing desires and lose balance in the shifting eruptions of society and a modernizing Russia. Supplementing the play is an account of Chekhov's life; a note on the translation; an introduction to the work; and variant lines, often removed due to government censorship, which illuminate the context in which they were written. This edition is the perfect guide to enriching our understanding of this great dramatist or to staging a production.

**A TRUE STORY**

---

Smeagull the Seagull comes to the house near the shore every day and knocks on the sliding glass door. He knocks when he's hungry, and the people who live there feed him. Smeagull rules the roost! Keeping him fed is an exhausting job, but when Smeagull disappears, it makes clear what an important family member Smeagull has become. There are few places on earth without seagulls, both on shore and inland, and every child will find Smeagull captivating and yet familiar. Smeagull the Seagull teaches young children that animals are precious and have needs and feelings and family, just like us. This is a true story. Smeagull is a wild herring gull who does indeed knock at Valerie and Mark's house every day where he is fed scraps from sustainable seafood. The book is illustrated in full color by the graphic designer, Valerie Elaine Pettis. The text is written in rhyme by Mark Seth Lender, a published author and producer for wildlife content at Living on Earth, which is nationally broadcast on Public Radio.

**MAN WITH A SEAGULL ON HIS HEAD**

---

Biblioasis There is nothing interesting about Ray Eccles. He knows it himself. On the morning of his fortieth birthday, he goes for a walk because he's just learned of a dormant Second World War explosive offshore, and he's the kind of man who thinks a bomb might be good company. As he gazes at the sea, a woman in the distance suddenly turns to face him—and a dying seagull falls from the sky, knocking him unconscious. When Ray wakes up, he's inexplicably compelled to paint the woman's image, obsessively and repeatedly: initially on any paper he can find in his house, and thereafter on the walls, using any materials that come to hand, including food and bodily fluids. Discovered by a power couple of Outsider Art, he becomes one of the most celebrated artists of the century, and soon even small-town newspapers are covering his work—which is how Jennifer, the woman on the beach, discovers she's the subject of the paintings that have set the world on fire, leading her to wonder if a man she's never met is the only person who has ever really seen her. *Man with a Seagull on His Head* is a novel about the impossibility of ever really knowing anyone, and the electric charge that comes from real if unexpected connection. Beautiful, lyrical, and strangely moving, it heralds a wonderful and original new voice.

SHOO!" Halifax-based illustrator-cartoonist Paul Hammond provides bright and bold illustrations and hand-lettered embellishments for a salty good read.
