Urania's own story alternates with the powerful climax of dictator Rafael Trujillo's reign. As Trujillo clings to power, a plot to push the Dominican Republic into the future is being formed. But after the murder of its hated dictator, the Goat, is carried out, the Dominican Republic is plunged into the nightmare of a bloody and uncertain aftermath. Now, thirty years later, Urania reveals how her own family was fatally wounded by the forces of history. In The*

Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. "A Wise, Compassionate, and Illuminating Fable for our Times" THE NEW YORK TIMES "Orwell's Satire is Amply Broad, Cleverly Conceived, and Delightfully Written" SAN FRANCISCO CHRONICLE "Absolutely First-Rate... Comparable to Voltaire and Swift" THE NEW YORKER **Hart Crane's Poetry "Appollinaire Lived in Paris, I Live in Cleveland, Ohio"** *JHU Press* In one of his letters Hart Crane wrote, "Appollinaire lived in Paris, I live in Cleveland, Ohio," comparing—misspelling and all—the great French poet's cosmopolitan roots to his own more modest ones in the midwestern United States. Rebellious against the notion that his work should relate to some European school of thought, Crane defiantly asserted his freedom to be himself, a true American writer. John T. Irwin, long a passionate and brilliant critic of Crane, gives readers the first major interpretation of the poet's work in decades. Irwin aims to*

show that Hart Crane's epic *The Bridge* is the best twentieth-century long poem in English. Irwin convincingly argues that, compared to other long poems of the century, *The Bridge* is the richest and most wide-ranging in its mythic and historical resonances, the most inventive in its combination of literary and visual structures, the most subtle and compelling in its psychological underpinnings. Irwin brings a wealth of new and varied scholarship to bear on his critical reading of the work—from art history to biography to classical literature to philosophy—revealing *The Bridge* to be the near-perfect synthesis of American myth and history that Crane intended. Irwin contends that the most successful entryway to Crane's notoriously difficult shorter poems is through a close reading of *The Bridge*. Having admirably accomplished this, Irwin analyzes Crane's poems in *White Buildings* and his last poem, "The Broken Tower," through the larger context of his epic, showing how Crane, in the best of these, worked out the structures and images that were fully developed in *The Bridge*. Thoughtful, deliberate, and extraordinarily learned, this is the most complete and careful reading of Crane's poetry available. Hart Crane may have lived in Cleveland, Ohio, but, as Irwin masterfully shows, his poems stand among the greatest written in the English language.

The interior will also feature a brand new drawing by Ralph Steadman. Almost two decades ago, the *New Yorker* published a now infamous article, "Don't Eat before You Read This," by then little-known chef Anthony Bourdain. Bourdain spared no one's appetite as he revealed what happens behind the kitchen door. The article was a sensation, and the book it spawned, the now classic *Kitchen Confidential*, became an even bigger sensation, a megabestseller with over one million copies in print. Frankly confessional, addictively acerbic, and utterly unsparring, Bourdain pulls no punches in this memoir of his years in the restaurant business—this time with never-before-published material. **The Three Billygoats Gruff** Rourke Publishing (FL) Three clever billy goats outwit a big, ugly troll who lives under the bridge they must cross on their way up the mountain. **Canadian Books in Print Author and Title Index American Book Publishing Record Celebrating the Church Year with Young Children** Liturgical Press In direct and understandable language this book tells what is possible for children to learn and to practice about the liturgy of the Church both at home and in the parish.

Covering the whole Church year, Halmo focuses on the importance of the Sunday observance as the renewal of the Pasch, and she urges parents to concentrate on that instruction rather than on observing the major feast days. The pleasant blend of instruction, background data, and illustrations, along with the activities and prayers for celebrating the liturgical calendar with children, makes this an excellent choice for families with pre school children. **'While the Bridegroom is with Them' Marriage, Family, Gender and Violence in the Gospel of Matthew** *A&C Black Interpreters of Matthew's Parable of the Wedding Feast (22.1-14) typically associate the 'king' with God and then justify his violent attacks against city and guests; interpreters of the Parable of the Ten Virgins (25.1-13) typically associate the 'bridegroom' with Jesus and then justify his extreme rejection of the 'foolish virgins.'* Questioning such allegorical interpretations, this study first details how Hebrew, Greek, and Roman texts depict - without requiring allegorical understandings - numerous bridegrooms associated not only with joy but also with violence and death. Second, this project appeals to the disruptive nature of parables, the feminist technique of resisting reading, and the Matthean Jesus's own ethical instructions to argue that in the parables, those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom. The study then shows how the Matthean Jesus - the brideless, celibate bridegroom -- creates a fictive family by disrupting biological and marital ties, redefining masculinity, and undermining the desirability of marriage and procreation. **JSNTS 292 Mountain Goats Ecology, Behavior, and Conservation of an Alpine Ungulate** *This book offers the first comprehensive assessment of the ecology and behavior of mountain goats, setting forth the results of a remarkable 16-year longitudinal study of more than 300 marked individuals in a population in Alberta, Canada. The authors' thorough, long-term study allowed them to draw important conclusions about mountain goat ecology—including individual reproductive strategies, population dynamics, and sensitivity to human disturbance—and to use those conclusions in offering guidance for developing effective conservation strategies.* **The Handbook of New Zealand Mammals East European Accessions Index When I Survey the Wondrous Cross Scriptural Reflections for Lent** *Paulist Press* *The season of Lent - the Church's spring - begins the celebration of the dying and rising of Jesus, a time of deep personal renewal only completed in the Easter season. With the revival of the Rite of Christian Initiation of Adults, Lent returns to its original character as a time of formation for catechumens. But the Sunday and daily liturgical readings for the season of Lent do more than prepare catechumens for the reception of Baptism at the Easter Vigil. Even the long baptized can progress through the liturgical readings of this season into a deeper experience of their Baptism, their death and rebirth in the Lord. As in the early Church, all of us can take the season of Lent, and especially its forty weekdays of fasting, as an opportunity to turn back to the Lord, our God. Patrick Ryan's reflections on the liturgical readings of the Lenten season arise not only from study of the scriptural passages involved but also from his extensive familiarity with the history of religion and his long experience of life in the Christian churches both of Africa and the United States. From years of inter-religious encounter he has come to a different sense of the Paschal mystery, one enriched* **The Works of Flavius Josephus ...
