WAKE UP, LAZARUS! VOLUME II

PATHS TO CATHOLIC RENEWAL

iUniverse *This book presents research in three new areas: Sunday liturgies, homilies, and pastoral concepts. First it presents to the readers the major Latin American document, "Disciples and Missionaries of Jesus-Christ," which sets the course of the Church in Latin America for the next decade. Next I present the findings about the Sunday liturgies in 100 churches, 50 in Guatemala and 50 the U.S. The following chapter analyzes 100 Sunday homilies in comparison to lay talks, homilies by Fr. Robert Barron, and evangelical sermons. In one more chapter I discuss basic concepts for pastoral research. Chapter 6 discusses the consequences of papal centralization for church renewal. The last chapter outlines ten basic paths of renewal. What is new in this book is the research on Sunday liturgies, homilies, and pastoral concepts.*

LAY SPIRITUALITY

FROM TRADITIONAL TO POSTMODERN

Wipf and Stock Publishers *Laypeople have a special mission in the church the way they have a special mission in society. In popular devotions the laity created a form of spirituality that lasted for over a millennium. Popular religiosity is alive in Latin America and in US ethnic subcultures. Vatican II redirected lay spirituality toward the liturgy as "the source and summit." We will visit a parish where this ideal is put into practice, but in the wider church the role of the laity came to be restricted to ecclesial ministries. There are at least four new forms of spirituality in the making. I will first describe a vibrant evangelical church attended by many former Catholics. Next, we will visit a Guatemalan parish where over a thousand parishioners meet weekly in homes and witness to the gospel in their neighborhoods. The charismatic renewal is a major force of renewal in Latin America and among US Latinos. Finally, the spirituality of social justice is alive and well in south Chicago. In sum, this book will introduce you to six or seven major forms of spirituality alive today. Each of them defines a special place and mission for the laity in the church.*

WORSHIP AS COMMUNITY DRAMA

INTRODUCTION TO LITURGY EVALUATION

Wipf and Stock Publishers *Church weddings, funerals, and most Sunday services reflect the values and dramas of their communities, even when the ministers are the main or sole actors. This point is illustrated by examples ranging from American television masses to the Zairean three-hour services in the Congo. Of greatest interest to readers might be the Sunday services at ordinary parishes, which also range from friendly but uninspiring to innovative and inviting. There are also two exceptionally vital churches analyzed here: an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr. Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation, yet church services are seldom evaluated. There can be no improvement without evaluation. This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth. The prophet Elijah found God in earthquakes and fire, but most people find mystery through art, music, rhythm, chanting, expressive readings, evocative rituals, and enlightened homilies. Today people expect "mystagogy" rather than routine performances. Mystagogy can be learned and improved through evaluation, to which this book desires to make a major contribution.*

WAKE UP, LAZARUS!

ON CATHOLIC RENEWAL

iUniverse *Today's Catholic Church faces a major decline, and a dramatic renewal is needed to facilitate positive change. Three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church. Hegy describes the inner workings of two successful parishes - one evangelical and the other Catholic - to illustrate the strategies used that contribute to vibrant and growing church communities. He also reviews various renewal plans and then presents his personal, long-term plan for renewal in the Catholic Church, with practical implementation suggestions included in each step.*

LEPER KNIGHTS

THE ORDER OF ST. LAZARUS OF JERUSALEM IN ENGLAND, C.1150-1544

Boydell & Brewer *One of the most unusual contributions to the crusading era was the idea of the leper knight - a response to the scourge of leprosy and the shortage of fighting men which beset the Latin kingdom in the twelfth century. The Order of St Lazarus, which saw the idea become a reality, founded establishments across Western Europe to provide essential support for its hospitaller and military vocations. This book explores the important contribution of the English branch of the order, which by 1300 managed a considerable estate from its chief preceptory at Burton Lazars in Leicestershire. Time proved the English Lazarites to be both tough and tenacious, if not always preoccupied with the care of lepers. Following the fall of Acre in 1291 they endured a period of bitter internal conflict, only to emerge reformed and reinvigorated in the fifteenth century. Though these late medieval knights were very different from their twelfth-century predecessors, some ideologies lingered on, though subtly readapted to the requirements of a new age, until the order was finally suppressed by Henry VIII in 1544. The modern refoundation of the order, a charitable institution, dates from 1962. The book uses both documentary and archaeological evidence to provide the first ever account of this little-understood crusading order. RENEWING MORAL THEOLOGY

CHRISTIAN ETHICS AS ACTION, CHARACTER AND GRACE

InterVarsity Press Moral theology, rooted in Thomas Aquinas, has long found its home in the Catholic and Anglican traditions, and in recent years it has become more familiar through the perspective known as virtue ethics. *Renewing Moral Theology* unfolds an ethical perspective that is Thomistic in structure, evangelical in conviction and Anglican in ethos.

LAZARUS, COME FORTH!

SteinerBooks Drawing on the ancient and often-forgotten sources of esoteric Christianity, Valentin Tomberg reflects on the mysteries of humanity's covenant with God in history. The power of these meditations is that they reflect the author's personal spiritual journey into the depths of God's kingdom within--within the soul, within personal relationships, within nature and the cosmos. Part one of *Lazarus, Come Forth!*--"The Miracle of Raising Lazarus in World History"--looks at an encounter with the Father through the miracles of Creation and the Fall and through Moses and the Old Testament Covenant and the Ten Commandments. Part two, "The Ten Commandments: The Revelation on Mt. Sinai," is a meditation on the seven miracles of Christ as described in the Gospel of St. John, culminating in the raising of Lazarus, the miracle of being raised from forgetfulness, sleep, and death to remembrance, wakefulness, and resurrection. Lazarus thus becomes a paradigm for understanding the spiritual and cultural history of humanity. In part three, "Thy Kingdom Come: The Three Kingdoms of God, humankind, and nature, which give natural order and meaning to the Christian life. The union of love and prayer in the Spirit is the focus of the first section of part four, "The Breath of Life," in which we are invited to see our natural breathing as breathing the breath of God. And part four ends with "Natural and Supernatural Images of the Holy Trinity," which discusses the message of the starry heaven at night, the message of the setting Sun, and the message of the birth of a new day. This volume should not be missed by anyone with a serious interest in esoteric Christianity or who merely wishes to go more deeply into the meaning of the Holy Scriptures. A previous edition of this work was titled *Covenant of the Heart*. It is a translation of *Lazarus, komm heraus*. The translation has been fully revised.

TWO PATHS

ORTHODOXY & CATHOLICISM: ROME'S CLAIMS OF PAPAL SUPREMACY IN THE LIGHT OF ORTHODOX CHRISTIAN TEACHING

Independently Published Two different paths. In the West, for about a thousand years, the Roman Catholic church has claimed papal supremacy over the entire Christian world. In the East, since the first centuries, the Eastern Orthodox Church has remained faithful to the Church's original conciliar vision: local churches meeting together in council. How did these two paths develop? What were the cultural, historical, and theological issues that led to their development? What are the Roman Catholic claims about the Orthodox and vice versa? In *Two Paths*, Michael Whelton dives deeply into Roman Catholic sources to document the development of papal supremacy: 1) Saint Peter and the papacy 2) The ecumenical councils and the papacy 3) The Filioque 4) The Gregorian Revolution and its effects on Roman Catholicism 5) The influence of falsified documents such as the "Donation of Constantine" on the rise of the papacy- Papal infallibility 6) The Council of Constance, and the First Vatican Council 7) The Second Vatican Council. Whelton also uses ancient Christian sources to document the development of the Orthodox conciliar vision of the Church, from the first Council of Jerusalem (Acts 15) through the Seventh Ecumenical Council. For layman and scholar alike, Whelton's work is the best and fullest work dealing with this topic from an Orthodox perspective in the English language.

FUNDAMENTALIST JOURNAL

THE HOPE OF ETERNAL LIFE

COMMON STATEMENT OF THE ELEVENTH ROUND OF THE U.S. LUTHERAN-CATHOLIC DIALOGUE

Lutheran/Roman Catholic Dialog Our churches affirm that death cannot destroy the communion with God of those redeemed and justified. The nature of the life that the justified departed share with God cannot be described in great detail and, in this life, it remains a great mystery. Nevertheless, Catholics and Lutherans share the sure and certain hope that the justified departed are in Christ and enjoy the rest that belongs to those who have run the race. This common statement of Round XI offers fresh insights into some issues that proved contentious in the debates of the sixteenth century. Among the issues explored in this dialogue were continuity in the communion of saints, prayers for or about the dead, the meaning of death, purgation, an interim state between death and the final general judgment, and the promise of resurrection. Agreements are affirmed on the basis of new insights, as readers will discover in this statement of Round XI.

CATHOLIC DIVORCE

THE DECEPTION OF ANNULMENTS

A&C Black Many people believe that the Roman Catholic Church's teaching on marriage is clear and consistent: marriage is a sacrament, the marriage contract is indissoluble, divorce and remarriage are forbidden. In this book, theologians, historians, and sociologists overhaul the church's teaching and practice on divorce and remarriage, as well as personal testimonies from a number of persons who have gone through the annulment process.

FAITH AND FATHERLAND

CATHOLICISM, MODERNITY, AND POLAND

Oxford University Press *Jesus instructed his followers to "love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you" (Luke 6:27-28). Not only has this theme long been among the Church's most oft-repeated messages, but in everything from sermons to articles in the Catholic press, it has been consistently emphasized that the commandment extends to all humanity. Yet, on numerous occasions in the twentieth century, Catholics have established alliances with nationalist groups promoting ethnic exclusivity, anti-Semitism, and the use of any means necessary in an imagined "struggle for survival." While some might describe this as mere hypocrisy, Faith and Fatherland analyzes how Catholicism and nationalism have been blended together in Poland, from Nazi occupation and Communist rule to the election of Pope John Paul II and beyond. It is usually taken for granted that Poland is a Catholic nation, but in fact the country's apparent homogeneity is a relatively recent development, supported as much by ideology as demography. To fully contextualize the fusion between faith and fatherland, Brian Porter-cs-concepts like sin, the Church, the nation, and the Virgin Mary-ultimately showing how these ideas were assembled to create a powerful but hotly contested form of religious nationalism. By no means was this outcome inevitable, and it certainly did not constitute the only way of being Catholic in modern Poland. Nonetheless, the Church's ongoing struggle to find a place within an increasingly secular European modernity made this ideological formation possible and gave many Poles a vocabulary for social criticism that helped make sense of grievances and injustices.*

CONVERSATIONS WITH GOD FOR TEENS

Hampton Roads Publishing *Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.*

So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. THE ROMAN BREVIARY

AN APPROVED ENGLISH TRANSLATION COMPLETE IN ONE VOLUME FROM THE OFFICIAL TEXT OF THE BREVIARIUM ROMANUM AUTHORIZED BY THE HOLY SEE

PURITY OF HEART

The primary basis of all judgement concerning the deeds done in our bodies is our motives. Our values determine our motives, and our motives are the real reason behind our thoughts, words, and deeds. Only God can see the true motives of every man's heart. Almost all human beings have something to hide. Nearly everyone twists words, events, and situations to their own advantage, to place themselves in the best possible light. Men often have ulterior motives and hidden agendas. This is sin and a form of hiding. Adam and Eve first hid from the presence of the Lord in the garden after they had fallen. But there will be no hiding from the presence of the Lord on that solemn Day of Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. What is done in pure love, by the leading of the Spirit, and for the glory and honor of God shall reap the fullest rewards.
