Saints: The Story of the Church of Jesus Christ in the Latter Days The Standard of Truth: 1815-1846 [The Church of Jesus Christ of Latter-day Saints](#) In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8). **History of the Church of Jesus Christ of Latter-day Saints The Story of the Church of Jesus Christ of Latter-day Saints The Mormons A History of the Church of Jesus Christ of Latter Day Saints in Cambridgeshire Teachings of the Prophet Joseph Smith** [Messenger Publications Sermons and writings of Joseph Smith, the Prophet. ... Excerpt: This article is about LDS church hymns in general, for the book, see Hymns of The Church of Jesus Christ of Latter-day Saints (1985 book) Latter-day Saint hymns come from many sources, and there have been numerous hymn books printed by the Church since its organization in 1830. The singing of hymns is an important part of worship in The Church of Jesus Christ of Latter-day Saints. In July 1830, the Prophet Joseph Smith received a revelation from God for Emma Smith, his wife, wherein she was directed to make a collection of hymns for the Church of Jesus Christ: And it... **A Different Jesus? The Christ of the Latter-day Saints** [Wm. B. Eerdmans Publishing](#) Drawing on both Christian and Latter-day Saint documents, Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist. **The Church of Jesus Christ of Latter-day Saints Its Religion, History, Condition and Destiny Annual Conference of the Church of Jesus Christ of Latter-Day Saints Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints Annual Conference of the Church of Jesus Christ of Latter-day Saints Vols for 1898-1905 also include an account of the general conference of the Deseret Sunday School Union. The Church of Jesus Christ of Latter-day Saints (the Mormons) A Major Worldwide Christian Religion History of the Church of Jesus Christ of Latter-Day Saints Autobiography of Bishop R. C. Evans Of the Reorganized Church of Jesus Christ of Latter Day Saints History of the Church of Jesus Christ of Latter-Day Saints, Vol. 2 (Classic Reprint)** [Forgotten Books](#) Excerpt from History of the Church of Jesus Christ of Latter-Day Saints, Vol. 2 The value of the educational movement in the Church by the establishment of a school for the Elders in Kirtland, cannot be fully appreciated even yet. It stands as a direct contradiction to the oft repeated charges that Mormonism seeks to thrive through the ignorance of its devotees. Seek ye diligently, and teach one another words of wisdom, was an admonition the Church in the Kirtland period of its history sought earnestly to carry into effect. Yea. Seek ye out of the best books words of wisdom: seek learning even by study, and also by faith. To the sphere of their learning there were no limitations set. Teach ye diligently, said the Lord, and my grace shall attend you, that you may be instructed more perfectly in theory, in principle, in doctrine, in the law of the Gospel, in all things that pertain unto the kingdom of God, that are expedient for you to understand; of things both in heaven and in the earth, and under the earth; things which have been, things which are, things which must shortly come to pass; things which are at home, things which are abroad; the wars and the perplexities of the nations, and the judgments which are on the land, and a knowledge also of countries and of kingdoms. I know of nothing that lies outside this boundless field of research into which the Elders of the Church especially were invited - uay, commanded. To enter. Lt comprehends the whole possible sphere of human investigation; and furnishes all necessary contradiction to the theory that the Church at any time contemplated an ignorant ministry. By intelligence, not stupidity; by knowledge, not ignorance, has the Church from the very beginning hoped to succeed in her mission. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](#) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. **An Address: The Church of Jesus Christ of Latter-day Saints to the World Compendium of the Faith and Doctrines of the Church of Jesus Christ of Latter-Day Saints Statistical Information on the Church of Jesus Christ of Latter-day Saints and Church University Needs History of the Church of Jesus Christ of Latter Day Saints 1844-1872 The Church of Jesus Christ of Latter-day Saints A Selected Bibliography of Mormon History and Doctrines An Announcement Concerning the Church of Jesus Christ of Latter-Day Saints Worship in the Church of Jesus Christ of Latter-Day Saints The Church of Jesus Christ of Latter-day Saints History, Beliefs, Lifestyle The Story of the Church of Jesus Christ of Latter-Day Saints (the "Mormons").** [Saints Forge Books](#) From the bestselling author of the Ender Universe series comes Orson Scott Card's epic historical novel Saints When ten-year-old Dinah Kirkham saw her father leave their Manchester home in the middle of the night, she basked when he would be back. "Soon," he replied. But he never came back. On that night in 1829, John Kirkham laid the foundation of his daughter's certainty that the only person Dinah could ever really trust was herself. From that day forward, Dinah worked to support her family, remaining devoted to their welfare even in the face of despair and grinding poverty. Then one day she heard a new message, a new purpose ignited in her heart, and new life opened up before her. R. Bowker](#) "Amazingly enough, Christ is the Jehovah of the Old Testament and the God of Israel. It was Christ who led the nation of Israel out of Egyptian bondage, and it was he who gave and fulfilled the Law of Moses." This book is different from other books about the Latter-day Saints (LDS) in at least two ways. First, it focuses on details of LDS doctrine that are relatively unknown, even to church members. Second, because its purpose is to inform, not persuade, it presents these details in a neutral, unflinching, warts-and-all way. The reader can then decide for him- or herself what to believe. As Jensen states in his Introduction, he wrote the book for three audiences. First, he wrote it for himself. Although he grew up in the church and served a church mission, he was often confused about the more cryptic points of LDS doctrine, of which there are many. For example, if someone had asked him to explain in detail the LDS position on angels, or Jews, or Zion, he knew wouldn't have been able to. So he wrote the book to understand - to "get to the bottom of" - the church's more obscure beliefs and follow the implications to their logical conclusion. Second, he wrote it for non-Mormons who are curious about the religion and seek a book that is unbiased and informative while also being light and readable. Third, he wrote it for members of the church who are fuzzy on the details of the topics discussed in the book and would like to understand them better. The church has always placed great stock in education, especially as it relates to God's plans for us. This book will help educate church members on the finer points of their doctrine - on what one actually believes, or should believe, as a Latter-day Saint. Were Adam and Eve married? Is there a hell of fire and brimstone? Does the earth have a spirit? Does Satan have a body? Who are the Lost 10 Tribes? Where did Noah set off from in his ark? Will animals and plants be resurrected? In this book, you'll find unflinching answers (from the LDS perspective) to those important and interesting questions - and many more. **Hymns: The Church of Jesus Christ of Latter-Day Saints**
