KEY=RETURN - CYNTHIA HANNAH

A Return to Modesty

Discovering the Lost Virtue

Simon and Schuster Lamenting the stress-inducing pressure that modern society places on young women to be sexually active, the author calls for a renewed respect for women's privacy and their desire to take intimacy seriously.

A Return to Modesty

Discovering the Lost Virtue

Free Press Revised and updated, this fifteenth anniversary edition of *A Return to Modesty* reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When *A Return to Modesty* was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the "hook-up" scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life, and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, *A Return to Modesty* shows why "the lost virtue" of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby, It's Cold Outside." Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct—and one that may be able to save us from ourselves.

A Return to Modesty

Discovering the Lost Virtue

Where once a young woman had to be ashamed of her sexual experience, today she is ashamed of her sexual inexperience. Where not long ago an unmarried woman was ashamed to give public evidence of sexual desire by living with someone, today she must be ashamed to give evidence of romantic desire. From sex education in grade school to coed bathrooms in college, today's young woman is being pressured relentlessly to overcome her embarrassment, her "hang-ups," and especially her romantic hopes. Meanwhile, the problems young women struggle with grow steadily more extreme: from sexual harassment, stalking, and date rape to anorexia and self-mutilation. Both men and women endlessly lament the loss of privacy and of real intimacy. What is it all about? Beholden neither to conservatives who

discount as exaggeration the dangers facing young women, nor to feminists who steadfastly affix blame on the patriarchy, Wendy Shalit proposes that, in fact, we have lost our respect for an important classical virtue -- that of sexual modesty. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration. From seventeenth-century manners guides to Antonio Canova's sculpture, *Venus Italico*, to Frank Loesser's 1948 tune, "Baby, It's Cold Outside," *A Return to Modesty* unfolds like a detective's search for a lost idea as Shalit uncovers opinions about this lost virtue's importance, from Balzac to Simone de Beauvoir, that have not been aired for decades. Then she knocks down the accompanying myths one by one. Female modesty is not about a "sexual double standard," as is often thought, but is related to male virtue and honor. Modesty is not a social construct, but a natural response. And modesty is not prudery, but a way to preserve a sense of the erotic in our lives. With humor and piercing insight, Shalit invites us to look beyond the blush and consider the new power to be found in an old ideal. She maintains that the sex education curriculum forced on those of her generation from an early age is fundamentally flawed, centered as it is on overcoming reticence -- what we today call "hang-ups." Shalit surprisingly and persuasively argues that without these misnamed hang-ups there can be no true surrender, no richness and depth to relations between the sexes. The natural inclination toward modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct that, if rediscovered and given the right social support, has the power to transform society.

Girls Gone Mild

Young Women Reclaim Self-respect and Find It's Not Bad to be Good

Random House Incorporated Drawing on firsthand interviews and dialogues with young women from around the country, examines the current prejudices in the culture against the "good" girl and offers a new set of definitive role models for the young women of the next generation.

What Our Mothers Didn't Tell Us

Why Happiness Eludes the Modern Woman

Simon and Schuster Talk to women under forty today, and you will hear that in spite of the fact that they have achieved goals previous generations of women could only dream of, they nonetheless feel more confused and insecure than ever. What has gone wrong? What can be done to set it right? These are the questions Danielle Crittenden answers in What Our Mothers Didn't Tell Us. She examines the foremost issues in women's lives -- sex, marriage, motherhood, work, aging, and politics -- and argues that a generation of women has been misled: taught to blame men and pursue independence at all costs. Happiness is obtainable, Crittenden says, but only if women will free their minds from outdated feminist attitudes. By drawing on her own experience and a decade of research and analysis of modern female life, Crittenden passionately and engagingly tackles the myths that keep women from realizing the happiness they deserve. And she introduces a new way of thinking about society's problems that may, at long last, help women achieve the lives they desire.

The Good Girl Revolution

Young Rebels with Self-Esteem and High Standards

Ballantine Books Across the country, there's a youth-led rebellion challenging the status quo. In Seattle and Pittsburgh, teenage girls protest against companies that sell sleazy clothing. Online, a nineteen-year-old describes her struggles with her mother, who she feels is pressuring her to lose her virginity. In a small town outside Philadelphia, an eleventh-grade girl, upset over a "dirty book" read aloud in English class, takes her case to the school board. These are not your mother's rebels. Drawing on numerous studies and interviews, the brilliant Wendy Shalit makes the case that today's virulent "bad girl" mindset truly oppresses young women. She reveals how the media, one's peers, and even parents can undermine girls' quests for their authentic selves, and explains what it means to break from the herd mentality and choose integrity over popularity. Written with sincerity and upbeat humor, The Good Girl Revolution

rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel. Society may perceive the good girl as "mild," but Shalit demonstrates that she is in fact the opposite. The new female role models are not "people pleasing" or repressed; they are outspoken and reclaiming their individuality. These empowering stories are sure to be an inspiration to teenagers and parents alike. Join the conversation at www.thegoodgirlrevolution.com

A Hedge of Roses

Jewish Insights Into Marriage and Married Life

Feldheim Publishers

A History of Celibacy

James Clarke & Co. Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and today's society reflects a renewed interest in celibacy. But what causes people to give up sex, the very activity that drives, fascinates, troubles, and delights so many of the rest of us? Elizabeth Abbott's exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept of little concern to the secular world. Chosen or imposed for myriad reasons, celibacy actually is a practice that reveals a host of telling insights about our sexual desires and drives, as well as our changing attitudes toward religion, gender, and physical health. A History of Celibacy humanises celibacy through the ages, from the vestal virgins of ancient Rome who were entombed alive if they broke their vows, to contemporary athletes who conserve semen to enhance their game. While most people associate institutional celibacy with Catholicism, Abbott shows how virtually every culture and religion through history has incorporated it in some form. Her examples range from Judaism's rules regarding abstinence during menstruation to Hinduism's forced celibacy for widows. Written from a feminist perspective, the book paints a dual portrait of celibacy as both emancipator and enslaver of women and the poor. Yet the book's focus is not solely on women. It recounts for instance the forced castration of Italy's young male sopranos, and tells why impoverished Chinese boys and men became eunuchs for the Emperor. The extremes to which

people will go to abstain from sexual activity or to prevent others from having sex is an intriguing thread through a serious book.

Unseduced and Unshaken

The Place of Dignity in a Woman's Choices

Moody Publishers You can't afford to live casually, haphazardly. No matter your age, you were born into a plethora of expectations of what it means to be a woman. How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self-possession and dignity. We tend to live as divided and distracted selves, allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer, lesser loves. This collection of essays is more than a call to modesty or chastity. It is a thoughtful provocation to speak well, read often, make choices that reflect the character of God, and even to establish a theology of play or leisure. Being intentional with your choices, cultivating your intellect, and taking seriously your voice determines not only what kind of person you are, but also what kind of woman you will be. "[Unseduced and Unshaken] raises the bar for young Christian women...It's a call for all Christian women to examine their personal faith presuppositions, deliberately choose a life of Biblical 'dignity,' and to not be frightened to allow 'theology to inform our choices.'" Just Between Us, Summer 2013 issue

A Letter in the Scroll

Understanding Our Jewish Identity and Exploring the Legacy of the World's Oldest Religion

Simon and Schuster For too long, Jews have defined themselves in light of the bad things that have happened to them. And it is true that, many times in the course of history, they have been nearly decimated: when the First and Second

Temples were destroyed, when the Jews were expelled from Spain, when Hitler proposed his Final Solution. Astoundingly, the Jewish people have survived catastrophe after catastrophe and remained a thriving and vibrant community. The question Rabbi Jonathan Sacks asks is, quite simply: How? How, in the face of such adversity, has Judaism remained and flourished, making a mark on human history out of all proportion to its numbers? Written originally as a wedding gift to his son and daughter-in-law, *A Letter in the Scroll* is Rabbi Sacks's personal answer to that question, a testimony to the enduring strength of his religion. Tracing the revolutionary series of philosophical and theological ideas that Judaism created -- from covenant to sabbath to formal education -- and showing us how they remain compellingly relevant in our time, Sacks portrays Jewish identity as an honor as well as a duty. The Ba'al Shem Tov, an eighteenth-century rabbi and founder of the Hasidic movement, famously noted that the Jewish people are like a living Torah scroll, and every individual Jew is a letter within it. If a single letter is damaged or missing or incorrectly drawn, a Torah scroll is considered invalid. So too, in Judaism, each individual is considered a crucial part of the people, without whom the entire religion would suffer. Rabbi Sacks uses this metaphor to make a passionate argument in favor of affiliation and practice in our secular times, and invites us to engage in our dynamic and inclusive tradition. Never has a book more eloquently expressed the joys of being a Jew. This is the story of one man's hope for the future -- a future in which the next generation, his children and ours, will happily embrace the beauty of the world's oldest religion.

Live Through This

On Creativity and Self-Destruction

Seven Stories Press “The 21 artists, who share their stories of madness, trauma, addiction, abuse and self-destruction, and their relationship to art, leave no vulnerable detail unwritten.”—Shameless A visceral look at the bizarre entanglement of destructive and creative forces, *Live Through This* is a collection of original stories, essays, artwork, and photography. It explores the use of art to survive abuse, incest, madness and depression, and the often deep-seated impulse toward self-destruction including cutting, eating disorders, and addiction. Here, some of our most compelling cartoonists, novelists, poets, dancers, playwrights, and burlesque performers traverse the pains and passions that can both motivate and destroy women artists, and mark a path for survival. Taken together, these artful

reflections offer an honest and hopeful journey through a woman's silent rage, through the power inherent in struggles with destruction, and the ensuing possibilities of transforming that burning force into the external release of art. With contributions by Nan Goldin, bell hooks, Patricia Smith, Cristy C. Road, Carol Queen, Annie Sprinkle, Elizabeth Stephens, Carolyn Gage, Eileen Myles, Fly, Diane DiMassa, Bonfire Madigan Shive, Inga Muscio, Kate Bornstein, Toni Blackman, Nicole Blackman, Silas Howard, Daphne Gottlieb, and Stephanie Howell.

How the Sex-Obsessed Culture Damages Girls (and America, Too!)

Hachette UK Political analyst and commentator Carol Platt Liebau takes a hard look at the pervasiveness of sex in today's culture and the havoc it wreaks on young people.

The Jewish Way in Love and Marriage

Jonathan David Pub A leading rabbinic authority summarizes the Jewish view of marriage and explores the customs, practices, and symbols of the traditional wedding ceremony. Jewish law is also applied to such topics as premarital sex, homosexuality, and intermarriage.

Capabilities, Gender, Equality

Towards Fundamental Entitlements

Cambridge University Press Provides unique reflections on the capability approach and its relevance to new human development policies and political liberalism.

Where Have All the Good Men Gone?

Harvest House Publishers This fascinating, revealing look at an often glossed-over topic is filled with personal stories, questions and answers, and comments and observations from men that can help women understand their choices, desires, and God's heart for their lives.

Unclean Lips

Obscenity, Jews, and American Culture

NYU Press Winner of the 2014 Jordan Schnitzer Book Award presented by the Association for Jewish Studies Jews have played an integral role in the history of obscenity in America. For most of the 20th century, Jewish entrepreneurs and editors led the charge against obscenity laws. Jewish lawyers battled literary censorship even when their non-Jewish counterparts refused to do so, and they won court decisions in favor of texts including *Ulysses*, *A Howl*, *Lady Chatterley's Lover*, and *Tropic of Cancer*. Jewish literary critics have provided some of the most influential courtroom testimony on behalf of freedom of expression. The anti-Semitic stereotype of the lascivious Jew has made many historians hesitant to draw a direct link between Jewishness and obscenity. In *Unclean Lips*, Josh Lambert addresses the Jewishness of participants in obscenity controversies in the U.S. directly, exploring the transformative roles played by a host of neglected figures in the development of modern and postmodern American culture. The diversity of American Jewry means that there is no single explanation for Jews' interventions in this field. Rejecting generalizations, this book offers case studies that pair cultural histories with close readings of both contested texts and trial transcripts to reveal the ways in which specific engagements with obscenity mattered to particular American Jews at discrete historical moments. Reading American culture from Theodore Dreiser and Henry Miller to *Curb Your Enthusiasm* and *FCC v. Fox*, *Unclean Lips* analyzes the variable historical and cultural factors that account for the central role Jews have played in the struggles over obscenity and censorship in the modern United States.

ThirdWay

Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

Hooked

New Science on How Casual Sex is Affecting Our Children

Moody Publishers Society tells us that sex is an act of self-expression, a personal choice for physical pleasure that can be summed up in the ubiquitous phrase: “hooking up”. Millions of American teenagers and young adults are finding that the psychological baggage of such behavior is having a real and lasting impact on their lives. They are discovering that “hooking up” is the easy part, but “unhooking” from the bonds of a sexual relationship can have serious consequences. A practical look into new scientific research showing how sexual activity causes the release of brain chemicals, which then result in emotional bonding and a powerful desire to repeat the activity. This book will help parents and singles understand that “safe sex” isn't safe at all; that even if they are protected against STDs and pregnancy, they are still hurting themselves and their partner.

Sex from Plato to Paglia: A-L

Greenwood Publishing Group More than 150 alphabetically arranged entries on topics, thinkers, religions, movements, and concepts locate sexuality in its humanistic and social contexts.

What a Difference a Daddy Makes

The Lasting Imprint a Dad Leaves on His Daughter's Life

Thomas Nelson Study after study shows that fathers set up their daughters for success. Involved fathers-whether or not they live in the same house as their daughters-boost their daughters' academic achievement, promote their emotional health, increase their compassion for others, and even bolster the status of women. In What a Difference a Daddy Makes, renowned psychologist and bestselling author Dr. Kevin Leman seamlessly weaves the latest research on fathering with funny, moving stories about his own parenting experiences. He gives practical ideas and inspiration for fathers and provides specific direction for helping daughters grow into loving, confident, caring adults.

Singled Out

Why Celibacy Must Be Reinvented in Today's Church

Brazos Press Authors Christine Colón and Bonnie Field thought that by a certain age they would each be married. But they watched that age come and go--and still no walks down the aisle. In Singled Out, they reflect on their experience--and that of an increasing number of Christians. Rejecting overly simplistic messages from the church about "waiting for marriage," they explore a deeper understanding of celibacy that affirms singles' decision to be sexually pure, acknowledges their struggles, and recognizes their importance in the church community. Thoughtful and accessible, Singled Out is an invaluable voice of realistic encouragement for any single as well as an important tool for church leaders and others concerned with mission and ministry for singles.

Modesty

A Fashion Paradox

Neem Tree Press Modest fashion is a young, fast-growing, multi-billion-dollar retail sector. What do we mean by Modest Fashion? Who are the personalities and companies driving this industry?

Antifeminism and Family Terrorism

A Critical Feminist Perspective

Rowman & Littlefield Rhonda Hammer's Antifeminism and Family Terrorism presents original and provocative critical feminist perspectives on violence against women and children. Hammer provides a clear and insightful analysis of the current rhetoric produced by antifeminists who would deny the seriousness of the problem and thus undercut important feminist concerns. Dr. Hammer documents the tragic dimensions of the brutalization of women and children in the family, and the larger problem of the increasing poverty and oppression of women and children in the global economy.

The Great Beyond

Restoring women to their God-given role in the church

Pneuma Springs Publishing Society is waking up to the notion that equality between the sexes extends beyond words and into action. This means equal pay for doing the same job regardless of gender. It means equal opportunities to study and progress in any career regardless of any preconceptions concerning whether the job is 'appropriate' for a person. This new awakening is beginning to open up new vistas of possibility and we are seeing women entering and thriving in areas that were previously male strongholds such as football and engineering. On theological grounds, the church is instinctively conservative because it is supposed to uphold God's standards rather than be influenced by the world. That has meant that leadership has remained largely male, particularly in the evangelical sectors of the church.

Whilst we have seen some of the more traditional denominations open the way for women to become priests, bishops, moderators, etc., the evangelical church has largely clung to an ideal of male leadership. In this book, Richard Bradbury challenges the position of the evangelical church, and in particular the New Churches with respect to female leadership. Arguing from the basis of Biblical exegesis, as well as sociological evidence, he presents a compelling case for allowing and enabling women to rise up into their God-given gifting and calling without any restrictions. Book reviews online: [PublishedBestsellers website](#).

Conduct Books and the History of the Ideal Woman

Anthem Press The longest-running war is the battle over how women should behave. “Conduct Books and the History of the Ideal Woman” examines six centuries of advice literature, analyzing the print origins of gendered expectations that continue to inform our thinking about women’s roles and abilities. Close readings of numerous conduct manuals from Britain and America, written by men and women, explain and contextualize the legacy of sexism as represented in prescriptive writing for women from 1372 to the present. While existing period-specific studies of conduct manuals consider advice literature within the society that wrote and read them, “Conduct Books and the History of the Ideal Woman” provides the only analysis of both the volumes themselves and the larger debates taking place within their pages across the centuries. Combining textual literary analysis with a social history sensibility while remaining accessible to expert and novice, this book will help readers understand the on-going debate about the often-contradictory guidelines for female behavior.

Feminine by Design

The God-Fashioned Woman

Golden Key Press Women are the product of divine design, the exquisite creation that God fashioned with careful, meticulous, and loving care. Understanding how and why God created woman enables both women and men to recognize the rightful contributions that God designed women to make for the welfare of humanity. Despite millennia of misguided efforts by men to control and dominate them, women were originally designed by God to be coequal with

men and to have complete freedom to use any gift and to fulfill any role that he has given to them. That design is still God's ideal for the God-fashioned woman, and includes the following subjects: **Designed to Be Feminine, Designed for Beauty, Designed for Purity and Modesty, Designed for Sexual Fulfillment, Designed for Nurture and Relationship, Designed for Freedom.** Whatever your race, ethnicity, gender, faith, or social status, this book and the other volumes in this series will literally set you free from misconceptions that have restricted the roles of women. As you are reconnected with the Hebraic foundations of your faith, you will clearly understand God's original design and purpose for women, and you will begin to help remove obstacles that have kept women from assuming their God-given roles in the family, in society, and especially in the community of faith.

Virginity Lost

An Intimate Portrait of First Sexual Experiences

NYU Press Includes information on abstinence, abstinence focused sex education, African Americans, Asian Americans, birth control, born again virginity, chastity, coming out, conservative Christians, definitions of virginity loss, double standard, Latinos, Latinas, oral sex, race, ethnicity, rape, religion, secondary virginity, stigma, technical virginity, etc.

Communism: A Very Short Introduction

Oxford University Press The collapse of communism was one of the most defining moments of the twentieth century. This Very Short Introduction examines the history behind the political, economic, and social structures of communism as an ideology.

Rebuilding Catholic Culture

How the Catechism Can Shape Our Common Life

Sophia Institute Press Rarely does a book come along that so succinctly explains the decline of modern culture, articulates a defense of the Church's teachings, and offers a hope-filled path for building a civilization grounded in Catholic truth. In these pages, Dr. Ryan Topping does all three, pulling back the curtain on the false philosophies of the secularists and showing that in the West today the most formidable threat to freedom is not failing economies or Islam, but secularism. Our best defense, he claims, is a vibrant Catholic culture, and our best hope for creating it lies in the principles found in the Catechism of the Catholic Church. This book takes you on a masterful journey through the relevant portions of the Catechism, distilling sophisticated theological concepts into words that are simple, clear, and direct, while unpacking its core teachings on faith and morals that nurture true civilizations. In *Rebuilding Catholic Culture*, you'll also discover sensible ways to begin restoring Catholic culture -- right now -- in your own life and family, and in our larger communities as well: in the theater, the classroom, in our hospitals, and even in the public square. This profoundly accessible book will renew your confidence in the world-transforming character of our Creed and in the potency of our Faith to shape and redefine the culture of the West.

Fish Out of Water

Surviving and Thriving As A Christian on a Secular

New Leaf Publishing Group From the perspective of a parent with college-age children, I thank Abby Nye for confronting us so boldly with the reality of what Christian students face in the secular world of academia. "Children need to be prepared for this experience - or they need to avoid it" -Joseph Farah, editor and C.E.O., *WorldNewDaily.com* So you're ready for the next chapter in your life?. Well, if you are a Christian heading to campus for the first time, there are several things you need to know about living your faith while surrounded by atheistic professors. Abby Nye has written a fantastic guide for college students who find their faith and values under assault from day one. Learn just what to expect, and how to navigate through classes while maintaining a good GPA and a positive college experience. Abby prepares new freshman (and even seasoned students!) to be able to survive and

thrive in this often hostile setting. Among the topics she covers: Freshman orientation week The treatment of science and faith in the classroom Difficult professors and real life solutions The many forms of liberal ?indoctrination? Helpful campus groups and managing peer pressure This book is truly a must reading for students embarking for any college? a valuable handbook for parents, teachers, and students alike.

30 Ways in 30 Days to Save Your Family

Simon and Schuster Rebecca Hagelin lays out 30 simple and concrete actions that parents can implement-one day at a time-to reconnect with their children and restore peace in their home. As a mother of three, a syndicated columnist, and specialist on family, culture, and media issues, Rebecca understands the frustration parents feel. She designed this book with working parents and busy families in mind. Moms and dads can read a chapter at soccer practice or while waiting in carpool and come away with practical solutions to common parenting problems that can easily be put to use. Featuring a foreword by Sean Hannity, personal stories from Rebecca, as well as anecdotes from other parents, 30 Ways in 30 Days to Save Your Family offers common sense advice to help parents tackle everyday dilemmas.

Right to Marry

A Case for Getting and Staying Married

Carol Fox Most women want to marry. Men do too, but their desire is more subconscious. They are not as vocal or upfront, and for them the dreamy aspect does not exist. As long as marriage basically survives as a legal union between a man and a woman for life, we have a right to make that choice. Rather than being a strictly private arrangement, marriage is a public commitment; Right To Marry explains why this is so. As part of our culture, we are invited to partake, to enjoy, to participate, to honor, and to join in a well established tradition that is undergoing change and whose existence is under threat. As with all rights, marriage has responsibilities - to us, our spouse, our family and our culture, just to name a few. Is it also right to marry? What are the advantages? For the sake of providing that there be future generations, it is essential. Oh yes, babies can be born without the sanction of marriage. Is this a good idea? Does it lift society? What are the ramifications? What is so special about marriage and why is it

worth preserving? Right to Marry examines these questions and with due consideration of your own views, seeks answers. Right to Marry provides clues on how to choose the right spouse if possible. Looking at the vows from the Christian and Jewish faiths, these time honored words, what do they mean, and how do they play out in practical terms in our lives. The book also offers testimony of those marriages that have lasted, endured the hardships and joys inherent in living together, and supplies encouragement to those who can't see what all the fuss is about. Hopefully you will be open enough to read this book and find your own answers. The book can also help those who have made a mistake and do not want to keep repeating it. Being and staying married, what kind of efforts are necessary? Anyone that has an interest in marriage has the right to read the book and find out why it is right to marry.

Growing Great Girls

100s of Practical Strategies for Bringing Out the Best In Your Daughter

Penguin Random House New Zealand Limited The must-have parenting book for parents with daughters. After the huge success of Growing Great Boys comes this companion title focusing on girls. There are many issues today to challenge girls and their parents. This book gives support and advice to parents in the same way that Growing Great Boys has done. It includes some general chapters on the nature of girls; girls and mothers; girls and fathers; solo parenting; preschool girls; middle years, and teen girls. Throughout the text Ian and Mary also address these topics: the delightful side of girl-culture as well as the negative side; the special challenges of our current culture - the rise of the brainless bimbo; girls and success - those things which impact a girl's likelihood of success; girls and friendships; girls and self-esteem - character is more important than curves; fun and communication - girl-style; preparing for puberty; building blocks for a meaningful life; mentoring a girl; and lots more.

God, Marriage, and Family

Rebuilding the Biblical Foundation

Crossway This updated, second edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation.

Turbo Chicks

Talking Young Feminisms

Canadian Scholars' Press Energetic, reflective, often passionate, *Turbo Chicks* clearly and powerfully demonstrates that feminism has many valid interpretations and that young and older feminist alike are vital to keeping the movement dynamic.

Rape On The Public Agenda

Feminism and the Politics of Sexual Assault

UPNE An examination of the history, development, and impact of the feminist anti-rape movement.

Guide for the Christian Perplexed

Wipf and Stock Publishers Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice. They are perplexed partly because they recognize that the issues themselves are thorny, and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance. Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity. If they dare to acknowledge their theological perplexities at all, they are too often told that these perplexities are unimportant, or that they can be answered very simply, or that they should be left to the experts. Guide for the Christian Perplexed, written by members of the faculty

of Wycliffe College, Toronto, aims to explore a diversity of issues and questions to do with our knowledge of Jesus othe meaning of suffering othe function of doctrine othe understanding of Scripture othe place of other religions othe challenge of atheism othe pleasures and complications of sexuality othe nature of worship othe way to evangelize ounderstanding who our neighbor is locally and globally odiversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues. A study guide is included for individual and group use.
