Sin for Solace

The Solace of Sin

Corgi From the first moment she saw the house on the moors north of Hexham, Conie Stapleton knew she could live there, despite its isolation, despite its lack of basic facilities, and despite her fear of loneliness. Her marriage, on the brink of disintegration, she had already decided to sell the large flat she and her husband Jim shared and she saw the move as a means of initiating the separation she knew was necessary; and now that their son Peter would soon be off to university, there was, she decided, no reason to delay the inevitable. Even if the winters at Shekinah, as the house was called, were as severe as her family had warned, she told herself she could always buy a flat in nearby Hexham. To buy the house, Connie was told that she must negotiate with the nearby O'Connors, one of whom, Vincent appeared to be their spokesman. However, she was somewhat surprised by his abruptness and by his insistence that the deal be closed forthwith; and further taken aback when he asked her if she would be able to sign the papers on the following day. Afterwards, when the house was hers and she had moved in, Connie was to discover that mystery was a way of life with Vincent O'Connor. Despite this, however, he was to have an increasing influence on her life as she settled into the new routine of days and nights at Shekinah. But then, as a result of circumstances over which she had no control, the shocking truth about the man with whom she had shared a life for many years came to light... Set in the 1970s, The Solace of Sin is the story of a strong and independent woman whose life is transformed by new surroundings and new acquaintances. It is a richly satisfying novel, as powerful as any that Britain's premier author has written in her long and distinguished career.

Tapestry for Two: Journey to Us

Kathy Zeibert Who they were may catch up to who they are. Will it destroy who they want to become? When Dominic married the woman of his dreams, he thought he'd left his old life of secrets and regrets behind. But what should be a relaxing trip to a familiar Montana dude ranch brings up thoughts of the past, and he can't ignore the fear of what Callie will do if she knows the darker truth that haunts him. Hesitant to repeat his mistakes, he struggles with whether to live with the guilt or bare his soul. Callie is happier than she ever imagined possible. But she has a bombshell secret of her own. She's waiting for the perfect time to tell Dom. In her own words. When she's ready. Except her past steps in and demands to be known. Now! Every choice, good and bad, has brought them to this point, their lives tightly woven together. But when the past ugly truths are revealed, will their love unravel? Or will the bond between this cowboy and his bride be even stronger? The Idea of the Labyrinth from Classical Antiquity through the Middle Ages

[Cornell University Press](#) Ancient and medieval labyrinths embody paradox, according to Penelope Reed Doob. Their structure allows a double perspective—the baffling, fragmented prospect confronting the maze-treader within, and the comprehensive vision available to those without. Mazes simultaneously assert order and chaos, artistry and confusion, articulated clarity and bewildering complexity, perfected pattern and hesitant process. In this handsomely illustrated book, Doob reconstructs from a variety of literary and visual sources the idea of the labyrinth from the classical period through the Middle Ages. Doob first examines several complementary traditions of the maze topos, showing how ancient historical and geographical writings generate metaphors in which the labyrinth signifies admirable complexity, while poetic texts tend to suggest that the labyrinth is a sign of moral duplicity. She then describes two common models of the labyrinth and explores their formal implications: the unicursal model, with no false turnings, found almost universally in the visual arts; and the multicursal model, with blind alleys and dead ends, characteristic of literary texts. This paradigmatic clash between the labyrinths of art and of literature becomes a key to the metaphorical potential of the maze, as Doob's examination of a vast array of materials from the classical period through the Middle Ages suggests. She concludes with linked readings of four "labyrinths of words": Virgil's Aeneid, Boethius' Consolation of Philosophy, Dante's Divine Comedy, and Chaucer's House of Fame, each of which plays with and transforms received ideas of the labyrinth as well as reflecting and responding to aspects of the texts that influenced it. Doob not only provides fresh theoretical and historical perspectives on the labyrinth tradition, but also portrays a complex medieval aesthetic that helps us to approach structurally elaborate early works. Readers in such fields as Classical literature, Medieval Studies, Renaissance Studies, comparative literature, literary theory, art history, and intellectual history will welcome this wide-ranging and illuminating book.

 Before Honor

Christian Faith Publishing, Inc. In a day when the church's voice is increasingly silenced by the world's opposition, a call to stand for the good fight of faith must be made. But in God's call to His people, He asks them to stand up by first kneeling down. In an address to Solomon, God said: "If my people who are called by my name shall humble themselves...then will I hear from Heaven and forgive their sin and heal their land." The first motion toward the awesome, sovereign God is downward, in humility. The title of the book, Before Honor, is taken from a verse from Solomon's Proverbs: "Before honor is humility." Before a hearing from heaven and preceding any honor to God or from Him is humility. The author of the book confirms this principle of humility with a plethora of Biblical evidence. Using a Biblical overview, the writer demonstrates the continuity of the theme from Genesis to Revelation, thus supporting the claim that humility is a fundamental attribute of God and the only attitude a follower can have that exalts and glorifies Christ. Though pride, the inverse of humility, is a destructive force, humility is a beneficent one. Humility is the hope of revival for all God's people.

The Bedevilment of Elizabeth Lorentz

University of Toronto Press Elizabeth Lorentz was a young maid servant in early modern Germany who believed herself to be tormented by the devil, and who was eventually brought to trial in 1667. The trial grappled with the question of whether Lorentz was a willing accomplice of the devil or suffering from melancholy as a result of her previous sins. To provide readers with historical context, Morton includes an introduction to the early modern issues of demonic pact, possession, and spiritual melancholy, and as a supplement, a contemporary record of demonic possession of another young woman. The Bedevilment of Elizabeth Lorentz provides excellent insight into the complexities of Protestant attitudes to melancholy and the Devil, and into the circumstances of young women in early modern Europe.

Milton's Inward Liberty

A Reading of Christian Liberty from the Prose to Paradise Lost

Wipf and Stock Publishers What is true liberty? Milton labors to provide an answer, and his answer becomes the ruling principle behind both prose works and poetry. The scholarly community has largely read liberty in Milton retrospectively through the spectacles of liberalism. In so doing, it has failed to emphasize that the Christian paradigm of liberty speaks of an inward microcosm, a place of freedom whose precincts are defined by man's fellowship with God. All other forms of freedom relate to the outer world, be they freedom to choose the good, absence of external constraint and oppression, or freedom of alternatives. None of these is true liberty, but they are pursued by Milton in concert with true liberty. Milton's Inward Liberty attempts to address the bearing of true liberty in Milton's work through the magnifying glass of seventeenth-century theology.

Grieving, Hope and Solace

When a Loved One Dies in Christ

Here is a tender blending of memoir and theology, a joining of heart and mind, a sober yet joyful consideration of Scripture in the face of one of life's deepest and most grievous trials. What exactly happens to those who die as Christians? What do they immediately experience? What is their existence like right now? What will happen to them when Christ returns to earth? These questions can be especially acute for grieving loved ones who remain. What comfort and assurance does Scripture offer you? What can you truly know and be confident of? These are the questions and concerns that faced Pastor Albert N. Martin following the death of his wife of nearly 50 years. He knew that, if he were to grieve in a way that glorified God, he needed to know the answers to those questions, as clearly as possible, directly from Scripture. This book is the product of his grief, his tears, his travails, his prayers, and his concentrated study of God's Word. A beloved pastor and widely respected preacher for half a century, Albert Martin handles Scripture with the greatest of skill, care, wisdom, and respect. In this book, you will learn what God tells us with regard to the burning questions that so often accompany the death of a loved one in Christ. There is comfort for the grief. There are answers to the questions. The Bible does offer hope, solace, healing, and confidence. Pastor Albert Martin has been there. Let him share with you the deep comfort, encouragement, and joy that he found, through Scripture, in the midst of his grieving.

The Complete Works of C. H. Spurgeon, Volume 13

Sermons 728 to 787

*Delmarva Publications, Inc. Volume 13 Sermons 728-787 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to republish the complete works of Charles Spurgeon.*

Showing of Love

Liturgical Press In Showing of Love, Julia Bolton Holloway provides a complete translation of Julian of Norwich's ground-breaking text, opening windows of insight into her medieval world. As a female mystic and theologian who was uniquely recognized (in a time when most women were not) for her holiness, Julian of Norwich also came to be known as a catechist, prophet, and spiritual director. Showing of Love records her own healing encounter with divine love and has for many centuries been a source of healing and inspiration for others. Readers of Julian's work find her belief that God sits in our soul as a fair city to be of profound value. That city is every city, Mary its queen, Christ its king. Julian offers these layers in rich text and variant readings. Julian dedicated years of her life to shaping Showing of Love, at the end rewriting it to preserve it from censorship. The anchoress lived in St. Julian's churchyard in Norwich. Her text was saved from destruction by nuns in Brigittine and Benedictine convents, first in England, then in exile after the Reformation. Julian's writings were later published by the Benedictines in 1670. They reveal her strong links with Benedict that continue to have lasting value for readers today. Includes two-color ink on inside pages. I found the translation excellent. The introduction is both authoritative and provocative. If you have never read Julian before, or if you want to return to her remarkable book after some time, Showing of Love is a good choice from the translations that are available. The Priest

The Logical Epic

A Study of the Argument of Paradise Lost

Sin Full

*A circle of salt. A crust of bread. A coin of silver to release your dead. He comes to you in your final hours, when fear from your actions weigh heavily on your soul. He consumes your darkness and whispers words of solace to release you from your deepest secrets. Grigori Dumah is a sin eater. Would you call him to share in what you have done? Would you trust him to release you from your sins? He could leave you to suffer in the darkness of your own creation. Choose wisely. Grigori is fighting those who have control over his life and what he does with it. He has battled restrictions his entire life. Orphaned and left within the walls of the church, he was taken and trained for the benefit of others. It was and is all about the money his benefactors can make off his skill. Sadly, his closest friend, Jaelyn, pimps him out for her benefit as well. She walks both sides of the tracks. If you have a need and the money is right, she knows a guy. To add to this growing list of torments, a serial killer is wreaking havoc on his city. But there is a sweet spot in Grigori's world. Eden is the girl he holds close. She is as sweet as the treats she bakes. But will the shadows and darkness of his world change hers? Will she run? Or will she see his true soul and be willing to risk her own.***Due to the nature of the storyline, this story comes with a warning for adults 18+*
