THIRD SERIES

COLERIDGE AND THE ROMANTIC NEWSPAPER

THE 'MORNING POST' AND THE ROAD TO 'DEJECTION'

Springer This book examines how Coleridge staged his private woes in the public space of the newspaper. It looks at his publications in the Morning Post, which first published one of his most famous poems, Dejection. An Ode. It reveals how he found a socially sanctioned public outlet for poetic disappointments and personal frustrations which he could not possibly articulate in any other way. Featuring fresh, contextual readings of established major poems; original readings of epigrams, sentimental ballads, and translations; analyses of political and human-interest stories, this book reveals the remarkable extent to which Coleridge used the public medium of the newspaper to divulge his complex and ambivalent private emotions about his marriage, his relationship with the Wordsworths and the Hutchinsons, and the effect of these dynamics on his own poetry and poetics.

SIMPLE SACRED SONGS FOR CHILDREN

6 DELIGHTFULLY EASY SONGS FOR UNISON OR 2-PART WITH REPRODUCIBLE SONG SHEETS

Alfred Music Publishing Simple Sacred Songs for Children is the perfect resource for beginning children's choirs. The tuneful, easily learned melodies employ timeless "classic" formal structures that foster the establishment of a lifelong love of singing and sow the seeds of the choral art. Spanning the entire church year, the six songs include titles for Advent, Christmas, Lent & Easter, as well as general occasions. As an added bonus, this comprehensive collection includes reproducible song sheets for the singers, featuring both melody and lyrics.

MUSIC AND THE CHILD

Children are inherently musical. They respond to music and learn through music. Music expresses children's identity and heritage, teaches them to belong to a culture, and develops their cognitive well-being and inner self worth. As professional instructors, childcare workers, or students looking forward to a career working with children, we should continuously search for ways to tap into children's natural reservoir of enthusiasm for singing, moving and experimenting with instruments. But how, you might ask? What music is appropriate for the children I'm working with? How can music help inspire a well-rounded child? How do I reach and teach children musically? Most importantly perhaps, how can I incorporate music into a curriculum that marginalizes the arts?This book explores a holistic, artistic, and integrated approach to understanding the developmental connections between music and children. This book guides professionals to work through music, harnessing the processes that underlie music learning, and outlining developmentally appropriate methods to understand the role of music in children's lives through play, games, creativity, and movement. Additionally, the book explores ways of applying music-making to benefit the whole child, i.e., socially, emotionally, physically, cognitively, and linguistically.

AND WE'RE ALL BROTHERS: SINGING IN YIDDISH IN CONTEMPORARY NORTH AMERICA

Routledge The dawn of the twenty-first century marked a turning period for American Yiddish culture. The 'Old World' of Yiddish-speaking Eastern Europe was fading from living memory - yet at the same time, Yiddish song enjoyed a renaissance of creative interest, both among a younger generation seeking reengagement with the Yiddish language, and, most prominently via the transnational revival of klezmer music. The last quarter of the twentieth century and the early years of the twenty-first saw a steady stream of new songbook publications and recordings in Yiddish - newly composed songs, well-known singers performing nostalgic favourites, American popular songs translated into Yiddish, theatre songs, and even a couple of forays into Yiddish hip hop; musicians meanwhile engaged with discourses of musical revival, post-Holocaust cultural politics, the transformation of language use, radical alterity and a new generation of American Jewish identities. This book explores how Yiddish song became such a potent medium for musical and ideological creativity at the twilight of the twentieth century, presenting an episode in the flowing timeline of a musical repertory - New York at the dawn of the twenty-first century - and outlining some of the trajectories that Yiddish song and its singers have taken to, and beyond, this point.

THE CHILD'S OWN SINGING BOOK, OR OLD SONGS FOR YOUNG SINGERS

THE ONE YEAR PRAYING THROUGH THE BIBLE FOR YOUR KIDS

Tyndale Momentum The only sure thing you can count on when it comes to your kids . . . is that God has got them. As parents we strategize and agonize. We wish for secret formulas and surefire methods. But somewhere along the way, we discover that what our kids need most is for God to do in their lives what only He can do. This beautiful deluxe edition of The One Year Praying through the Bible for Your Kids is designed to provide you with a daily dose of parenting perspective and hope. Join trusted author Nancy Guthrie as she takes you through The One Year Bible reading plan, helping you to mine each day's passages to discover how the Scriptures speak into the triumphs and turbulence of parenting, as well as provide fresh ways to pray for each of your children. Day by day you'll find yourself worrying less and praying more as your dreams and desires for your kids are increasingly shaped by the Scriptures rather than the culture around you. Let go of fear, and expect God to work as you pray through the Bible for your kids.

SONGS OF FAITH, HOPE, AND LOVE

FOR SUNDAY SCHOOLS AND DEVOTIONAL MEETINGS

SINGING THE SELF

GUITAR POETRY, COMMUNITY, AND IDENTITY IN THE POST-STALIN PERIOD

Northwestern University Press This book is a study of a Soviet cultural phenomenon of the 1950s through the 1980s known as guitar poetry—songs accompanied by guitar and considered poetry in much the same way as those of, for example, Bob Dylan. Platonov's is the most comprehensive book in English to date to analyze guitar poetry, which has rarely received scholarly attention outside of Russia. Going well beyond the conventional, text-centered view of guitar poetry as a form of political or artistic dissent, largely a function of the Cold War climate in which it began, Platonov argues for a more complex understanding of guitar poetry as a means of self-invention and community formation. Although grounded in literary studies, the book effectively brings historical, anthropological, and musicological perspectives to bear on an understudied phenomenon of the post-Stalin period.

BARNEY'S MUSICAL FAIR

Publications International With 20 popular songs, your children will love singing along with the music and flashing lights of the jukebox. Each song is introduced by your favorite character with a special line that prompts your child to sing along.

WITH CALVIN IN THE THEATER OF GOD

THE GLORY OF CHRIST AND EVERYDAY LIFE

Crossway John Calvin saw this world as God's theater where his glory is always on display. Just as "day and night pour forth speech," the universe and history are not silent either; they tell the glory of God. Reflecting on over 500 years of Calvin's legacy, John Piper and this book's other contributors invite us to join Calvin in the theater of God. Stemming from the Desiring God 2009 National Conference, this volume includes chapters by Julius Kim, Douglas Wilson, Marvin Olasky, Mark Talbot, Sam Storms, and John Piper. It touches on topics such as Calvin's life, the Christian meaning of public life, sin and suffering, the joy of the last resurrection, and Jesus Christ as the dénouement of God's story. Editors John Piper and David Mathis, along with the contributors, make John Calvin's Christ-exalting perspective on the glory of God accessible to today's readers. Both Calvinists and other evangelicals interested in the life and work of Calvin will find these essays refreshing and instructive, leading to a robust understanding of the world as the theater of God.

CATALOGUE OF CHORAL MUSIC ARRANGED IN BIBLICAL ORDER

Scarecrow Press This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.

WHY THE AMISH SING

SONGS OF SOLIDARITY AND IDENTITY

JHU Press Singing occurs in nearly every setting of Amish life. It is a sanctioned pleasure that frames all Amish rituals and one that enlivens and sanctifies both routine and special events, from household chores, road trips by buggy, and family prayer to baptisms, youth group gatherings, weddings, and “single girl” sings. But because Amish worship is performed in private homes instead of public churches, few outsiders get the chance to hear Amish people sing. Amish music also remains largely unexplored in the field of ethnomusicology. In *Why the Amish Sing*, D. Rose Elder introduces readers to the ways that Amish music both reinforces and advances spiritual life, delving deep into the *Ausbund*, the oldest hymnal in continuous use. This illuminating ethnomusicological study demonstrates how Amish groups in Wayne and Holmes Counties, Ohio—the largest concentration of Amish in the world—sing to praise God and, at the same time, remind themselves of their 450-year history of devotion. Singing instructs Amish children in community ways and unites the group through common participation. As they sing in unison to the weighty words of their ancestors, the Amish confirm their love and support for the community. Their singing delineates their common journey—a journey that demands separation from the world and yielding to God's will. By making school visits, attending worship services and youth sings, and visiting private homes, Elder has been given the rare opportunity to listen to Amish singing in its natural social and familial context. She combines one-on-one interviews with detailed observations of how song provides a window into Amish cultural beliefs, values, and norms.

SING LOUD, DIE HAPPY

AN EXPLORATION OF HOW GOD'S GIFT OF SONG IS MEANT TO CHANGE US

Wipf and Stock Publishers Singing is one of the most repeated commands in Holy Scripture. It's right up there with “believe” and “do not fear.” But commands like these can feel vaguely spiritual, intangible, or esoteric. You might not know if you're doing them right. Not so with singing. You just open your mouth and make it happen. And when we do, we often get the sense that God is up to something, that he has designed singing to change us. But how? How does singing do its transformative work? Why has God hard-wired singing with such power? What does Scripture teach us about the gift of song? What did the songs of Scripture feel like and sound like? Why does singing awaken something so visceral and emotional within us? And what are the results of being changed by the power of song? Behind all of these questions lies a creative, songful God. He delights in singing. He extends to us a melodic mission. He invites us into intimacy with himself and with his people, and singing is more essential to the journey than we have yet to believe.
