Accounting for Payroll A Comprehensive Guide [John Wiley & Sons](#) A one-stop resource for setting up or improving an existing payroll system! The most comprehensive resource available on the subject, Accounting for Payroll: A Comprehensive Guide provides up-to-date information to enable users to handle payroll accounting in the most cost-effective manner. From creating a system from scratch to setting up a payroll department to record-keeping and journal entries, Accounting for Payroll provides the most authoritative information on the entire payroll process. Ideal for anyone new to the payroll system or as a skill-honing tool for those already immersed in the field, this hands-on reference provides step-by-step instructions for setting up a well-organized payroll system or improving an existing one. Synergistic Management Control Systems [AuthorHouse](#) The book addresses the subject matter relating to management control systems in great detail. Obviously, volumes would be required to meet the needs of individuals specializing in a particular area. For example, a transportation manager would need much more information than what is presented in the chapter covering that topic. It contains many principles for success in each area. It has been designed for overall reading and reflection, and also detail study in each area. Practical Human Resource Information Systems [PHI Learning Pvt. Ltd.](#) Practical Guide to Human Resource Information Systems (HRIS) is a comprehensive presentation on global HRIS implementations and the associated challenges faced in such global projects. It begins with the basic HR and IT concepts and guides the readers through the complete life cycle of HRIS applications, spanning from planning to execution. Both HR and IT play an equal role in the development of HRIS applications. This book will help students from both HR and IT streams in assimilating the intricacies of implementation of HRIS projects. HR is one of the most popular ERP product implementation topics in today's business world. Its implementation needs a practical discussion using examples from real world. The examples, the case study and discussions in the book follow an international approach rather than discussing only a single country HRIS implementations. A real-life case study that flows through various chapters of the book brings out challenges in the implementation of HR specific projects. In today's global economy, HR is changing fast and dives into areas such as strategy outsourcing, mergers and acquisitions (M & A). This book covers all these areas and other topics that are relevant to today's HR world, providing more value to the readers. It provides illustrations to assist readers in visualizing the topics discussed and in developing a sound understanding of the integration and data aspects of HRIS systems. This book will be useful as a text for a course in HRIS wherever prescribed for the MBA (HR) and MBA (IT) students. The book encourages self-directed study and thought process, based on references provided at the end of each chapter, and hence will also be useful to consultants, HR professionals, and IT professionals working with HR departments. **Mastering SuperCalc5** [Sybex](#) Offers a complete and unimposing guided tour through each feature. With this book's step-by-step lessons, readers learn about the full capabilities of spreadsheet, graphics, and data management functions, and much more. The **Professional Services Firm Bible** [John Wiley & Sons](#) Spanning everything from legal firms and architects to fundraisers and dentists, the professional services industry continues to experience spectacular growth yet remains largely undocumented in business literature. Until now. The Professional Services Firm Bible is a sophisticated and comprehensive guide to running a highly productive professional services organization. Top consultants John Baschab and Jon Piot provide specific and sharply defined policies, practices and tools for each important aspect of managing the professional services firm, allowing you to assess current operations and develop a step-by-step plan for realizing measurable productivity improvements. Further, the book will help you improve financial performance by managing costs, getting the most from external vendors and improving revenues. The Professional Services Firm Bible is full of best practices, proven advice and practical techniques and includes a CD-ROM with customizable tools every professional services firm can use to achieve improvements. Please visit [www.iig1.com](#) and [www.impactinsights.com](#) for more information on the book and top consultants John Baschab and Jon Piot. **Financial & Managerial Accounting** [John Wiley & Sons](#) Financial and Managerial Accounting, 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Financial and Managerial Accounting is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts, and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. *WileyPLUS with ORION is sold separately from the text. **PC Mag** [PCMag.com](#) is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. With contributions by 30 top experts in the field, this new fourth edition provides an essential resource for those seeking the most up-to-date guidance, with a strong emphasis on applications and models. Coverage includes state-of-the-art methods for the valuation of closely-held businesses, nonpublic entities, intangible, and other assets, with comprehensive discussion on valuation theory, a consensus view on application, and the tools to make it happen. Packed with examples, checklists, and models to help you navigate your valuation project, this book also provides hundreds of expert "tips" and best practices in clear, easy-to-follow language. The companion website provides access to extensive appendix materials, and the perspectives of valuation thought-leaders add critical insight throughout each step of the process. Valuation is an important part of any organization's overall financial strategy, and seemingly-small inaccuracies or incomplete assessments can have big repercussions. This book walks you through the valuation process to give you the skills and understanding you need to get it done right. Learn best practices from 30 field-leading experts Follow clear examples for complex or unfamiliar scenarios Access practical tools that streamline the valuation process Understand valuation models and real-world applications The business valuation process can become very complex very quickly, and there's no substitute for clear guidance and a delineated framework in the run-up to completion. Get organized from the beginning, and be systematic and methodical every step of the way. **Financial Valuation: Applications and Models** is the all-encompassing, expert guide to business valuation projects. **Financial Valuation Applications and Models** [John Wiley & Sons](#) Real world applications and professional consensus by nationally recognized valuation experts Filled with a wealth of detail, practice tips, and examples, **Financial Valuation: Applications and Models, Third Edition** brings together thirty nationally recognized names in the valuation industry hailing from a variety of professional specializations—including accounting, business appraisal, and financial analysis—to provide practitioners with an indispensable reference on various valuation issues. Assembled by valuation authority James Hitchner, these contributors analyze, explain, and collaborate on the most effective valuation procedures to share real-world applications in the field of financial valuations. Written by 30 top experts in business valuations field Provides the valuation theory, the consensus view on application, and then the tools to apply it An all-encompassing valuation handbook that presents the application of financial valuation theory for business appraisers and consultants New chapters on Assessing Risk and Expert Witness Testimony Expands chapter on Cost of Capital Comprehensive in coverage and authoritative in treatment, James Hitchner's **Financial Valuation, Third Edition** provides trusted, complete business valuation information for CPAs, appraisers, analysts, attorneys, and corporate executives. **Handbook of Budgeting** [John Wiley & Sons](#) **Table of Contents** **Fast Close A Guide to Closing the Books Quickly** [John Wiley & Sons](#) Praise for **Fast Close: A Guide to Closing the Books Quickly** "Steve captures the essence of the problems affecting the financial close process within corporations of all sizes; from the period close of subledgers and general ledger through financial reporting, and the relationship and interdependencies of governance, people and technology. A must-read for the corporate controller." —David Taylor, ACMA, MBA, VP Strategy, Trintech Inc. "Fast Close: A Guide to Closing the Books Quickly, Second Edition is a must-read for today's busy controllers. Steven Bragg points out everything that can be done outside the close that you just never realized didn't actually have to be part of the month-end close process! Very commonsensical approach!" —Kathleen Schneibel, mba, cpa, Controller/CFO for Hire, KMAS Consulting LLC "A well-executed 'fast close' can bring many valuable benefits to any company, from improving organizational performance to transforming accounting executives from financial historians to trusted advisors. In **Fast Close, Second Edition**, Steve systematically breaks down the steps required to achieve a fast close in both public and private companies, providing financial executives with tips, checklists, and a cost-effective road map to implement fast close procedures in virtually any company." —Matthew Posta, Esq., CPA, Vice President of Finance, Key Air, LLC FROM THE FIRST EDITION "This is an outstanding book in which Steve reveals his secrets to a fast close. Having personally experienced his (one-day) fast close for years and enjoyed the beneficial impact on my company, I highly recommend this book for all financial officers who desire to have a large, favorable impact on their company." —Richard V. Souders, President and CEO, Kaba Workforce Solutions **FRS 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland** **How to Buy a Business without Being Had** [Page Publishing Inc](#) Gain access to practical tips and case studies that will help you evaluate how to buy a business and maximize your success as an entrepreneur. Before you start wading through the process of buying a business, it is imperative that you learn how to tell the good ones from the bad ones. John (Jack) Gibson, who has been helping buyers and sellers for more than thirty years, explains why some buyers and some businesses make a good fit. Learn how to value, negotiate and then buy a business and come out a winner. All you need to know to buy with confidence is clearly spelled out. "Before leaping into

the arena, read Jack Gibson's book. He has poured into it many years of relevant experience as both business owner and broker." - Michael Haviland, MPA, Ed.D, Denver "I founded and sold two businesses over my career. I wish this book had been available to better prepare me to guide the buyers through the tough questions they needed to ask." - Donald Mathews, Ph.D, Professor of Marketing PC Mag PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services.
