Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. MANET AND MODERN BEAUTY

THE ARTIST'S LAST YEARS

Getty Publications *This stunning examination of the last years of Édouard Manet's life and career is the first book to explore the transformation of his style and subject matter in the 1870s and early 1880s. The name Manet often evokes the provocative, heroically scaled pictures he painted in the 1860s for the Salon, but in the late 1870s and early 1880s the artist produced quite a different body of work: stylish portraits of actresses and demimondaines, luscious still lifes, delicate pastels, intimate watercolors, and impressionistic scenes of suburban gardens and Parisian cafés. Often dismissed as too pretty and superficial by critics, these later works reflect Manet's elegant social world, propose a radical new alignment of modern art with fashionable femininity, and record the artist's unapologetic embrace of beauty and visual pleasure in the face of death. Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists, a technical analysis of the late Salon painting Jeanne (Spring), a selection of the artist's correspondence, a chronology, and more, Manet and Modern Beauty brings a diverse range of approaches to bear on a little-studied area of this major artist's oeuvre.*
