**Wit and Wisdom of Gandhi, Nehru, Tagore Being a Treasury of Over Ten Thousand Invaluable and Inspiring Thoughts, Views, and Observations on about Eight Hundred Subjects of Popular Interest, Collected from the Speeches and Writings of These Three Great Leaders of Modern India Gandhi, Nehru, Tagore and Other Eminent Personalities of Modern India Wit and Wisdom of Gandhi, Nehru and Tagore Gandhi Nehru Aur Tagore** *On the life and works of three Indian political leaders, Mahatma Gandhi, 1869-1948, Jawaharlal Nehru, 1889-1964, and Rabindranath Tagore, 1861-1941. Tagore, Gandhi and Nehru Nationalism and Internationalism of Gandhi, Nehru, and Tagore Thoughts & Ideas of Gandhi, Nehru, Tagore & Ambedkar Thoughts of Gandhi, Nehru and Tagore Wit and wisdom of Gandhi, Nehru, Tagore being a treasury of over ten thousand invaluable and inspiring thoughts, views, and observations on about eight hundred subjects of popular interest, collected from the speeches and writings of these three great leaders of modern India Gandhi, Tagore and Nehru Building New India Selections from M.K. Gandhi, Rabindranath Tagore, Jawaharlal Nehru, S. Radhakrishnan [and] Vinoba Bhave Inde Journal (1915-1943) : Tagore, Gandhi, Nehru Y Les Problèmes Indiens India Reborn Bharat Mahan as Perceived by Westerners, Gandhi, Nehru, Tagore & Others Gandhi, Nehru and Tagore Gandhi Nehru Tagore Aur Ambedkar Tagore, Gandhi and Nehru, by K.R. Kripalani Indian Critiques of Gandhi *State University of New York Press Through examinations of Gandhi's critics, both individuals and groups, this book shows the complexity of Indian society and opinion at the time of the Indian Independence Movement. Although Gandhi has been the subject of hundreds of books and an Oscar-winning film, there has been no sustained study of his engagement with major figures in the Indian Independence Movement who were often**

his critics from 1920–1948. This book fills that gap by examining the strengths and weaknesses of Gandhi's contribution to India as evidenced in the letters, speeches, and newspaper articles focused on the dialogue/debate between Gandhi and Jawaharlal Nehru, Rabindranath Tagore, Sri Aurobindo, Bhim Rao Ambedkar, Annie Besant, and C. F. Andrews. The book also covers key groups within India that Gandhi sought to incorporate into his Independence Movement—the Hindu Right, Muslims, Christians, and Sikhs—and analyzes Gandhi's ambiguous stance regarding the Hindi-Urdu question and its impact on the Independence struggle. Harold Coward is Emeritus Professor of History and Fellow at the Centre for Studies in Religion and Society at the University of Victoria. He is the author or editor of many books, including most recently *Yoga and Psychology: Language, Memory, and Mysticism*, also published by SUNY Press. **The Crisis of Secularism in India** [Duke University Press](#) In this timely, nuanced collection, twenty leading cultural theorists assess the contradictory ideals, policies, and practices of secularism in India. **The Profile of a Chancellor Rajiv Gandhi, Tagore, and Santiniketan** Rajiv Gandhi's association with Visva-Bharati, educational institution founded by Rabindranath Tagore at Santiniketan, in 1921. **Inde Journal : 1915-1943 : Tagore, Gandhi, Nehru et les problemes indiens Indira Gandhi** [Diamond Pocket Books \(P\) Ltd.](#) **The Clash Within Democracy, Religious Violence, and India's Future** [Harvard University Press](#) While America is focused on religious militancy and terrorism in the Middle East, democracy has been under siege from religious extremism in another critical part of the world. As Nussbaum reveals in this penetrating look at India today, the forces of the Hindu right pose a disturbing threat to its democratic traditions and secular state. Nussbaum's long-standing professional relationship with India makes her an excellent guide to its recent history. **The Anatomy of Humanism With Special Reference to Tagore, Gandhi & Nehru Selected Letters of Rabindranath Tagore** [Cambridge University Press](#) A selection of some 350 letters spanning Nobel prize-winning writer Rabindranath Tagore's entire life - the first to be available to English readers. **Tagore & Gandhi Walking Alone, Walking Together** [Rupa](#) The first in-depth study of the deep bond between Mahatma Gandhi and Gurudev Tagore by one of our greatest historians. Tagore and Gandhi were both born in the 1860s and, through their very different spheres of activity, became figures of global renown and shapers of modern India. They also shared a deep personal friendship which was robust enough to bear the strain of differences on many public issues through the 1920s and '30s. Gandhi always addressed Tagore as Gurudev which, for Gandhi, was not an empty epithet. Gandhi sought Tagore's blessings at every critical juncture of his Indian public career. Tagore openly acknowledged Gandhi as the greatest Indian of his time. In *Tagore and Gandhi: Walking Alone, Walking Together*, Rudrangshu Mukherjee explores their relationship through their differences expressed in their writings and letters to each other and also tries to understand the beliefs that acted as the bond between the two of them. They differed with each other without a hint of acrimony, and they looked towards building an India that was inclusive and free from hatred and bigotry. **Indira Gandhi** [Penguin UK](#) Indira Gandhi, Prime Minister of India for over sixteen years, was a brave freedom fighter and a passionate patriot, deeply committed to the honour and integrity of India. She was also a devoted mother and grandmother, who was great fun to be with—she loved books, nature, art,

sports and puzzles. Born into the illustrious Nehru family in Allahabad, Indira Priyadarshini Gandhi was educated at Santiniketan, Geneva and Oxford, and was determined since childhood to serve the people of India. This biography, with a foreword by Rajiv Gandhi, and illustrated with rare photographs, portrays very simply but eloquently the life of the 'Iron Lady of India' from her birth on 19 November 1917 to her assassination on 31 October 1984. **Inde, journal 1915-1943, Tagore, Gandhi, Nehru et les problèmes indiens Indo-German Exchanges in Education Rabindranth Tagore Meets Paul and Edith Geheeb** Oxford University Press In 1930, when Rabindranath Tagore met Paul and Edith Geheeb in Germany, they formed a fruitful and long-term association resulting in the exchange of ideas and vision. Tagore's Brahmacharya Ashram, founded in 1901 in Shantiniketan, and the Geheeb's Odenwaldschule, established in Germany in 1910 (thereafter the Ecole d'Humanité in Switzerland, established in 1934 after the couple fled Nazi Germany), emerged from vastly different cultural backgrounds and social exigencies. Yet, they recognized striking similarities between their educational endeavours. The meeting also initiated a close association between India and Germany, with the Geheeb's attracting many Indian intellectuals and Indophile Germans to their schools. This book explores the areas where the lives of the Geheeb's and Tagore, and their respective circles, overlap. Rather than being a biography, a history, or a comprehensive description, this study is a comparison of Tagore and the Geheeb's and their schools. Making use of the repository of unpublished correspondence available at the Ecole's archive, the author studies the Indo-German cultural exchanges in the early twentieth century that were initiated by these three educators and their pedagogical vision. **Celebrating Tagore: A Collection of Essays** Allied Publishers Papers presented at a summer seminar on Tagore, held at Kolkata in 2000 and a conference on Celebrating Tagore, held at Fayetteville State University, North Carolina in 2004. **Rabindranath Tagore The Singer & His Song** Penguin UK *Gitanjali*, the book of poems for which Tagore was awarded the Nobel Prize for Literature in 1913, was in fact a collection of songs. Much of what Tagore experienced-joy and frustration, grief and devastation-was expressed through music, and during his lifetime, Tagore was most renowned for his songwriting. The distinction of his musical oeuvre lay in the near-perfect balance he achieved between the evocative lyrics, the matching melody and the rhythmic structure in which each song was bound. *The Singer and His Song* is a unique biography of Tagore with music as its leitmotif. It traces the musical journey of the poet with anecdotes and allusions, and includes translations of some of his most resonant songs. Written in elegant prose and accompanied by relevant photographs and paintings, this highly original book is a fitting tribute to Tagore's enduring musical legacy. **Gandhi, Nehru, Tagore and Ambedkar** Tagore and China SAGE Publishing India *Tagore and China* is the first full account in English of Rabindranath Tagore's visit to China and its civilizational import. Perhaps for the first time, exhaustive material related to the visit has been collected. The book charts Tagore's 'grand visit' in 1924 undertaken in response to China's 'Tagore fever' and the series of talks he gave there, their antecedents as well as impact. Also discussed is the foundation of Cheena-Bhavana at Visva-Bharati-and thereby of Chinese studies in India-and Tan Yun-shan's lifelong dedication to it and the Sino-Indian love it held. This well-researched book unearths new material from Chinese sources to confirm the

devotion of Tagore's interpreter, poet Xu Zhimo, to him and Tagore's affection for Xu Zhimo. Tagore's two personal visits to Xu Zhimo, preceded by the latter's visit to Santiniketan, have also been detailed. Supplemented by several rare photographs, *Tagore and China* is a fitting tribute to Tagore's 150th birth anniversary and is going to be of abiding value to Sino-Indian understanding. **The Mahatma and the Poet Letters and Debates Between Gandhi and Tagore, 1915-1941** National Trust This book is a collection of letters and debates exchanged between Mahatma Gandhi and Rabindranath Tagore between 1915 and 1941. The introduction by the compiler examines the historical context of the correspondence and provides an overview of the major issues discussed. **Gandhi Nehru Tagore aur Ambedkar** Description and contribution of some important players in the independence movement of India. **Inde, journal, 1914-1943 Tagore, Gandhi, Nehru et les problèmes indiens Indira Gandhi A Biography** Penguin Books India Indira Gandhi's Life Was Part Of The Unfolding History Of India, Intricately Woven With India's Past And Future. It (Became) Inevitable, Therefore, That Politics (Formed) A Backdrop To Her Public And Often Private Actions. Indira Gandhi's Life Spanned Over Two-Thirds Of A Century. By The Time Of Her Brutal Assassination In 1984, She Had Established Herself As The Most Significant Political Leader India Had Seen Since The Death Of Her Father, Jawaharlal Nehru. In This Book, Written With The Close Cooperation Of Her Subject, Pupul Jayakar Seeks To Uncover The Many Personalities That Lay Hidden Within Mrs Gandhi. Much More Than A Political Biography, The Book Reveals The Complex Personality Of Indira Gandhi—Her Thoughts And Feelings, Her Hates And Prejudices, Her Insights And Her Faults, Her Loves And Emotional Entanglements. Full Of Startling Insights, Indira Gandhi: A Biography Paints A Magnificent Portrait—At Once Empathetic And Unprejudiced—Of One Of The Twentieth Century's Most Remarkable Women. **On Tagore Reading the Poet Today** Penguin Books India **Nationalism** Prhi 'More than any other Indian he has . . . broadened the bases of Indian nationalism. He has been India's internationalist par excellence' -Jawaharlal Nehru Rabindranath Tagore (1861-1941) was the first Asian to win a Nobel Prize. Nationalism is based on lectures delivered by him during the First World War. While the nations of Europe were doing battle, Tagore urged his audiences in Japan and the United States to eschew political aggressiveness and cultural arrogance. His mission, one might say, was to synthesize East and West, tradition and modernity. The lectures were not always well received at the time, but they were chillingly prophetic. As Ramachandra Guha shows in his brilliant and erudite introduction, it was by reading and speaking to Tagore that those founders of modern India, Gandhi and Nehru, developed a theory of nationalism that was inclusive rather than exclusive. Tagore's Nationalism should be mandatory reading in today's climate of xenophobia, sectarianism, violence and intolerance. **Ecology and Nationalism Western Impact, Indian Response : Anti-colonial Discourse by Early Indian Intellectuals** **Bankimchandra, Tagore, Gandhi, Nehru Tagore and Nationalism** Springer This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation, nationalism, identity and selfhood, civilization, culture and homeland in Tagore's writings. As these ideas take up the centre-stage of politics in the subcontinent as also elsewhere in the world in the 21st century, it becomes extremely relevant to revisit his works in this context. Tagore's ambivalence towards nationalism as an ideology was

*apparent in the responses in his discussions with Indians and non-Indians alike. Tagore developed the concept of 'syncretic' civilization as a basis of nationalist civilizational unity, where society was central, unlike the European model of state-centric civilization. However, as the subterranean tensions of communalism became clear in the early 20th century, Tagore reflexively critiqued his own political position in society. He thus emerged as the critic of the nation/nation-state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein. This volume for the first time covers the socio-political, historical, literary and cultural concerns relating to Tagore's efforts towards the 'de-colonization' of the Self. The volume begins with various perspectives on Tagore's 'ambivalence' about nationalism. It encompasses critical examinations of Tagore's literary works and other art forms as well as adaptations of his works on film. It also reads Tagore's nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates.*
