"Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." **Go the Fuck to Sleep** is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care. **Good Night Tiger** *Tiger Tales* Emma is trying to sleep, but the animals in her wallpaper are making too much noise! Can she help the noisy animals settle down so that everyone can get to sleep? **The Bent Tree and the Sleeping Tiger** *Christopher Dutton Broken Walls Publishing* An old hermit monk journeys to the edge of a vast plain of long grass and resides under a great Bent Tree, where also rests a sleeping tiger. While there, he is visited by various characters who seek some solution to their life problems. The old man uses tales, debate and taoist philosophy to help them weave their way back into a happier tapestry of life. These tales mix humour with deep thought, which at first confounds, but always enlightens in the end. Far from the Road, the road more or less travelled, there is, under the Bent Tree, surrounded by long grass, an Old Man and a sleeping Tiger. That is to say that sometimes the man sleeps and sometimes the tiger sleeps. There are times too that both sleep, but because there is always peace, there are never times that both do not sleep. Strangely too, there is always one tiger for one man or one woman...never more, never less. What does this mean? We know the road is life, more or less travelled. We know the long grass is the vagueness of fates between living and wisdom. We "see" things in the distances of our destiny but how do we get there? Do we want to get there? The Bent Tree is easy. It is Death and it is Wisdom. For all knowledge comes with Death, the Great Portal...and then, that is the end of all Knowledge. Which is Wisdom also. The Death of all Knowledge. Under the Bent Tree, knowledge sleeps. We are left to explain a man and a tiger. The tiger sleeps and the man is awake. The man is Logic, Reason, Consciousness. The man sleeps and the tiger roams. Do not be alarmed, however. Though the tiger is indeed a man or woman's passions, without reason and logic, passion is only passion. It is Natural. It creates. It knows nothing of evil. Unless the man or woman awakens also. Then we have a soul to deal with. **Tiger's Breath** *Spare Words Press* Kyle and Justin are just friends, right? Well, friends who have weird superpowers—like Justin turning into a tiger and Kyle being able to control the cold (sort of). But maybe they're more than friends, too... Justin doesn't want to admit to his feelings,

especially since Kyle is a little younger than him and seems so vulnerable and damaged. There's more at work in their lives than sometimes out-of-control powers or teasing and flirting; there's a protective and easily annoyed boss, and unexpected danger. Because even out-of-control powers are of use to somebody. Length: 31,000 words Heat level: very low Read to Tiger *Penguin* In this delightful role-reversal story, all the serious little boy wants is to settle down quietly and read his book. But that's not so easy when there's an imaginative tiger with an excess of energy behind the couch, wanting attention and someone to play with. Repetitive refrains and sound effects make this a perfect read-aloud, and the sweet and cozy ending will delight the heart of any book-lover.
