**Target Israel Caught in the Crosshairs of the End Times** *Harvest House Publishers* As the conflicts in the Middle East grow in intensity, we cannot help but wonder what lies ahead for the nation of Israel and whether any of it means we are drawing closer to the last days. In their exciting new book *Target Israel*, prophecy experts Tim LaHaye and Ed Hindson explain why Israel is at the center of God's prophetic plan for the future. As you carefully review the Scriptures with them, you'll learn about... the miracle of Israel's modern-day existence Israel's unique purpose in the world the ways in which Israel serves as a super sign of the end times the coming alliance of nations that will attempt to annihilate Israel Christ's return to Jerusalem to rule the world You'll be inspired as you see how God will bring all His prophetic promises to pass, and be encouraged to share your faith with greater urgency in light of Christ's second coming. **Make Time for the Stars Fitting Astronomy into Your Busy Life** *Springer Science & Business Media* Many amateur astronomers are short of time. A full-time career usually takes up most waking hours, and often there simply isn't time for leisurely observing. Fortunately, modern technologies such as computer-controlled telescopes, GPS, north-seeking and level detection, have made telescope set-up much quicker. Today's imaging systems enable astronomers to take excellent astrophotographs without the hours-long exposures. *Make Time for the Stars* explains what to try on a tight schedule, and how to use today's equipment to get the most astronomy out of the least time. This book showcases a wide array of quickly performed astronomical projects, including various novel or new approaches to observing. There are also practical tips for maximizing time at the telescope, extracting optimal performance, quick and efficient set-up, and easily carried out optical maintenance. Significantly, the book features detailed information on alternative imaging techniques with simple and less time-consuming efforts. **Crosshairs A Novel** *Atria Books* The author of the acclaimed novel *Scarborough* weaves an unforgettable and timely dystopian tale about a near-future, where a queer Black performer and his allies join forces to rise up when an oppressive regime gathers those deemed "Other" into concentration camps. Set in a terrifyingly familiar near-future, with massive floods leading to rampant homelessness and devastation, a government-sanctioned regime called The Boots seizes on the opportunity to round up communities of color, the disabled, and the LGBTQ+ into labor camps. In the shadows, a new hero emerges. After he loses his livelihood as a drag queen and the love of his life, Kay joins the resistance alongside Bahadur, a transmasculine refugee, and Firuzeh, a headstrong social worker. Guiding them in the use of weapons and close-quarters combat is Beck, a rogue army officer, who helps them plan an uprising at a major televised international event. With her signature "raw yet beautiful, disturbing yet hopeful" (Booklist) prose, Catherine Hernandez creates a vision of the future that is all the more frightening because it is very possible. A cautionary tale filled with fierce and vibrant characters, *Crosshairs* explores the universal desire to thrive, love, and be loved for being your true self. **Journal of the United States Artillery Engineering Aid 3 & 2 Journal of the United States Artillery The Seismic Analysis Code A Primer and User's Guide** *Cambridge University Press* The first comprehensive guide to SAC, complete with introductory materials and detailed descriptions of its most advanced features. **Cultural Heritage in the Crosshairs Protecting Cultural Property during Conflict** *BRILL* This volume offers a series of case studies and "lessons learned" on the challenges faced by military forces in the protection of cultural property during armed conflict, ranging from training and awareness programs to all aspects of military operations. **NASA Tech Briefs The British encyclopedia, or, Dictionary of arts and sciences Encyclopaedia Perthensis; or, Universal dictionary of Knowledge.
