A SENSITIVE DOG'S GUIDE TO LOVE, LIFE AND COUNTER CRUISING

AuthorHouse High Paws for A Dog’s Guide to Life, Love and Counter Cruising: “I had no idea what I was missing.

Baker's book brought my game to a whole new level and I can't thank him enough. It all started with a 'paws-on' demonstration on Thanksgiving 2009. I never looked back." —Gus Tobias, Newfoundland (RIP) "There are those of us who beg for treats and those of us who appropriate treats. Through Baker's book, I've learned not to concern myself with what I'm doing but how I'm doing it. It's made a huge difference!" —Jake Franklin, Collie "I've been a counter-cruiser from way back. This guidebook has refined some of my clumsier techniques and also boosted my confidence in some of my 'tried and true' capers. This is a great read!" —Poppy Williams, Greyhound "Never have I felt so good about doing something so bad!" —Kirby Leighton, Brittany Spaniel "Easy as 1-2-3, simple as A-B-C and rockin' like Do-Re-Me! This is the ultimate guide to snacking nirvana!" —Cupcake Harper, English Bulldog "Baker explains it all, step by step, paw by paw. Cruising has never been so productive!" —Sioban Wells, Irish Wolfhound "Two paws Up!" —Banjo Tabor, Skippit (see chapter on designer dogs)

LOVING YOUR DOG

Xlibris Corporation After more than 40 years of working with, studying and experimenting with training and behavioral methods and techniques involving canines, I felt compelled to present this short version of the most successful ways for any dog owner to quickly and easily bring his own canine family member to a highly appreciated level of acceptance of peaceful existence in a human environment. Over the years, I have opened many books, looking for useful information, and closed it in disappointment. What I found in most instances, was a so-called dog expert, who had written 200 pages of his/her experiences with 1 or 2 of their personal dogs. My book addresses practically every negative issue that we humans have with dogs in our attempt to live with and love a new canine addition to our families. I avoided showing photos that would tend to focus the readers on the training aspect of working with dogs, over gaining a sound understanding of how canines think and function within their own society. I want the readers to develop their own styles in the application of my proven methods. The end result will be that you will have an AMAZING dog. One that is so well-behaved, intelligent, happy and complimented by anyone who has an opportunity to meet him/her. You can't help but love and cherish an animal like that. Finally, I am going to give every dog owner some words that they need to hear. Get yourself a Bible. Go to Psalm 36:6. Says that God "Cares for people and animals Alike". It means to me that its alright for us to truly show love and affection to our canine son or daughter as we do our own. When you look into the eyes of your canine, you will see the love and appreciation that they have for you. Canines and humans have a long history of togetherness. Using my methods, you can have that ultimate experience too.
