CHRISTMAS JARS REUNION

The New York Times bestseller Christmas Jars has sold nearly

CHRISTMAS JARS

A NOVEL

Someone leaves a jar filled with money with the label "Christmas jar" on it after the robbery of journalist Holly Jensen's apartment on Christmas Eve and she decides to search for the donor and the meaning behind it.

PENNY'S CHRISTMAS JAR MIRACLE

Penny Paisley holds a party to present the family "Christmas Jar"--a jar in which her family has been saving spare change throughout the year--to an ailing neighbor, Grandpa Charlie.

THE WEDNESDAY LETTERS

Berkley Publishing Group After the deaths of their parents, three siblings return home to make funeral arrangements and find boxes full of love letters that their father wrote to their mother each week on Wednesday, uncovering the shocking truth about the past. Reprint.

CHRISTMAS JARS COLLECTOR'S EDITION

Shadow Mountain Newspaper reporter Hope Jensen uncovers the secret behind the -Christmas Jars,- glass jars filled with coins and bills anonymously given to people in need.

CHRISTMAS JARS BOXED SET

THE WEDNESDAY LETTERS

A NOVEL

After the death of their parents, three siblings return home and find a box of letters written by their father to their mother that uncovers the shocking truth about the past.

THE CROSS GARDENER

Berkley Publishing Group Mourning the tragic and sudden loss of his wife and unborn child, John meets a man touching up the white paint on the cross at the accident scene, and his conversations and travels with the mysterious man change his life. Reprint. 75,000 first printing.

THE 13TH DAY OF CHRISTMAS

Shadow Mountain When eight-year-old Charlee and ninety-year-old Marva are both diagnosed with cancer, the prospects of having a merry Christmas seem bleak. That is, until a series of letters and gifts that coincide with the 12 days of Christmas begin appearing. And the last letter--for the 13th day of Christmas--might just be the most important one of all.

THE SEVENTEEN SECOND MIRACLE

Berkley Publishing Group Cole Connor has become a patient teacher, and now he has invited three struggling teenagers to visit him on his front porch to learn about Rex Connor--and the Seventeen Second Miracle. Together they will learn how Rex Connor could have allowed seventeen seconds to destroy him, but instead he chose to live every day believing the smallest of acts could change the world for good.

A LETTER TO MARY

THE SAVIOR'S LOVING LETTER TO HIS MOTHER

THE WEDDING LETTERS

A NOVEL

Noah is preparing to marry Rachel. However, when a dark secret from Rachel's past surfaces, Noah and his parents, Malcolm and Rain, must find a way to heal Rachel's heart as well as save the wedding. Perhaps a scrapbook of wedding letters filled with good wishes and marriage advice will hold the key the couple needs to find love and happiness.

UNTIL YOU FIND STRENGTH: A LOVING REMINDER FOR WHEN YOUR GRIEF FEELS HEAVY

Shadow Mountain Everyone experiences loss differently and grieves in their own way, but author Jason F. Wright, has learned from his own life,

and from counseling others, that there are key principles to regaining your footing and finding tranquility after a devastating loss. This beautifully illustrated book is like an extended sympathy card, helping to remind those who are grieving that they are never alone in their pain and heartache. Long after funeral services, flowers, and cards, this book can be a more permanent and personal reminder that even in a difficult season of quiet, there are people who want to be supportive and are ready to comfort with just their presence and understanding in what the author calls the "new normal" as routines resumes: "Life lumbers forward. Your new normal has arrived. The one you didn't order. And we're still here for you. We're busy; it's true. But we still think of you. . . . Even if we don't call as often, or send that perfectly timed text, or knock on your door with hot cookies and warm hugs. We know your heart still aches. And we're still here. . . . If the quiet is unbearably loud, send a text. If the tears are knocking again, and it seems impossible to survive another day, please reach out. Any hour. Any time. Any place."

THE CHRISTMAS DOLL

Based on a true story from the life of Gail Saxton Miller, who owned a simple treasured doll as a little girl while living in poverty in the 1940s.

RISE TODAY

TRUSTING GOD AND HIS PROMISE

Shadow Mountain Almost everyone gets the doldrums at some level, whether from heartache, despair, or simply feeling that life isn't what they had planned. Author Jason F. Wright invites readers to rise above life's challenges with a message of hope. He offers specific counsel and advice he's learned through personally striving to live a Christ-centered life and through worshipping with many different congregations together in churches across the United States. This illustrated book is like an extended greeting card of comfort, support, and courage, reminding those who are struggling that they are not alone in their trials. The core of the author's message begins with a promise from God and three words that every Christian is familiar with--"He is risen." "Those three words are more than a headline," says the author. "They are a promise. Because He is risen, we too shall rise again. Every child of God has moments when it feels as if a giant rock has been rolled in front of our path. You may feel emotionally whipped by winds beyond your control. You may be thinking your own saving miracle is too far away to lean on. If you feel alone, in the dark, or powerless, remember that rising again doesn't need to wait until body and soul reunite. HE IS RISEN so we can rise . . . TODAY."

IT WAS THE BEST OF TIMES

HEROES OF CLASSIC LITERATURE AND THEIR MODERN-DAY COUNTERPARTS

Shadow Mountain

RECOVERING CHARLES

NOVEL

Luke Millward goes to New Orleans to look for his estranged father, who is missing after Hurricane Katrina, and comes to terms with his painful past, a time in which his father descended into alcoholism after the death of his mother.

THE JAMES MIRACLE

Shadow Mountain Sam and Holly Foster and their young son James seem to have a perfect life until Sam loses his job and James has a life-threatening accident, which takes a toll on the couple and causes them to drift apart. 80,000 first printing.

EVEN THE DOG KNOWS

Shadow Mountain A family's old, beloved dog takes a final road trip to help his humans find forgiveness and healing. Meg Gorton finds herself alone and lonely in Florida. Three years earlier, she had packed what she could fit into her sister's car, told her estranged husband, Gary, where he could find her, and asked him to take care of Moses, their beloved black Labrador. For years, she'd tried to talk Gary into moving away from Woodstock, Virginia. They both needed a fresh start after the loss of their only daughter many years ago. Even after raising their grandson, Troy, it was clear that if Meg wanted a new beginning, she would have to do it alone. Now, with some looming health issues, Meg has a plan to finally bring Gary to Gulf Breeze. Gary wasn't able to move on the same way Meg did. Haunted by the tragedy of his daughter's death, and painfully aware of his guilt because he feels partly responsible, he is stuck in his life. He still owns and drives the bus for their hometown minor league baseball team. And he still thinks about the day his wife drove away. At least he still has Moses, who is always willing to listen when Gary talks about his regrets and all the things he should have done differently. Meg contacts Gary with a surprise request: she wants him to bring Moses to visit her one last time before the old dog passes on. Gary is reluctant to go, but Troy thinks it's an excellent idea. They could even travel together in Gary's bus. Along the way, Gary takes a detour to visit Troy's ex-girlfriend, Grace--the woman who Gary and Meg always believed was the one for Troy. Gary might not know how to fix things with his wife, but he knows he doesn't want Troy to make the same mistakes he did. Although Moses is just a dog, he's very observant: Gary hasn't been the same since Meg left, Troy is hiding something, and Grace's fingers smell like bacon. It doesn't take long for

Moses to learn they are going on a road trip to see Meg. He misses her and regularly senses Gary's loneliness. He knows he's an old dog and that his time is near, but he also knows there are still important things he needs to do. Even the Dog Knows is a novel that will take readers on a thousand-mile journey to find forgiveness, understanding, healing, and the meaning of true and lasting love.

THE PLAGUE YEAR

AMERICA IN THE TIME OF COVID

Penguin UK 'A virtuoso feat ... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's *The Looming Tower* became the defining account of our century's first devastating event, 9/11, so *The Plague Year* will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, *The Plague Year* allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus

THE SEVENTEEN SECOND MIRACLE

Penguin From the New York Times bestselling author of *The Wednesday Letters* and *The Cross Gardener*, a story of small kindnesses-and life-changing miracles. Seventeen seconds can change a life forever. This is what Rex Connor learned on a gorgeous summer afternoon in 1970 when, as a lifeguard, he diverted his gaze for seventeen seconds and tragedy occurred. Forty years later the waves of that day still ripple through the lives of countless people, including his son, Cole. Cole Connor has become a patient teacher, and now he has invited three struggling teenagers to visit him on his front porch to learn about Rex Connor—and the Seventeen Second Miracle. Together they will learn how Rex Connor could have allowed seventeen seconds to destroy him, but instead he chose to live every day believing the smallest of acts could change the world for good. And the students, each with their own secrets and private pains, will begin

to understand that even tragedy brings lessons. Even pain brings comfort. Even death brings miracles. A seventeen second miracle can change a life—if you let it.

COURAGE TO BE YOU

INSPIRING LESSONS FROM AN UNEXPECTED JOURNEY

Deseret Book Gail Miller writes about the lessons she learned first as the wife of Larry Miller and then as his widow, taking over his role as president of the LHM Companies, which include several car dealerships, a movie theater chain, and the Utah Jazz.

BREXIT AND BEYOND

RETHINKING THE FUTURES OF EUROPE

UCL Press Brexit will have significant consequences for the country, for Europe, and for global order. And yet much discussion of Brexit in the UK has focused on the causes of the vote and on its consequences for the future of British politics. This volume examines the consequences of Brexit for the future of Europe and the European Union, adopting an explicitly regional and future-oriented perspective missing from many existing analyses. Drawing on the expertise of 28 leading scholars from a range of disciplines, *Brexit and Beyond* offers various different perspectives on the future of Europe, charting the likely effects of Brexit across a range of areas, including institutional relations, political economy, law and justice, foreign affairs, democratic governance, and the idea of Europe itself. Whilst the contributors offer divergent predictions for the future of Europe after Brexit, they share the same conviction that careful scholarly analysis is in need - now more than ever - if we are to understand what lies ahead for the EU. Praise for *Brexit and Beyond* 'a wide-ranging and thought-provoking tour through the vagaries of British exit, with the question of Europe's fate never far from sight...Brexit is a wake-up call for the EU. How it responds is an open question—but respond it must. To better understand its options going forward you should turn to this book, which has also been made free online.' Prospect Magazine 'This book explores wonderfully well the bombshell of Brexit: is it a uniquely British phenomenon or part of a wider, existential crisis for the EU? As the tensions and complexities of the Brexit negotiations come to the fore, the collection of essays by leading scholars will prove a very valuable reference for their depth of analysis, their lucidity, and their outlining of future options.' - Kevin Featherstone, Head of the LSE European Institute, London School of Economics 'Brexit and Beyond is a must read. It moves the ongoing debate about what Brexit actually means to a whole new level. While many scholars to date have examined the reasons for the British decision to leave, the crucial question of what Brexit will mean for the future of the European project is often overlooked. No longer. *Brexit and Beyond* bundles the perspectives of

leading scholars of European integration. By doing so, it provides a much needed scholarly guidepost for our understanding of the significance of Brexit, not only for the United Kingdom, but also for the future of the European continent.' - Catherine E. De Vries, Professor in the department of Government, University of Essex and Professor in the department of Political Science and Public Administration Free University Amsterdam

'Brexit and Beyond provides a fascinating (and comprehensive) analysis on the how and why the UK has found itself on the path to exiting the European Union. The talented cast of academic contributors is drawn from a wide variety of disciplines and areas of expertise and this provides a breadth and depth to the analysis of Brexit that is unrivalled. The volume also provides large amounts of expert-informed speculation on the future of both the EU and UK and which is both stimulating and anxiety-inducing.'

-Professor Richard Whitman, Head of School, Professor of Politics and International Relations, Director of the Global Europe Centre, University of Kent

THE BEAUTY VOLUME 6

The end is here. Over sixty percent of the world's population has THE BEAUTY...and people are dying. Love, friendship, and life goes on, even as the world burns. Collects issues 27 through 31.

THE 13TH GIFT

A TRUE STORY OF A CHRISTMAS MIRACLE

ReadHowYouWant.com Every day can be Christmas. After the unexpected death of her husband, Joanne Huist Smith had no idea how she would keep herself together and be strong for her three children - especially with the holidays approaching. The cheerfulness of the season made her feel more alone than ever, no matter how much she wanted to reach out to her children and find some way to comfort them. But thirteen days before Christmas, a poinsettia appeared on the Smiths' doorstep. The next day, another gift arrived ... then another, and another. Each present was accompanied by a note with lyrics to the carol "The Twelve Days of Christmas" rewritten to fit the gift and signed, "Your true friends." Although Jo resisted the intrusion at first, the gifts began to work a kind of magic on her and the kids. As they puzzled over the mystery together - who were the true friends? when would the next delivery arrive? could anyone catch the gift givers in the act? - their grieving hearts began to heal. The 13th Gift is a true story about the everyday miracles that can occur during the holiday season. It is a heartwarming reminder that with love, community, and family, even the most broken of hearts can be mended.

A PRINCETON COMPANION

Princeton University Press In this unusual and unique volume, Alexander Leitch provides a warm, often witty, and always informative reference book on Princeton University. The collection of approximately 400 articles, alphabetically arranged and written by some seventy faculty members and alumni in addition to the author, covers all aspects of Princeton life in the past as well as in the present. Of special interest are the biographies of eminent Princetonians, including the University's presidents, well-known trustees, distinguished deans, famous alumni, and some of Princeton's most prominent and popular professors. Other articles in the book embrace a wide range of topics: histories of academic departments, programs, and research units; descriptions of the honor system, the preceptorial method, the four-course plan, and coeducation; a historical survey of the University's acquisition of land and the development of its campus, together with articles on its principal buildings; pieces on student activities; accounts of alumni activities; articles on athletics; portraits of notable personalities; and commentaries on a host of lighter topics such as the cane spree, beer jackets, the Faculty Song, the proctors, and Veterans of Future Wars. Among the most important articles are one summarizing Woodrow Wilson's Sesquicentennial address, "Princeton in the Nation's Service," and a dozen others recording faculty and alumni achievements toward the goal encompassed by that phrase. Originally published in 1978. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

THE SHYNESS AND SOCIAL ANXIETY WORKBOOK

CHRISTMAS ORANGES

Covenant Communications After being transferred to an orphanage where the director punishes children for disobeying rules they have never been told, Rose looks forward to Christmas, when she will taste her first orange.

THINKING SKILLS

CRITICAL THINKING AND PROBLEM SOLVING

Cambridge University Press Thinking Skills, second edition, is the only endorsed book offering complete coverage of the Cambridge International AS and A Level syllabus.

DISCOVERING STATISTICS USING R

SAGE Lecturers - request an e-inspection copy of this text or contact your local SAGE representative to discuss your course needs. Watch Andy Field's introductory video to *Discovering Statistics Using R* Keeping the uniquely humorous and self-deprecating style that has made students across the world fall in love with Andy Field's books, *Discovering Statistics Using R* takes students on a journey of statistical discovery using R, a free, flexible and dynamically changing software tool for data analysis that is becoming increasingly popular across the social and behavioural sciences throughout the world. The journey begins by explaining basic statistical and research concepts before a guided tour of the R software environment. Next you discover the importance of exploring and graphing data, before moving onto statistical tests that are the foundations of the rest of the book (for example correlation and regression). You will then stride confidently into intermediate level analyses such as ANOVA, before ending your journey with advanced techniques such as MANOVA and multilevel models.

Although there is enough theory to help you gain the necessary conceptual understanding of what you're doing, the emphasis is on applying what you learn to playful and real-world examples that should make the experience more fun than you might expect. Like its sister textbooks, *Discovering Statistics Using R* is written in an irreverent style and follows the same ground-breaking structure and pedagogical approach. The core material is augmented by a cast of characters to help the reader on their way, together with hundreds of examples, self-assessment tests to consolidate knowledge, and additional website material for those wanting to learn more. Given this book's accessibility, fun spirit, and use of bizarre real-world research it should be essential for anyone wanting to learn about statistics using the freely-available R software.

ANTISEMITISM

MYTH AND HATE FROM ANTIQUITY TO THE PRESENT

Springer In this provocative book, Marvin Perry and Frederick M. Schweitzer analyze the lies, misperceptions, and myths about Jews and Judaism that anti-semites have propagated throughout the centuries. Beginning with antiquity, and continuing into the present day, the authors explore the irrational fabrications that have led to numerous acts of violence and hatred against Jews. The book examines ancient and medieval myths central to the history of anti-semitism: Jews as 'Christ-killers', instruments of Satan, and ritual murderers of Christian children. It also explores the scapegoating of Jews in the modern world as conspirators bent on world domination; extortionists who manufactured the Holocaust as a hoax designed to gain reparation payments from Germany; and the leaders of the slave trade that put Africa in chains. No other book has focused its attention exclusively on a thematic discussion of historic and contemporary anti-semitic myths, covering such an expansive scope of time, and allowing for such a painstaking level of exemplification. Anti-semitism is an essential book that will serve as a corrective to bigotry, stereotype, and historical distortion.

CONVERGENCE CULTURE

WHERE OLD AND NEW MEDIA COLLIDE

NYU Press "What the future fortunes of [Gramsci's] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this." —Eric Hobsbawm, from the preface **Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci's masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as "civil society" and "hegemony" are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci's purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci's writings, is absorb Gramsci's methods. These can be summed up as the suspicion of "grand explanatory schemes," the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his Nota: "Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic,**

cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society.” The rigor of Santucci’s examination of Gramsci’s life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

THE CHRISTMAS CANDLE

Thomas Nelson Inc In the spirit of Christmas Shoes and Christmas Hope, the author presents another inspirational--and magical--holiday story that centers around an eighteenth-century village in which an angel mysteriously appears.

GRIEVING WITH HOPE

FINDING COMFORT AS YOU JOURNEY THROUGH LOSS

Baker Books Drawing on the successful national recovery program GriefShare, grief experts offer practical direction and hope in the face of loss.

SEE, LOVE, LIFT: HOW SEEING, LOVING, AND LIFTING OTHERS WILL CHANGE YOUR LIFE

STUDENT EDITION

In Jason's special student edition, he teaches his popular See, Love, Lift principles. Jason has been speaking on the notion of these rights for several years, and now he's excited to bring the message into classrooms. Through deeply personal stories, Jason shares how family, friends, and strangers have changed his life -- and their own -- by embracing these rights . . . And how you can too.

COMMERCIAL AND CONSUMER LAW

Longman This volume contains summaries of the essential cases & extracts from key legislative provisions that you will need to draw upon when answering problem or essay questions. Debate & issue boxes are included to highlight contentious areas of the law & help you refine your critical analysis skills.

CORNERSTONES OF ATTACHMENT RESEARCH

Oxford University Press This is an open access title available under the terms of a [CC BY-NC-ND 4.0 International] licence. It is free to read at Oxford Clinical Psychology Online and offered as a free PDF download from OUP and selected open access locations. Attachment theory is among the most popular theories of human socioemotional development, with a global

research community and widespread interest from clinicians, child welfare professionals, educationalists and parents. It has been considered one of the most generative contemporary ideas about family life in modern society. It is one of the last of the grand theories of human development that still retains an active research tradition. Attachment theory and research speak to fundamental questions about human emotions, relationships and development. They do so in terms that feel experience-near, with a remarkable combination of intuitive ideas and counter-intuitive assessments and conclusions. Over time, attachment theory seems to have become more, rather than less, appealing and popular, in part perhaps due to alignment with current concern with the lifetime implications of early brain development. **Cornerstones of Attachment Research** re-examines the work of key laboratories that have contributed to the study of attachment. In doing so, the book traces the development in a single scientific paradigm through parallel but separate lines of inquiry. Chapters address the work of Bowlby, Ainsworth, Main and Hesse, Sroufe and Egeland, and Shaver and Mikulincer. **Cornerstones of Attachment Research** utilises attention to these five research groups as a lens on wider themes and challenges faced by attachment research over the decades. The chapters draw on a complete analysis of published scholarly and popular works by each research group, as well as much unpublished material.

PSYCHOLOGY OF SPACE EXPLORATION: CONTEMPORARY RESEARCH IN HISTORICAL PERSPECTIVE

Government Printing Office Through essays on topics including survival in extreme environments and the multicultural dimensions of exploration, readers will gain an understanding of the psychological challenges that have faced the space program since its earliest days. An engaging read for those interested in space, history, and psychology alike, this is a highly relevant read as we stand poised on the edge of a new era of spaceflight. Each essay also explicitly addresses the history of the psychology of space exploration.

SECRETS IN AN AMISH GARDEN
