BOY NOBODY

Hachette UK The explosive new thriller for fans of Jason Bourne, Robert Muchamore and Michael Grant, now republished under new title *The Hit*. *Boy Nobody* is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school, in a new town, under a new name, makes few friends and doesn't stay long. Just long enough for someone in his new friend's family to die -- of "natural causes." Mission accomplished, *Boy Nobody* disappears, and moves on to the next target. When *Boy Nobody* was just eleven, he discovered his own parents had died of not-so-natural causes. He soon found himself under the control of *The Program*, a shadowy government organization that uses brainwashed kids as counter-espionage operatives. But somewhere, deep inside *Boy Nobody*, is somebody: the boy he once was, the boy who wants normal things (like a real home, his parents back), a boy who wants out. And he just might want those things badly enough to sabotage *The Program's* next mission.

I AM THE WEAPON

Hachette UK They needed the perfect assassin. *Boy Nobody* is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die -- of "natural causes." Mission accomplished, *Boy Nobody* disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at *The Program* are watching. Because somewhere deep inside, *Boy Nobody* is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage *The Program's* mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

I AM THE MISSION

Little, Brown Books for Young Readers He was the perfect assassin. *Boy Nobody*: No name. No past. No remorse. At least until he began to ask questions and challenge his orders -- until he fell in love with his target. Now *The Program* is worried that its valuable soldier has become a liability. *Boy Nobody*, haunted by the outcome of his last assignment, is given a new mission. A test of sorts. A chance to show his loyalty. His objective: Take out Eugene Moore, the owner of a military training and indoctrination camp for teenagers. One target. Limited time frame. Public place. It sounds simple, but a previous operative couldn't do it. He lost the mission and is presumed dead. *Boy Nobody* is confident he can finish the job. Quickly. But when things go awry, *Boy Nobody* finds himself lost in a mission where nothing is as it seems: not *The Program*, his allegiances, or the truth. The riveting second book in *The Unknown Assassin* series by Allen Zadoff delivers heart-pounding action and thought-provoking characters, as well as a new, exotic setting; a new mission; and new secrets to be revealed.

I AM THE TRAITOR

Little, Brown Books for Young Readers *The Program* has sent *Boy Nobody* on countless missions, instructed to kill whichever target he was given. But now, after going rogue, he is on his own mission to rescue his friend Howard, who was captured by *The Program*. *Boy Nobody* manages to free Howard as well as Tanya, a mysterious girl who was being held with him. Putting their skills to the test, Howard and Tanya help *Boy Nobody* collect information about his father, eventually revealing a dangerous secret that teaches *Boy Nobody* a valuable lesson -- he can't trust anyone. On the run from *The Program*, *Boy Nobody* must face his past, as he's forced to decide where his loyalties lie. Allen Zadoff packs the final installment in the *Unknown Assassin* trilogy with even more action, higher stakes, and mind-blowing reveals that will leave readers riveted.

THE MISSION

Franklin Watts He was the perfect assassin, that is, until he began to ask questions and challenge his orders. Now the *Program* is worried that their valuable soldier has become a liability. And so begins a new mission. A test of sorts. A chance to prove his loyalty. But nothing about this mission is as it seems: not the *Program*, his allegiances, nor the truth.

Together again, *Wild* and *Chance* must enlist the help of *Junebug* to hack into C.A.T.'s computer to discover what they really want. But along the way, the group is reunited with an old friend and introduced to the *Puppio* puppies—love-at-first-sight cute, with massive eyes, who smell like apple pie. Even though they may look cute on the outside, *Wild* is convinced everything isn't as it seems. TEEN KILLERS CLUB

A NOVEL

Crooked Lane Books Framed for the murder of her best friend, a young girl joins a super-secret society of teenage assassins to avoid a lifetime behind bars--and discovers her own true self--in this mesmerizing debut novel. Seventeen-year-old Signal Deere has raised eyebrows for years as an unhappy Goth misfit from the trailer park. When she's convicted of her best friend Rose's brutal murder, she's designated a Class A--the most dangerous and manipulative criminal profile. To avoid prison, Signal signs on for a secret program for 18-and-under Class As and is whisked off to an abandoned sleep-away camp, where she and seven bunkmates will train as assassins. Yet even in the Teen Killers Club, Signal doesn't fit in. She's squeamish around blood. She's kind and empathetic. And her optimistic attitude is threatening to turn a group of ragtag maniacs into a team of close-knit friends. Maybe that's because Signal's not really a killer. She was framed for Rose's murder and only joined the program to escape, track down Rose's real killer, and clear her name. But Signal never planned on the sinister technologies that keep the campers confined. She never planned on the mysterious man in the woods determined to pick them off one by one. And she certainly never planned on falling in love. Signal's strategy is coming apart at the seams as the true killer prepares to strike again in Teen Killers Club.
